Dear Andrew,

Your facility as outlined below is a revolving loan facility for the purpose of working capital. It currently has a limit reduction of \$50,000 per month in place (as reflected below by scheduled balance/limit).

EONX Services Pty Ltd A.C.N. 615 958 873

NAB Business Markets Loan
Contracted limit: \$3,700,000
Scheduled balance/limit: \$3,350,000
Account: 785016642

The facility is currently operating within approved conditions.

The scheduled review date is 30/06/2022. This is a point at which the facility will be extended for an appropriate further term, following a review of borrower needs and performance.

Please let me know if you have any further queries.

Best regards
