

## **GAMA EXPLORATIONS ANNOUNCES APPOINTMENT OF DR. JACOB VERBAAS AS VP, EXPLORATION**

---

VANCOUVER, BC (October 18, 2022) Gama Explorations Inc. (CSE: GAMA) (“**Gama**” or the “**Company**”) is pleased to announce that the appointment of Dr. Jacob (Jaap) Verbaas as Vice President of Exploration, effective immediately.

Dr. Verbaas is an exploration geologist with an M.Sc. from Utrecht University and a PhD from Simon Fraser University. His strengths are regional targeting as well as identifying and executing project-scale exploration strategies. He has experience in Australia, northern Africa and Canada and has worked in executive roles for Canadian public exploration companies since 2017. He was previously Vice President of Exploration with Go Metals and is a founder, director and CEO of CAVU Energy Metals. Dr. Verbaas is a registered Professional Geologist with EGBC.

Dr. Mick Carew, Chief Executive Officer and Director of Gama, stated “We are excited to welcome Dr. Verbaas to the Gama team. He will be an important addition as we continue to expand our portfolio and advance exploration on our assets. Dr. Verbaas staked the Tyee Nickel claims and is a first mover in the Havre St. Pierre anorthosite complex. He has a track record for pursuing projects with large scale potential and we look forward to continuing this mission with Gama.”

Dr. Verbaas noted, “I am excited to join the Gama team and developing exploration strategies for the Tyee nickel claims as well as the Big Onion copper-porphyry claims. The Havre St Pierre anorthosite complex has proven potential for nickel-sulphide mineralization and overall is extremely underexplored for nickel. I look forward to the exploration on the Tyee nickel claim block and believe it is some of the most prospective ground in the immediate region.”
