

GAMA EXPLORATIONS INC.

MANAGEMENT INFORMATION CIRCULAR AS AT AUGUST 11, 2023

This Management Information Circular (“Information Circular”) is furnished in connection with the solicitation of proxies by management of Gama Explorations Inc. for use at the annual general meeting (the “Meeting”) of shareholders of Gama Explorations Inc. (the “Shareholders”) to be held on September 15, 2023 and any adjournment or postponement thereof, for the purposes set forth in the attached Notice of Annual General Meeting. Except where otherwise indicated, the information contained herein is stated as of August 11, 2023.

In this Information Circular, references to the “Company” and “we” refer to Gama Explorations Inc. “Common Shares” means common shares without par value in the capital of the Company. “Registered Shareholders” means Shareholders whose names appear on the records of the Company as the registered holders of Common Shares. “Non-Registered Shareholders” means Shareholders who do not hold Common Shares in their own name. “Intermediaries” refers to brokers, investment firms, clearing houses and similar entities that own securities on behalf of Non-Registered Shareholders.

GENERAL PROXY INFORMATION

Solicitation of Proxies

The solicitation of proxies will be primarily by mail, but proxies may be solicited personally or by telephone by directors, officers and regular employees of the Company. The Company will bear all costs of this solicitation. We have arranged to send meeting materials directly to Registered Shareholders, as well as Non-Registered Shareholders who have consented to their ownership information being disclosed by the Intermediary holding the Common Shares on their behalf (non-objecting beneficial owners). We have not arranged for Intermediaries to forward the meeting materials to Non-Registered Shareholders who have objected to their ownership information being disclosed by the Intermediary holding the Common Shares on their behalf (objecting beneficial owners). As a result, objecting beneficial owners will not receive the Information Circular and associated meeting materials unless their Intermediary assumes the costs of delivery.

Appointment and Revocation of Proxies

The individuals named in the accompanying form of proxy (the “Proxy”) are officers of the Company or solicitors for the Company. **If you are a Registered Shareholder, you have the right to attend the meeting or vote by proxy and to appoint a person or company other than the person designated in the Proxy, who need not be a Shareholder, to attend and act for you and on your behalf at the Meeting. You may do so either by inserting the name of that other person in the blank space provided in the Proxy or by completing and delivering another suitable form of Proxy.**

If you are a Registered Shareholder you may wish to vote by proxy whether or not you are able to attend the Meeting in person. Registered Shareholders electing to submit a proxy may do so by completing, dating and signing the enclosed Proxy and returning it to the Company’s transfer agent, Odyssey Trust Company (“Odyssey”), in accordance with the instructions on the Proxy. Alternatively, Registered Shareholders may vote their shares via the internet or by telephone as per the instructions provided on the Proxy.

In all cases you should ensure that the Proxy is received at least two business days before the Meeting or the adjournment or postponement thereof at which the Proxy is to be used.

Every Proxy may be revoked by an instrument in writing:

- (i) executed by the Shareholder or by his/her attorney authorized in writing or, where the Shareholder is a company, by a duly authorized officer or attorney of the company; and
- (ii) delivered either to the registered office of the Company at any time up to and including the last business day preceding the day of the Meeting or any adjournment or postponement thereof, at which the Proxy is to be used, or to the chairman of the Meeting on the day of the Meeting or any adjournment or postponement thereof, or in any other manner provided by law.

Only Registered Shareholders have the right to revoke a Proxy. Non-Registered Shareholders who wish to change their vote must, at least seven days before the Meeting, arrange for their respective Intermediaries to revoke the Proxy on their behalf. If you are a Non-Registered Shareholder, see “Voting by Non-Registered Shareholders” below for further information on how to vote your Common Shares.

Exercise of Discretion by Proxyholder

If you vote by proxy, the persons named in the Proxy will vote or withhold from voting the Common Shares represented thereby in accordance with your instructions on any ballot that may be called for. If you specify a choice with respect to any matter to be acted upon, your Common Shares will be voted accordingly. The Proxy confers discretionary authority on the persons named therein with respect to:

- (a) each matter or group of matters identified therein for which a choice is not specified;
- (b) any amendment to or variation of any matter identified therein;
- (c) any other matter that properly comes before the Meeting; and
- (d) exercise of discretion of the Proxyholder.

In respect of a matter for which a choice is not specified in the Proxy, the persons named in the Proxy will vote the Common Shares represented by the Proxy for the approval of such matter. Management is not currently aware of any other matters that could come before the Meeting.

Voting by Non-Registered Shareholders

The following information is of significant importance to Shareholders who do not hold Common Shares in their own name. Non-Registered Shareholders should note that the only Proxies that can be recognized and acted upon at the Meeting are those deposited by Registered Shareholders.

If Common Shares are listed in an account statement provided to a Shareholder by an Intermediary, then in almost all cases those Common Shares will not be registered in the Shareholder’s name on the records of the Company. Such Common Shares will more likely be registered under the name of the Shareholder’s Intermediary or an agent of that Intermediary. In the United States, the vast majority of such Common Shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms).

If you have consented to disclosure of your ownership information, you will receive a request for voting instructions from the Company (through Odyssey). If you have declined to disclose your ownership information, you may receive a request for voting instructions from your Intermediary if they have assumed the cost of delivering the Information Circular and associated meeting materials. Every Intermediary has its own mailing procedures and provides its own return instructions to clients. However, most Intermediaries now delegate responsibility for obtaining voting instructions from clients to Broadridge Financial Solutions, Inc. (“**Broadridge**”) in the United States and in Canada.

If you are a Non-Registered Shareholder, you should carefully follow the instructions on the voting instruction form received from Odyssey or Broadridge in order to ensure that your Common Shares are voted at the Meeting. The voting instruction form supplied to you will be similar to the Proxy provided to the Registered Shareholders by the Company. However, its purpose is limited to instructing the Intermediary on how to vote on your behalf.

The voting instruction form sent by Odyssey or Broadridge will name the same persons as the Company’s proxy to represent you at the Meeting. **Although as a Non-Registered Shareholder you may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of your Intermediary, you, or a person designated by you (who need not be a Shareholder), may attend at the Meeting as Proxyholder for your Intermediary and vote your Common Shares in that capacity.** To exercise this right to attend the meeting or appoint a Proxyholder of your own choosing, you should insert your own name or the name of the desired representative in the blank space provided in the voting instruction form. Alternatively, you may provide other written instructions requesting that you or your desired representative attend the Meeting as Proxyholder for your Intermediary. The completed voting instruction form or other written instructions must then be returned in accordance with the instructions on the form.

If you receive a voting instruction form from Odyssey or Broadridge, you cannot use it to vote Common Shares directly at the Meeting. The voting instruction form must be completed as described above and returned in accordance with its instructions well in advance of the Meeting in order to have the Common Shares voted.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

No person has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in matters to be acted upon at the Meeting other than the election of directors, the appointment of auditors or approval of the Company's equity incentive plan. For the purpose of this paragraph, "person" shall include each person: (a) who has been a director, senior officer or insider of the Company at any time since the commencement of the Company's last fiscal year; (b) who is a proposed nominee for election as a director of the Company; or (c) who is an associate or affiliate of a person as defined in (a) or (b).

RECORD DATE AND QUORUM

The board of directors of the Company (the "**Board**") has fixed the record date for the Meeting as the close of business on August 11, 2023 (the "**Record Date**"). Shareholders of record as at the Record Date are entitled to receive notice of the Meeting and to vote their Common Shares at the Meeting, except to the extent that any such Shareholder transfers any Common Shares after the Record Date and the transferee of those Common Shares establishes that the transferee owns the Common Shares and demands, not less than ten (10) days before the Meeting, that the transferee's name be included in the list of Shareholders entitled to vote at the Meeting, in which case, only such transferee shall be entitled to vote such Common Shares at the Meeting.

Under the Articles of the Company, the quorum for the transaction of business at a meeting of Shareholders is one person who is a shareholder, or who is otherwise permitted to vote shares of the Company at a meeting of shareholders pursuant to the Company's articles, present in person or by proxy.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

On the Record Date there were 59,507,577 Common Shares issued and outstanding, with each share carrying the right to one vote. Only Shareholders of record at the close of business on the Record Date will be entitled to vote in person or by proxy at the Meeting or any adjournment or postponement thereof.

To the knowledge of the directors and executive officers of the Company, as of the date of this Information Circular, no Shareholder beneficially owns, or exercises control or direction of, directly or indirectly, Common Shares carrying 10% or more of the votes attached to the Common Shares.

PARTICULARS OF MATTERS TO BE ACTED UPON

To the knowledge of the Company's directors, the only matters to be placed before the Meeting are those set forth in the accompanying Notice of Meeting and discussed below.

Presentation of Financial Statements

The audited consolidated financial statements of the Company for the financial year ended January 31, 2023, together with the auditor's report thereon, will be placed before the Meeting.

Election of Directors

The Company proposes to fix the number of directors of the Company at four and to nominate the persons listed below for election as directors. Each director will hold office until the next annual general meeting of the Company or until his successor is elected or appointed, unless his office is earlier vacated. Management does not contemplate that any of the nominees will be unable to serve as a director. If, prior to the Meeting, any vacancies occur in the slate of nominees herein listed, it is intended that discretionary authority shall be exercised by the person named in the Proxy as nominee to vote the Common Shares represented by Proxy for the election of any other person or persons as directors.

The following table sets out the names of the director nominees; their positions and offices in the Company; principal occupations; the period of time that they have been directors of the Company; and the number of Common Shares that each beneficially owns or over which control or direction is exercised.

Notes:

- (1) The information as to principal occupation, business or employment and Common Shares beneficially owned or controlled is not within the knowledge of management of the Company and has been furnished by the respective nominees. Unless otherwise stated above, any nominees named above have held the principal occupation or employment indicated for at least the five preceding years.
- (2) Member of the audit committee of the Company.

Other than as disclosed below, to the knowledge of the Company, no proposed director of the Company is, or has been, within the 10 years prior to the date of this Information Circular, a director or executive officer of any company that:

- (a) was subject to a cease trade or similar order or an order that denied the relevant company access to any exemption under securities legislation, for a period of more than 30 consecutive days, that was issued while that person was acting in that capacity;
- (b) was subject to a cease trade or similar order or an order that denied the relevant company access to any exemption under securities legislation, for a period of more than 30 consecutive days, that was issued after the proposed director ceased to act in that capacity, and which resulted from an event that occurred while that person was acting in that capacity; or

- (c) while that person was acting in that capacity, or within a year of that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets.

Norman Brewster is the Chief Executive Officer and director of Cadillac Ventures Inc. On October 4, 2021, while Mr. Brewster was in officer, the Ontario Securities Commission issued a cease trade order against Cadillac Ventures Inc. for failure to file audited annual financial statements, management's discussion and analysis, and certification of the foregoing for the year ended May 31, 2021. The order remains in effect.

No proposed director of the Company is, or has been, within the 10 years prior to the date of this Information Circular, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or become subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold the assets of the proposed director.

No proposed director of the Company has been subject to any penalties or sanctions imposed by a court relating to securities legislation or by a securities regulatory authority or has entered into a settlement agreement with a securities regulatory authority; or has been subject to any other penalties or sanctions imposed by a court or regulatory body that would likely be considered important to a reasonable securityholder in deciding whether to vote for a proposed director.

Appointment of Auditor

Management is recommending that Shareholders vote to appoint BF Borgers CPA PC ("**BF Borgers**"), of 5400 W Cedar Ave., Lakewood, CO as auditors of the Company until the next annual meeting of Shareholders and to authorize the directors to fix the remuneration to be paid to the auditor. BF Borgers was first appointed as auditors for the Company on April 11, 2022.

Approval of Omnibus Equity Incentive Plan

On May 9, 2023, the Board approved the Company's 2023 Omnibus Equity Incentive Compensation Plan (the "**Plan**"). At the Meeting, Shareholders will be asked to approve the Plan.

The purpose of the Plan is to provide an incentive to directors, officers, employees and consultants to acquire a proprietary interest in the Company, to continue their participation in the affairs of the Company and to increase their efforts on behalf of the Company.

The following summary of the Plan does not purport to be complete and is qualified in its entirety by reference to Plan.

The Plan will be administered by the Board (or a committee thereof) and will provide that the Board may from time to time, in its discretion, and in accordance with CSE requirements, grant to eligible Participants (as defined in the Plan), non-transferable awards (the "**Awards**"). Such Awards include options ("**Options**"), restricted share units ("**RSUs**"), share appreciation rights ("**SARs**"), deferred share units ("**DSUs**"), and performance share units ("**PSUs**").

The number of Common Shares reserved for issuance pursuant to Options granted under the Plan will not, in the aggregate, exceed 10% of the then issued and outstanding Common Shares on a rolling basis. In addition, the maximum number of Common Shares issuable pursuant to SARs, RSUs, DSUs and PSUs issued under the Plan shall not exceed 5,930,757, in the aggregate.

The maximum number of Common Shares for which Awards may be issued to any one Participant in any 12-month period shall not exceed 5% of the outstanding Common Shares, unless disinterested shareholder approval as required by the policies of the CSE is obtained, or 2% in the case of a grant of Awards to any consultant or persons (in the aggregate) retained to provide Investor Relations Activities (as defined by the CSE). Further, unless disinterested shareholder approval as required by the policies of the CSE is obtained: (i) the maximum number of Common Shares for which Awards may be issued to insiders of the Company (as a group) at any point in time shall not exceed 10% of the outstanding Common Shares; and (ii) the aggregate number of Awards granted to insiders of the Common (as a group), within any 12-month period, shall not exceed 10% of the outstanding Common Shares.

On a Change of Control (as defined in the Plan) of the Company, the Board shall have discretion as to the treatment of Awards, including whether to (i) accelerate, conditionally or otherwise, on such terms as it sees fit, the vesting date of any Awards; (ii) permit the conditional exercise of any Awards, on such terms as it sees fit; (iii) otherwise amend or modify the terms of any Awards; and (iv) terminate, following the successful completion of a Change of Control, on such terms as it sees fit, the Awards

not exercised prior to the successful completion of such Change of Control. If there is a Change of Control, any Awards held by a Participant shall automatically vest following such Change of Control, on the Termination Date (as defined in the Plan), if the Participant is an employee, officer or a director and their employment, or officer or director position is terminated or they resign for Good Reason (as defined in the Plan) within 12 months following the Change of Control, provided that no acceleration of Awards shall occur in the case of a Participant that was retained to provide Investor Relations Activities unless the approval of the CSE is either obtained or not required.

The following is a summary of the various types of Awards issuable under the Plan.

Options

Subject to any requirements of the CSE, the Board may determine the expiry date of each Option. Subject to a limited extension if an Option expires during a Black Out Period (as defined in the Plan), Options may be exercised for a period of up to ten years after the grant date, provided that: (i) upon a Participant's termination for Cause (as defined in the Plan), all Options, whether vested or not as at the Termination Date will automatically and immediately expire and be forfeited; (ii) upon the death of a Participant, all unvested Options as at the Termination Date shall automatically and immediately vest, and all vested Options will continue to be subject to the Plan and be exercisable for a period of 90 days after the Termination Date; (iii) in the case of the Disability (as defined in the Plan) of a Participant, all Options shall remain and continue to vest (and are exercisable) in accordance with the terms of the Plan for a period of 12 months after the Termination Date, provided that any Options that have not been exercised (whether vested or not) within 12 months after the Termination Date shall automatically and immediately expire and be forfeited on such date; (iv) in the case of the retirement of a Participant, the Board shall have discretion, with respect to such Options, to determine whether to accelerate the vesting of such Options, cancel such Options with or without payment and determine how long, if at all, such Options may remain outstanding following the Termination Date, provided, however, that in no event shall such Options be exercisable for more than 12 months after the Termination Date; (v) subject to paragraph (vi) below, in all other cases where a Participant ceases to be eligible under the Plan, including a termination without Cause or a voluntary resignation, unless otherwise determined by the Board, all unvested Options shall automatically and immediately expire and be forfeited as of the Termination Date, and all vested Options will continue to be subject to the Plan and be exercisable for a period of 90 days after the Termination Date; and (vi) notwithstanding paragraphs (i)-(v), in connection with the resignation of the Participants holding options to purchase Common Shares granted to the directors and officers of the Company under the Plan, such options shall be exercisable for a period of 90 months after the Termination Date.

The exercise price of the Options will be determined by the Board at the time any Option is granted. In no event will such exercise price be lower than the last closing price of the Common Shares on the CSE less any discount permitted by the rules or policies of the CSE at the time the Option is granted. Subject to any vesting restrictions imposed by the CSE, or as may otherwise be determined by the Board at the time of grant, Options shall vest equally over a four year period such that $\frac{1}{4}$ of the Options shall vest on the first, second, third and fourth anniversary dates of the date that the Options were granted.

Restricted Share Units

Subject to any requirements of the CSE, the Board may determine the expiry date of each RSU. Subject to a limited extension if an RSU expires during a Black Out Period, RSUs may vest and be paid out for a period of up to three years after the grant date, provided that: (i) upon a Participant's termination for Cause, all RSUs, whether vested (if not yet paid out) or not as at the Termination Date will automatically and immediately expire and be forfeited; (ii) upon the death of a Participant, all unvested RSUs as at the Termination Date shall automatically and immediately vest and be paid out; (iii) in the case of the Disability of a Participant, all RSUs shall remain and continue to vest in accordance with the terms of the Plan for a period of 12 months after the Termination Date, provided that any RSUs that have not been vested within 12 months after the Termination Date shall automatically and immediately expire and be forfeited on such date; (iv) in the case of the retirement of a Participant, the Board shall have discretion, with respect to such RSUs, to determine whether to accelerate the vesting of such RSUs, cancel such RSUs with or without payment and determine how long, if at all, such RSUs may remain outstanding following the Termination Date, provided, however, that in no event shall such RSUs be exercisable for more than 12 months after the Termination Date; and (v) in all other cases where a Participant ceases to be eligible under the Plan, including a termination without Cause or a voluntary resignation, unless otherwise determined by the Board, all unvested RSUs shall automatically and immediately expire and be forfeited as of the Termination Date, and all vested RSUs will be paid out in accordance with the Plan.

The number of RSUs to be issued to any Participant will be determined by the Board at the time of grant. Each RSU will entitle the holder to receive at the time of vesting for each RSU held, either one Common Share or a cash payment equal to the fair market value of a Common Share or a combination of the two, at the election of the Board. In addition, the Board may determine that holders of RSUs be credited with consideration equivalent to dividends declared by the Board and paid on outstanding Common Shares. In the event settlement is made by payment in cash, such payment shall be made by the earlier of (i) $2\frac{1}{2}$ months

after the close of the year in which such conditions or restrictions were satisfied or lapsed and (ii) December 31 of the third year following the year of the grant date. Subject to any vesting restrictions imposed by the CSE, or as may otherwise be determined by the Board at the time of grant, RSUs shall vest equally over a three-year period such that $\frac{1}{3}$ of the RSUs shall vest on the first, second and third anniversary dates of the date that the RSUs were granted.

Share Appreciation Rights

SARs may be issued together with Options or as standalone awards. Upon the exercise of a SAR, a Participant shall be entitled to receive payment from the Company in an amount representing the difference between the fair market value of the underlying Common Shares on the date of exercise over the grant price of the SAR. At the discretion of the Board, the payment upon the exercise of a SAR may be in cash, Common Shares of equivalent value, in some combination thereof, or in any other form approved by the Board in its sole discretion. Subject to any requirements of the CSE, the Board may determine the vesting terms and expiry date of each SAR. Subject to a limited extension if a SAR expires during a Black Out Period, SARs will not be exercisable later than the tenth anniversary date of its grant. Subject to compliance with the rules of the CSE, the Board may determine, at the time of grant, the treatment of SARs upon a Participant ceasing to be eligible to participate in the Plan.

Deferred Share Units

The number and terms of DSUs to be issued to any Participant will be determined by the Board at the time of grant. Each DSU will entitle the holder to receive at the time of settlement for each DSU held, either one Common Share or a cash payment equal to the fair market value of a Common Share or a combination of the two, at the election of the Board. In addition, the Board may determine that holders of DSUs be credited with consideration equivalent to dividends declared by the Board and paid on outstanding Common Shares. Subject to any requirements of the CSE, the Board may determine the vesting terms and expiry date of each DSU, provided that if a DSU would otherwise settle or expire during a Black Out Period, the Board may extend such date. Subject to compliance with the rules of the CSE, the Board may determine, at the time of grant, the treatment of DSUs upon a Participant ceasing to be eligible to participate in the Plan.

Performance Share Units

The number and terms (including applicable performance criteria) of PSUs to be issued to any Participant will be determined by the Board at the time of grant. Each PSU will entitle the holder to receive at the time of settlement for each PSU held, either one Common Share or a cash payment equal to the fair market value of a Common Share or a combination of the two, at the election of the Board. In addition, the Board may determine that holders of PSUs be credited with consideration equivalent to dividends declared by the Board and paid on outstanding Common Shares. Subject to any requirements of the CSE, the Board may determine the vesting terms and expiry date of each PSU, provided that in no event will delivery of Common Shares or payment of any cash amounts be made later than the earlier of (i) 2½ months after the close of the year in which the performance conditions or restrictions are satisfied or lapse, and (ii) December 31 of the third year following the year of the grant date. Subject to compliance with the rules of the CSE, the Board may determine, at the time of grant, the treatment of PSUs upon a Participant ceasing to be eligible to participate in the Plan.

The Plan will replace the Company's existing stock option plan.

Shareholders will be asked at the Meeting to approve, with or without variation, the following ordinary resolution:

“BE IT RESOLVED THAT:

1. the Company's 2023 omnibus equity incentive plan (the “**Plan**”) be and is hereby approved, and that in connection therewith a maximum of 10% of the issued and outstanding common shares at the time of each grant be approved for granting as options, and a maximum of 5,930,757 common shares issuable pursuant to restricted share units, share appreciation rights, deferred share units, and performance share units be approved for granting as awards;
2. the Board of Directors of the Company be authorized in its absolute discretion to administer the Plan, and amend or modify the Plan in accordance with its terms and conditions and with the policies of the Canadian Securities Exchange (CSE);
3. all issued and outstanding stock options of the Company previously granted shall be continued under and governed by the Plan;

4. all unallocated entitlements under the Plan be approved, and the Company has the ability to continue granting options and awards under the Plan until September 15, 2026, which is the date that is three (3) years from the date at which shareholder approval is being sought; and
5. any one or more director(s) or officer(s) of the Company be authorized and directed to do all acts and things and to execute and deliver all documents required, as in the opinion of such director or officer may be necessary or appropriate in order to give effect to this resolution.”

A copy of the Plan is available at the records office of the Company, until the business day immediately preceding the date of the Meeting, and a copy will also be made available at the Meeting.

OTHER BUSINESS

As of the date of this Information Circular, management of the Company knows of no other matters to be acted upon at the Meeting. However, should any other matters properly come before the Meeting, the Common Shares represented by the Proxy solicited hereby will be voted on such matters in accordance with the best judgment of the persons voting the Common Shares represented by the Proxy.

Oversight and Description of Director and Named Executive Officer Compensation

The objective of the Company's compensation program is to compensate the directors and executive officers for their services to the Company at a level that is both in line with the Company's fiscal resources and competitive with companies at a similar stage of development.

The Company compensates its directors and executive officers based on their skill, qualifications, experience level, level of responsibility involved in their position, the existing stage of development of the Company, the Company's resources, industry practice and regulatory guidelines regarding executive compensation levels.

The Board has implemented three levels of compensation to align the interests of the directors and executive officers with those of the Shareholders. First, directors and executive officers may be paid a monthly consulting fee or salary. Second, the Board may award directors and executive officers long term incentives in the form of stock options. Finally, and only in special circumstances, the Board may award cash or share bonuses for exceptional performance that results in a significant increase in Shareholder value. The Company provides medical and dental benefits but it does not provide pension or other benefits to the directors and executive officers.

The base compensation of the directors and executive officers is reviewed and set annually by the Board. The CFO has substantial input in setting annual compensation levels. The CFO is directly responsible for the financial resources and operations of the Company. In addition, the CFO and Board from time to time determine the stock option grants to be made pursuant to the Company's equity incentive plan. Previous grants of stock options are taken into account when considering new grants. The Board awards bonuses at its sole discretion. The Board does not have pre-existing performance criteria or objectives.

Compensation for the most recently completed financial year should not be considered an indicator of expected compensation levels in future periods. All compensation is subject to and dependent on the Company's financial resources and prospects.

STATEMENT OF CORPORATE GOVERNANCE

Corporate Governance

Corporate governance relates to the activities of the Board, the members of which are elected by and are accountable to the Shareholders, and takes into account the role of the individual members of management who are appointed by the Board and charged with the day-to-day management of the Company. The Canadian Securities Administrators ("CSA") have adopted National Policy 58-201 Corporate Governance Guidelines, which provides non-prescriptive guidelines on corporate governance practices for reporting issuers such as the Company. In addition, the CSA has implemented National Instrument 58-101 Disclosure of Corporate Governance Practices ("NI 58-101"), which prescribes certain disclosure by the Company of its corporate governance practices. This disclosure is presented below.

Board of Directors

The Board currently consists of four members, Allan Larmour, Norman Brewster, Jason Riley, and John Wenger and it is proposed that all four be nominated at the Meeting.

The Board has concluded that three directors, Norman Brewster, Jason Riley, and John Wenger are "independent" for purposes of membership on the Board, as provided in NI 58-101. Allan Larmour, former President, is not "independent" for the purposes of membership on the Board, as provided in NI 58-101.

The independent directors do not hold regularly scheduled meetings at which non-independent directors and members of management are not in attendance. The Board facilitates open and candid discussion among its independent directors through collective communication among its directors and management.

The following table sets forth the directors of the Company who are directors of other reporting issuers:

Orientation and Continuing Education

New Board members receive an orientation package which includes reports on operations and results, and any public disclosure filings by the Company, as may be applicable. Board meetings are sometimes held at the Company's offices and, from time to time, are combined with presentations by the Company's management to give the directors additional insight into the Company's business. In addition, management of the Company makes itself available for discussion with all Board members.

Ethical Business Conduct

The Board has not adopted a formal code of business conduct and ethics. The Board is of the view that the fiduciary duties placed on individual directors by the Company's governing legislation and common law together with corporate statutory restrictions on an individual director's participation in Board decisions in which the director has an interest are sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

Nomination of Directors

The Board considers its size each year when it considers the number of directors to recommend to the Shareholders for election at the annual general meeting. The Board takes in to account the number of directors required to carry out the Board's duties effectively and to maintain diversity of views and experience.

The Board has not established a nominating committee and this function is currently performed by the Board as a whole. However, if there is a change in the number of directors required by the Company, this policy will be reviewed.

Compensation

The Board has not established a formal compensation committee. Rather, the independent Board members are responsible for reviewing and determining the adequacy and form of compensation paid to the Company's executives and key employees. The independent Board members evaluate the performance of the CEO and other senior management measured against the Company's business goals and industry compensation levels.

Other Board Committees

The Board has no committees other than the audit committee.

Assessments

The Board annually, and at such other times as it deems appropriate, reviews the performance and effectiveness of the Board, the directors and its committees to determine whether changes in size, personnel or responsibilities are warranted. To assist in its review, the Board conducts informal surveys of its directors and receives a report from the audit committee respecting its effectiveness. As part of the assessments, the Board or the audit committee may review their respective mandate or charter and conduct reviews of applicable corporate policies.
