### About Global Helium (CSE: HECO) (OTC: HECOF)

Global Helium one of Canada's largest helium exploration and development companies, focused on the exploration, acquisition, development, and production of helium to meet the needs of increasing helium demand and shrinking helium supply in North America and around the world. The Company has a seasoned team of industry professionals and technical experts and has established connections with North American and international helium buyers. Together, the team has captured 100%-owned permits encompassing over 1.8 million acres prospective for helium in Saskatchewan's well-established helium fairway, acquired a proven helium asset in the State of Montana, and is building a significant land position in southeastern Alberta.
