

Nepra Foods Inc. Announces Pricing of Overnight Marketed Offering

Vancouver, British Columbia--(Newsfile Corp. - March 11, 2022) - Nepra Foods Inc. (CSE: NPRA) (FSE: 2P6) (OTCQB: NPRFF) (the "Company" or "Nepra"), creator of nutritious plant based and allergen-free food, is pleased to announce the pricing and terms of its previously announced overnight marketed public offering (the "Offering") of units of the Company ("Units"). The Offering will be conducted on an underwritten "best efforts" basis for the issuance of 6,666,667 Units at a price of \$0.45 per Unit (the "Offering Price"), for gross proceeds of no less than \$3,000,000. The Offering is expected to be completed pursuant to an underwriting agreement to be entered into between the Company and Canaccord Genuity Corp. (the "Underwriter").

Each Unit will consist of one common share (a "Common Share") in the capital of the Company and one Common Share purchase warrant (each, a "Warrant"). Each Warrant will entitle the holder to purchase one Common Share at an exercise price of \$0.70 for 36 months from the date of issuance. If the volume weighted average trading price of the Common Shares on the Canadian Securities Exchange (or such other stock exchange on which the Common Shares are then listed or quoted) is greater than \$1.40 for a period of 10 consecutive trading days, the Company may, within 10 business days of the occurrence of such event, accelerate the expiry date of the Warrants by giving written notice (the "Warrant Acceleration Notice") to the holders of the Warrants and issuing a concurrent press release, and, in such case, the expiry date of the Warrants shall be the date specified by the Company in such Warrant Acceleration Notice, provided such date shall not be less than 30 trading days following delivery of such Warrant Acceleration Notice. The Company intends to apply to list the Warrants on the Canadian Securities Exchange.

The Underwriter will have an option to offer for sale up to an additional 15% of the Units sold pursuant to the Offering on the same terms of the Offering for market stabilization purposes and to cover over-allotments, exercisable, in whole or in part, within 30 days of the date of closing of the Offering (the "Over-Allotment Option"), for additional gross proceeds of up to approximately \$450,000.

As consideration for their services in connection with the Offering, the Underwriter will receive consideration comprised of (i) a cash fee equal to 7% of the gross proceeds of the Offering, including gross proceeds, if any, received from the exercise of the Over-Allotment Option, and (ii) non-transferable warrants (the "Underwriter's Warrants") to purchase up to 7% of the number of Units sold in the Offering, including any additional Units issued upon the Underwriter's exercise of the Over-Allotment Option. Each Underwriter's Warrant will entitle the holder thereof to purchase one Unit at an exercise price equal to the Offering Price for 36 months from the date of closing of the Offering.

The Company has today filed an amended and restated preliminary short form prospectus with the securities regulatory authorities in each of the provinces of British Columbia, Alberta and Ontario, amending and restating the preliminary short form prospectus filed on March 10, 2022 (as amended, the "Prospectus"), setting out the terms of the Offering. The Prospectus is available on SEDAR at www.sedar.com. Alternatively, a written prospectus relating to the Offering may be obtained upon request by contacting the Company or Canaccord Genuity Corp., attention: ECM, 161 Bay Street, Suite 3000, Toronto, ON, M5J 2S1, email: ecm@cgf.com.

Closing of the Offering is subject to a number of conditions, including without limitation, receipt of all regulatory approvals. The proceeds raised from the sale of Units under the Offering are expected to be used by the Company for increasing production capacity, new product development, the launch of additional products in the foodservice industry and retail stores, marketing and general working capital.

The Units, Common Shares, Warrants and Common Shares underlying the Warrants being offered have not been and will not be registered under the U.S. Securities Act of 1933, as amended (the "U.S. Securities Act") and may not be offered or sold in the United States or to, or for the account or benefit of,

"U.S. persons" (as defined in Regulation S under the U.S. Securities Act) absent registration or an applicable exemption from the registration requirements of the U.S. Securities Act and applicable state securities laws. The Units may be offered and sold in the United States to accredited investors (each, a "U.S. Accredited Investor") meeting one or more of the criteria in Rule 501(a) of Regulation D under the U.S. Securities Act or U.S. Accredited Investors that also qualify as a qualified institutional buyer as defined in Rule 144A under the U.S. Securities Act, in each case by way of a private placement pursuant to an exemption from the registration requirements under the U.S. Securities Act and applicable state securities laws. Any Units offered and sold in the United States shall be issued as "restricted securities" as defined in Rule 144(a)(3) under the U.S. Securities Act. This press release shall not constitute an offer to sell or the solicitation of an offer to buy, nor shall there be any sale of the securities in any jurisdiction in which such offer, solicitation or sale would be unlawful.
