

## **DiagnaMed Holdings Announces Listing on the Canadian Securities Exchange**

*Focusing on novel AI-based digital diagnostics and therapeutics solutions for brain health*

*Developing BRAIN AGE™, an electroencephalogram-based (EEG) artificial intelligence solution to detect an individual's brain age for clinical and home use*

TORONTO, November 8, 2022 -- DiagnaMed Holdings Corp. (“DiagnaMed” or the “Company”) (CSE: DMED), an artificial intelligence driven digital diagnostics and therapeutics company for brain health, is pleased to announce that its common shares have been approved for listing on the Canadian Securities Exchange (the “CSE”). The Company expects to commence trading on Tuesday, November 8, under the trading symbol “DMED” at market open.

“I would like to thank our team and advisors for their efforts in achieving our CSE listing, and a special thanks to our shareholders for their support and confidence in DiagnaMed’s goal to commercialize digital diagnostics and therapeutics for brain health,” said Fabio Chianelli, Founder and Chairman of the Board of DiagnaMed. Our main focus is the development of BRAIN AGE™, an electroencephalogram-based (EEG) artificial intelligence solution to detect an individual’s brain age for clinical and home use, which we expect to make commercially available in 2023. We intend to grow our team, and I look forward to updating the investment and medical communities on our developments with BRAIN AGE™ and our product developments.”
