

XR Immersive Tech Speaking at Immersive Global Summit Metaverse 2.0 Conference March 9-10

Vancouver, British Columbia--(Newsfile Corp. - March 8, 2022) - XR Immersive Tech Inc. ("**Immersive Tech**", or the "**Company**") (CSE:VRAR) (FSE:79W) (OTCQB: FNTTF) is a proud to announce their involvement as featured speaker and sponsor at **Immerse Global Summit Metaverse 2.0 Conference** hosted by the VR/AR Association (VRARA), a virtual event hosted on March 9th and 10th, 2022. The event will showcase industry leaders and experts in the virtual and augmented reality segments covering a variety of topics ranging from metaverse platforms, avatars and Meta Humans, blockchains, NFTs, and entertainment, to name a few.

As a Metaverse thought leader, XR Immersive Tech CEO Tim Bieber has been invited to speak at the event alongside other experts from companies such as HP, Lenovo, Google, Adobe, Intel, the World Health Organization, Immersal, Perfect Corp, and of course VRARA itself. This coming-together of pioneers in VR and AR will offer insight, opinion, and perspective on the potential of the technology, both in its application and its future.

Tim Bieber will be speaking about the social connectivity side of the Metaverse with a focus on bridging the gap between the physical and the digital elements of the technology. Additional sessions will explore such exciting topics as scalability in terms of the metaverse, security, customer management, design practices, healthcare, education, real estate and so much more.

The Company builds experiences on its platforms for some of the world's largest companies including: Intel, Bayer, Capital One, Scotia Bank, the US Food and Drug Administration, Allegiant Airlines and more.

FORWARD-LOOKING INFORMATION

This news release contains “forward-looking information” and “forward-looking statements” (collectively, “forward-looking information”) within the meaning of applicable securities laws. Such forward-looking statements may, without limitation, be preceded by, followed by, or include words such as “believes”, “expects”, “anticipates”, “estimates”, “intends”, “plans”, “continues”, “project”, “potential”, “possible”, “contemplate”, “seek”, “goal”, or similar expressions, or may employ such future or conditional verbs as “may”, “might”, “will”, “could”, “should” or “would”, or may otherwise be indicated as forward-looking statements by grammatical construction, phrasing or context. All statements other than statements of historical facts contained in this news release are forward-looking statements. Forward-looking information in this news release includes, without limitation, statements regarding the future plans and objectives of the Company its business, execution of business strategy, future performance and future growth, development initiatives, business prospects, synergies and opportunities of Immersive Tech and their related subsidiaries, the Company’s expansion initiatives and pursuit of M&A activity, and other factors beyond the Company’s control.

Forward-looking information is subject to known and unknown risks, uncertainties and other factors that may cause the Company's actual results, level of activity, performance or achievements to be materially different from those expressed or implied by such forward-looking information. Forward-looking information is based on the reasonable assumptions, estimates, analysis and opinions of management made in light of its experience and perception of trends, current conditions and expected developments, and other factors that management believes are relevant and reasonable in the circumstances at the date such statements are made, including, but not limited to, the Company being able to execute with the Company’s operations and development initiatives, and such other assumptions presented in the Company’s disclosure record. Although the Company has attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking information, there may be other factors that cause results not to be as anticipated. There can be no assurance that such information will prove to be accurate, as actual results and future events could differ materially from those anticipated in such information. Accordingly, readers should not place undue reliance on forward-looking information. All forward-looking information herein is qualified in its entirety by

this cautionary statement, and Immersive Tech's disclaims any obligation to revise or update any such forward-looking information or to publicly announce the result of any revisions to any of the forward-looking information contained herein to reflect future results, events or developments, except as required by law.

Neither the CSE nor its Regulation Services Provider (as that term is defined in the policies of the CSE) accepts responsibility for the adequacy or accuracy of this release.
