Dear Sirs/Mesdames,

Re: SEDAR Project Number 03372305

On April 26, 2022, we incorrectly filed a Form 45-106F1 and Schedule 1 for our client, Gander Gold Corporation, in the jurisdiction of Newfoundland and Labrador under SEDAR project number 03372305.

Further to this incorrect filing, we are requesting a refund from the Newfoundland and Labrador Securities Commission in the amount of \$25.00.

We have filed an amended Form 45-106F1 and schedule 1 online with the British Columbia Securities Commission under today's date.

We are now filing the cover letter, the amended Form 45-106F1 and amended schedule 1 under original project number 03372305 in the jurisdictions of Newfoundland and Labrador and in the Yukon with the applicable filing fee.

Sincerely,

TAKE IT PUBLIC SERVICES INC.
