The following documents filed by the Company on SEDAR at [www.sedar.com](http://www.sedar.com) are specifically incorporated by reference into, and form an integral part of, this Circular: the audited consolidated financial statements of the Company and the related notes thereto, for the financial year ended October 31, 2022 and the report of the Company's auditor thereon; and management's discussion and analysis related to the above financial statements.

This Circular does not constitute the solicitation of an offer to purchase any securities or the solicitation of a proxy by any person in any jurisdiction in which such solicitation is not authorized or in which the person making such solicitation is not qualified to do so or to any person to whom it is unlawful to make such solicitation.

Information contained in this Circular should not be construed as legal, tax or financial advice and Shareholders are urged to consult their own professional advisers in connection therewith.

## PROXIES AND VOTING RIGHTS

### Management Solicitation

The solicitation of proxies by management of the Company will be conducted by mail and may be supplemented by telephone or other personal contact to be made without special compensation by the directors, officers and employees of the Company. The Company does not reimburse Shareholders, nominees or agents for costs incurred in obtaining from their principals authorization to execute forms of proxy, except that the Company has requested brokers and nominees who hold stock in their respective names to furnish the proxy-related materials to their customers, and the Company will reimburse such brokers and nominees for their related out of pocket expenses. No solicitation will be made by specifically engaged employees or soliciting agents. The cost of solicitation will be borne by the Company. No person has been authorized to give any information or to make any representation other than as contained in this Circular in connection with the solicitation of proxies. If given or made, such information or representations must not be relied upon as having been authorized by the Company. The delivery of this Circular shall not create, under any circumstances, any implication that there has been no change in the information set forth herein since the date of this Circular. This Circular does not constitute the solicitation of a proxy by anyone in any jurisdiction in which such solicitation is not authorized, or in which the person making such solicitation is not qualified to do so, or to anyone to whom it is unlawful to make such an offer of solicitation.

The Company has arranged for intermediaries to forward the Meeting materials to beneficial owners of Common Shares (the “**Beneficial Shareholders**”) held of record by those intermediaries. The Company has distributed or made available for distribution, copies of the Notice, this Circular and form of proxy to clearing agencies, securities dealers, banks and trust companies or their nominees (collectively, the “**Intermediaries**”) for distribution to Beneficial Shareholders held of record by those Intermediaries. Such Intermediaries are required to forward such documents to the Beneficial Shareholders unless a Beneficial Shareholder has waived the right to receive them. The solicitation of proxies from Beneficial Shareholders will be carried out by the Intermediaries or by the Company if the names and addresses of the Beneficial Shareholders are provided by Intermediaries. The Company will pay the permitted fees and costs of the Intermediaries for reasonable fees and disbursements incurred in connection with the distribution of these materials.

The Company does not intend to pay for Intermediaries to forward to objecting Beneficial Shareholders under NI 54-101 the proxy-related materials and Form 54-101F7 *Request for Voting Instructions Made by Intermediary*. An objecting Beneficial Shareholder will not receive such materials unless the objecting Beneficial Shareholder’s Intermediary assumes the cost of delivery.

These proxy-related materials are being sent to both registered and non-registered Shareholders. If you are a non-registered Shareholder, and the Company or its agent has sent these materials directly to you, your name and address and information about your Common Shares, have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding on your behalf.

### Appointment of Proxy

Registered Shareholders are entitled to vote at the Meeting. On a show of hands, every Shareholder is entitled to one vote for each Common Share of the Company that such Shareholder holds on the record date (the “**Record Date**”) of April 11, 2023 on the resolutions to be voted upon at the Meeting, and any other matter to come before the Meeting.

The persons named as proxyholders (the “**Designated Persons**”) in the enclosed form of proxy are directors and/or officers of the Company.

**A SHAREHOLDER HAS THE RIGHT TO APPOINT A PERSON OR COMPANY (WHO NEED NOT BE A SHAREHOLDER) TO ATTEND AND ACT FOR OR ON BEHALF OF THAT SHAREHOLDER AT THE MEETING, OTHER THAN THE DESIGNATED PERSONS NAMED IN THE ENCLOSED FORM OF PROXY.**

**TO EXERCISE THE RIGHT, THE SHAREHOLDER MAY DO SO BY STRIKING OUT THE PRINTED NAMES AND INSERTING THE NAME OF SUCH OTHER PERSON AND, IF DESIRED, AN ALTERNATE TO SUCH PERSON, IN THE BLANK SPACE PROVIDED IN THE FORM OF PROXY. SUCH SHAREHOLDER SHOULD NOTIFY THE NOMINEE OF THE APPOINTMENT, OBTAIN THE NOMINEE'S CONSENT TO ACT AS PROXY AND SHOULD PROVIDE INSTRUCTION TO THE NOMINEE ON HOW THE SHAREHOLDER'S SHARES SHOULD BE VOTED. THE NOMINEE SHOULD BRING PERSONAL IDENTIFICATION TO THE MEETING.**

In order to be voted, the completed form of proxy must be received by the Company's registrar and transfer agent, Endeavor Trust Corporation (the "**Transfer Agent**") at their offices located at 702 – 777 Hornby Street, Vancouver, British Columbia, V6Z 1S4, by mail, or by fax at 604-559-8908, or by email at [proxy@endeavortrust.com](mailto:proxy@endeavortrust.com), no later than 10:00 am PST on Tuesday, May 12, 2022, or at least 48 hours (excluding Saturdays, Sundays and holidays recognized in the Province of British Columbia) before the time and date of any adjournment or postponement of the Meeting.

A proxy may not be valid unless it is dated and signed by the Shareholder who is giving it or by that Shareholder's attorney-in-fact duly authorized by that Shareholder in writing or, in the case of a Company, dated and executed by a duly authorized officer or attorney-in-fact for the Company. If a form of proxy is executed by an attorney-in-fact for an individual Shareholder or joint Shareholders or by an officer or attorney-in-fact for a corporate Shareholder, the instrument so empowering the officer or attorney-in-fact, as the case may be, or a notarially certified copy thereof, must accompany the form of proxy.

#### **Revocation of Proxy**

A Shareholder who has given a proxy may revoke it at any time before it is exercised by an instrument in writing: (a) executed by that Shareholder or by that Shareholder's attorney-in-fact authorized in writing or, where the Shareholder is a Company, by a duly authorized officer of, or attorney-in-fact for, the Company; and (b) delivered either: (i) to LIVE at the address set forth above, at any time up to and including the last Business Day preceding the day of the Meeting or, if adjourned or postponed, any reconvening thereof, or (ii) to the Chairman of the Meeting prior to the vote on matters covered by the proxy on the day of the Meeting or, if adjourned or postponed, any reconvening thereof, or (iii) in any other manner provided by law.

Also, a proxy will automatically be revoked by either: (a) attendance at the Meeting and participation in a poll (ballot) by a Shareholder, or (b) submission of a subsequent proxy in accordance with the foregoing procedures. A revocation of a proxy does not affect any matter on which a vote has been taken prior to any such revocation.

#### **Voting of Common Shares and Proxies and Exercise of Discretion by Designated Persons**

A Shareholder may indicate the manner in which the Designated Persons are to vote with respect to a matter to be voted upon at the Meeting by marking the appropriate space. If the instructions as to voting indicated in the proxy are certain, the Common Shares represented by the proxy will be voted or withheld from voting in accordance with the instructions given in the proxy. If the Shareholder specifies a choice in the proxy with respect to a matter to be acted upon, then the Common Shares represented will be voted or withheld from the vote on that matter accordingly. **The Common Shares represented by a proxy will be voted or withheld from voting in accordance with the instructions of the Shareholder on any ballot that may be called for and if the Shareholder specifies a choice with respect to any matter to be acted upon, the Common Shares will be voted accordingly.**

**IF NO CHOICE IS SPECIFIED IN THE PROXY WITH RESPECT TO A MATTER TO BE ACTED UPON, THE PROXY CONFERS DISCRETIONARY AUTHORITY WITH RESPECT TO THAT MATTER UPON THE DESIGNATED PERSONS NAMED IN THE FORM OF PROXY. IT IS INTENDED THAT THE DESIGNATED PERSONS WILL VOTE THE COMMON SHARES REPRESENTED BY THE PROXY IN FAVOUR OF EACH MATTER IDENTIFIED IN THE PROXY AND FOR THE NOMINEES OF THE BOARD FOR DIRECTORS AND AUDITOR.**

The enclosed form of proxy confers discretionary authority upon the Designated Persons with respect to other matters which may properly come before the Meeting, including any amendments or variations to any matters identified in the Notice, and with respect to other matters which may properly come before the Meeting. At the date of this Circular, management of the Company is not aware of any such amendments, variations, or other matters to come before the Meeting.

In the case of abstentions from, or withholding of, the voting of the Common Shares on any matter, the Common Shares that are the subject of the abstention or withholding will be counted for determination of a quorum, but will not be counted as affirmative or negative on the matter to be voted upon.

### **ADVICE TO BENEFICIAL SHAREHOLDERS**

**The information set out in this section is of significant importance to those Shareholders who do not hold Common Shares in their own name. Beneficial Shareholders who do not hold their Common Shares in their own name should note that only proxies deposited by Shareholders whose names appear on the records of the Company as the registered holders of Common Shares can be recognized and acted upon at the Meeting.** If Common Shares are listed in an account statement provided to a Shareholder by a broker, then in almost all cases those Common Shares will not be registered in the Shareholder's name on the records of the Company. Such Common Shares will more likely be registered under the names of the Shareholder's broker or an agent of that broker. In the United States, the vast majority of such Common Shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms). **Beneficial Shareholders should ensure that instructions respecting the voting of their Common Shares are communicated to the appropriate person well in advance of the Meeting.**

The Company does not have access to names of Beneficial Shareholders. Applicable regulatory policy requires intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of Shareholders' meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Common Shares are voted at the Meeting. The form of proxy supplied to a Beneficial Shareholder by its broker (or the agent of the broker) is similar to the Form of Proxy provided to Registered Shareholders by Gold Tree. However, its purpose is limited to instructing the Registered Shareholder (the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**") in the United States and in Canada. Broadridge typically prepares a special voting instruction form, mails this form to the Beneficial Shareholders and asks for appropriate instructions regarding the voting of Common Shares to be voted at the Meeting. Beneficial Shareholders are requested to complete and return the voting instructions to Broadridge by mail or facsimile. Alternatively, Beneficial Shareholders can call a toll-free number and access Broadridge's dedicated voting website (each as noted on the voting instruction form) to deliver their voting instructions and to vote Common Shares held by them. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at the Meeting. **A Beneficial Shareholder receiving a Broadridge voting instruction form cannot use that form as a proxy to vote Common Shares directly at the Meeting – the voting instruction form must be returned to Broadridge well in advance of the Meeting in order to have its Common Shares voted at the Meeting.**

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of his broker (or agent of the broker), a Beneficial Shareholder may attend at the Meeting as proxyholder for a Registered Shareholder and vote Common Shares in that capacity. Beneficial Shareholders who wish to attend at the Meeting and indirectly vote their Common Shares as proxyholder for the Registered Shareholder should enter their own names in the blank space on the instrument of proxy provided to them and return the proxy well in advance of the Meeting to their broker (or the broker's agent) in accordance with the instructions provided by such broker (or agent).

Alternatively, a Beneficial Shareholder may request in writing that his, her or its broker send to the Beneficial Shareholder a legal proxy which would enable the Beneficial Shareholder to attend the Meeting and vote his, her or its Common Shares.

### VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The Company is authorized to issue an unlimited number of Common Shares without par value. As of the Record Date, a total of 17,020,501 Common Shares were issued and outstanding. Each Common Share carries the right to one vote at the Meeting.

No vote will be taken on the audited financial statements. These audited financial statements will be tabled at the Meeting and are also available at [www.sedar.com](http://www.sedar.com).

At the Meeting, Shareholders will be asked to pass a resolution to set the number of directors of the Company for the ensuing year at four (4). The number of directors will be approved if the affirmative vote of the majority of Common Shares present or represented by proxy at the Meeting and entitled to vote, are voted in favour to set the number of directors at four (4). **Management recommends the approval of the resolution to set the number of directors of LIVE at four (4).**

## ELECTION OF DIRECTORS

At present, the directors of the Company are elected at each annual meeting and hold office until the next annual meeting or until their successors are duly elected or appointed in accordance with the Company's articles or until such director's resignation or removal. ### Stock options and other compensation securities

For the period from incorporation on June 21, 2019 to October 31, 2022, the Company did not provide any compensation securities to any of its executive officers.

### Stock Option Plan and Other Incentive Plans

On June 17, 2021, the Board approved a 10% rolling stock option plan (the "**Option Plan**") to grant incentive stock options ("**Options**") to directors, officers, key employees and consultants of the Company. Pursuant to the Plan, the Company may reserve up to a maximum of 10% of the issued and outstanding Common Shares at the time of grant pursuant to awards granted under the Option Plan.

#### Purpose

The purpose of the Option Plan is to advance the interests of the Company by encouraging the directors, officers, employees and consultants of the Company, and of its subsidiaries and affiliates, if any, to acquire Common Shares, thereby increasing their proprietary interest in the Company, encouraging them to remain associated with the Company and furnishing them with additional incentive in their efforts on behalf of the Company in the conduct of its affairs. The Option Plan is administered by the Board, or by a special committee of directors of the Company appointed from time to time by the Board, pursuant to rules of procedure fixed by the Board. All stock options granted pursuant to the Option Plan are subject to the rules and policies of the Canadian Securities Exchange (the "**Exchange**").

#### Eligibility

Directors, officers, consultants, and employees of the Company or its subsidiaries, and employees of a person or company which provides management services to the Company or its subsidiaries shall be eligible for selection to participate in the Option Plan.

#### Availability

The Option Plan provides that the aggregate number of Common Shares that may be issued upon the exercise of Options cannot exceed 10% of the number of Common Shares issued and outstanding from time to time. As a result, any increase in the issued and outstanding Common Shares will result in an increase in the number of Common Shares available for issuance under the Option Plan.

The number of Common Shares reserved for issue to any one person pursuant to the Option Plan may not exceed 5% of the issued and outstanding Common Shares at the date of such grant, unless the Company has obtained approval by a majority of the votes cast by the shareholders eligible to vote at a shareholders' meeting, excluding votes attaching to Common Shares beneficially owned by insiders and their associates. The number of Common Shares issuable to (a) any one consultant, or (b) parties providing investor relations services, in any 12-month period, cannot exceed 2% of the issued and outstanding Common Shares. The number of Common Shares subject to an Option granted to any one participant shall be determined by the Board, but no one participant shall be granted an option which exceeds the maximum

number permitted by the Exchange. In no circumstances shall the maximum term of any Options granted under the Option Plan exceed ten (10) years.

#### Exercise Pricing

The exercise price of the Common Shares subject to each Option shall be determined by the Board, subject to applicable Exchange approval, if required, at the time any Option is granted. In no event shall such exercise price be lower than the exercise price permitted by the Exchange. Once the exercise price has been determined by the Board, accepted by the Exchange, if necessary, and the Option has been granted, the exercise price of an Option may be reduced upon receipt of Board approval, subject to any requirements of the Exchange.

#### Vesting

Subject to the requirements of the Exchange, the vesting provisions, the terms and conditions of exercise and forfeiture of the Options and the applicable option exercise expiry date for Options granted under the Option Plan will be determined by the Board at the time of issuance.

Management believes the Option Plan will provide the Company with a sufficient number of Common Shares issuable under the Option Plan to fulfill the purpose of the Option Plan, namely, to secure for the Company and its shareholders the benefits of incentive inherent in share ownership by the directors, officers, key employees and consultants of the Company who, in the judgment of the Board, will be largely responsible for its future growth and success.

#### **Employment, Consulting and Management Agreements**

The Company entered into a management agreement (the “**Management Contract**”) with Partum Advisory Services Corp. (“**Partum**”) on June 1, 2021, and further amended on April 1, 2022 to provide certain corporate, accounting and administrative services to the Company in accordance with the terms of the Management Contract for a monthly fee of \$3,750 plus applicable taxes and reimbursement of all out-of-pocket expenses, including a 7% technology and administration charge incurred on behalf of the Company. The Management Contract is for an initial term of 12 months, to be automatically renewed for further 12-month periods, unless either party gives 90 days’ notice of non-renewal, in which case the Management Contract will terminate. The Management Contract can be terminated by either party on 90 days’ written notice. It can also be terminated by the Company for cause without prior notice or upon the mutual consent in writing of both parties. If there is a take-over or change of control of the Company resulting in the termination of the Management Agreement, Partum is entitled to receive an amount equal to six months of fees payable as a lump sum payment due on the day after the termination date. Ms. Dionne is a minority shareholder of Partum. On March 1, 2023, the Management Contract with Partum was terminated and subsequently replaced with a management agreement with De Novo Accounting Corp. d/b/a De Novo Group. (“**De Novo**”). The agreement with De Novo has substantially the same terms as the Management Agreement. Ms. Dionne, the Corporate Secretary of the Company is a minority shareholder of Partum and De Novo.

Director Adrian Smith (CEO), is not considered an independent director due to his executive officer role with the Company. The Board believes that good corporate governance improves corporate performance and benefits all shareholders. Regulatory authorities have implemented NI 58-101, which prescribes certain disclosure of the Company’s corporate governance practices.

There is no specific written mandate of the Board, other than the corporate standard of care set out in the governing corporate legislation of the Company. The Board has overall responsibility for the management, or supervision of the management, of the business and affairs of the Company. The Board’s primary tasks are to establish the policies, courses of action and goals of the Company and to monitor management’s strategies and performance for realizing them.

All major acquisitions, dispositions, and investments, as well as financing and significant matters outside the ordinary course of the Company’s business are subject to approval by the full Board. The Board does not currently have in place programs for succession planning and training of directors and management. As the growth of the Company continues, the Board will consider implementing such programs. In order to carry out the foregoing responsibilities the Board meets on a quarterly basis and as required by circumstances.

The directors of the Company that are currently serving on boards of the following other reporting companies (or equivalent) is as set out below:

### **Orientation and Continuing Education**

The skills and knowledge of the Board as a whole are such that no formal continuing education process is currently deemed required. The Board is comprised of individuals with varying backgrounds, who have, both collectively and individually, extensive experience in running and managing public companies. Board members are encouraged to communicate with management, auditors, and technical consultants to keep themselves current with industry trends and developments and changes in legislation, with management's assistance. Board members have full access to the Company's records.

The Company provides continuing education to its directors as such need arises and encourages open discussion at all meetings in order to encourage learning by the directors.

### **Ethical Business Conduct**

The Board views good corporate governance as an integral component to the success of the Company and to meet responsibilities to shareholders. The Board encourages and promotes an overall culture of ethical business conduct by promoting compliance with applicable laws, rules and regulations, providing guidance to management to help them recognize and deal with ethical issues, promoting a culture of open communication, honesty and accountability and ensuring awareness of disciplinary action for violations of ethical business conduct. The Board has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates in the best interests of the Company. The Board has not adopted a formal written code of ethics. As the growth of the Company continues, the Board will consider implementing such policies.

### **Nomination of Directors**

The Board considers its size each year when it considers the number of directors to recommend to the shareholders for election at the annual meeting of shareholders, taking into account the number required to carry out the Board's duties effectively and to maintain a diversity of view and experience.

The Board does not have a nominating committee, and these functions are currently performed by the Board as a whole.

### **Compensation**

The Board is responsible for, among other things, reviewing and shaping all compensation arrangements for the executive officers and directors of the Company.

To determine the recommended compensation payable, the Board will review compensation paid for directors and executive officers of companies of similar size and stage of development and determine an appropriate compensation reflecting the need to provide incentive and compensation for the time and effort expended by the directors and executive officers while taking into account the financial and other resources of the Company.

In setting the compensation, the Board will annually review the performance of the executive officers in light of the Company's objectives and consider other factors that may have impacted the success of the Company in achieving its objectives. For further information regarding how the Company determines compensation for its directors and executive officers, see "*Statement of Executive Compensation*".

### **Other Board Committees**

As the directors are actively involved in the operations of the Company and the size of the Company's operations does not warrant a larger board of directors, the Board has determined that additional committees are not necessary at this stage of the Company's development. As the growth of the Company continues, the Board will review its corporate governance practices and implement more comprehensive corporate governance practices when appropriate. Apart from the Audit Committee, the Company does not currently have any other standing committees.

### **Assessments**

The Board does not consider that formal assessments would be useful at this stage of the Company's development. The contributions of individual directors are informally monitored by the other Board members, having in mind the business and other strengths of the individual and the purpose of originally nominating the individual to the Board.
