The products contain organic hemp seeds oil and high protein levels of pure hemp protein and are sugar-free.

Yoav Bar Joseph Cannibible's CEO commented, "This achievement is a significant growth factor for our "The Pelicann" brand. Our products will be displayed on Walmart's online marketplace, available for viewing by millions of visitors each month.

The Pelicann product sales will be processed via Walmart's secure checkout, including shipping and returns or exchanges.

Walmart Marketplace will allow us to piggyback on Walmart's reputation and massive online audience to sell our products. If that sounds good, stay tuned as there is more to come."

About Cannibble

Cannibble is an innovative Israeli food tech company that develops and manufactures food mix products that are enhanced variously with hemp seeds, hemp protein, non-active and active cannabinoids, where legal to do so. Cannibble develops proprietary formulas for powder-based edibles that are subsequently enhanced with active cannabinoids, marketed under our brand name, The Pelicann™. Cannibble has produced over 100 product SKUs, of which 32 have been manufactured.
