

MyndTec Announces Investor Relations Agreement with Venture North Capital

Mississauga, Ontario, May 3, 2022 – MyndTec Inc. (“**MyndTec**” or the “**Company**”) (CSE: MYTC), an emerging leader in neurological rehabilitation, is pleased to announce that it has entered into a consulting agreement (the “**Consulting Agreement**”) with Venture North Capital Inc. (“**Venture North**”) to provide strategic marketing, investor relations and capital markets communications services to the Company in compliance with the policies and guidelines of the Canadian Securities Exchange (the “**CSE**”). Venture North will arrange and attend meetings with professional investors, maintain ongoing contact and broaden relationships with the professional investment community on MyndTec’s behalf.

The Consulting Agreement is effective May 3, 2022 for an initial 3-month period ending July 31, 2022, after which it will continue in effect on a monthly basis until terminated upon 30 days written notice given by either the Company or Venture North. Pursuant to the Consulting Agreement, the Company will pay Venture North \$6,000 plus applicable taxes per month and grant Venture North 200,000 stock options (the “**Options**”) of the Company. Each Option is exercisable into one common share (each, a “**Share**”) of the Company at an exercise price of \$0.95 per Share and the Options will vest at a rate of 25% per quarter. All vested Options shall be eligible for exercise for a period expiring on the 10th anniversary of the grant date provided that all unvested Options will terminate and expire on the date that the Consulting Agreement is terminated.

About MyndTec

MyndTec is a Canadian medical technology company dedicated to the development and commercialization of innovative products that improve function, maximize independence and enhance the quality of life for individuals who have suffered injury to the central nervous system as a result of stroke, spinal cord injury and certain traumatic brain injuries. The Company develops non-invasive neurological and nervous system electrical stimulation therapeutics for the treatment of neurological diseases and injury specifically targeted to markets with large, growing and global patient populations. The Company’s flagship product MyndMove™ is a non-invasive functional electrical stimulation-based intervention. MyndMove™ uses neuroplasticity mechanisms to stimulate development of new neural efferent and afferent pathways allowing patients to re-establish voluntary movement and improve independence in their activities of daily living. The MyndMove™ system offers trained therapists the ability to assist individuals affected with paralysis to improve voluntary control of their limbs. The MyndMove™ therapy system offers a broad spectrum of sophisticated functional electrical stimulation software protocols which therapists customize to patient needs to enable meaningful controlled movements via proprietary stimulation technology.

Cautionary Note Regarding Forward-Looking Statements

This news release contains forward-looking statements that constitute “forward-looking information” within the meaning of applicable Canadian securities laws (collectively, “**forward-looking statements**”). All statements in this news release that are not historical facts are forward-looking statements, including, but not limited to, all statements regarding: events, performance or results of operations that the Company believes, expects or anticipates will or may occur in the future; the duration of the Consulting Agreement, the services provided under the Consulting Agreement; and the consideration paid pursuant to the Consulting Agreement. Forward-looking statements are typically, but not always, identified by words such as: “believes”, “expects”, “aim”, “anticipates”, “intends”, “estimates”, “plans”, “may”, “should”, “could”, “continue”, “would”, “will”, “potential”, “scheduled”, “goal”, “target”, or variations of such words and phrases and similar expressions, which, by their nature, refer to future events or results that may, could, would, might or will occur or be taken or achieved.

Forward-looking statements are necessarily based on a number of estimates and assumptions that include, but are not limited to: expected future development; general economic conditions; the ability of the Company to execute on its business objectives; and other estimates and assumptions described in the Company’s Listing Statement dated February 18, 2022 (the “**Listing Statement**”), a copy of which is available under the Company’s profile on SEDAR at www.sedar.com. Forward-looking statements are inherently subject to a number of significant risks and uncertainties that could cause the actual results or events to differ materially from those described in the forward-looking statements. Important risks and uncertainties that could cause actual results or events to differ materially from expectations include, but are not limited to: the Company's ability to continue as a going concern, the Company's research, development and commercialization of its products could be stopped or delayed if any third party fails to provide sufficient quantities of products or components, or fails to do so at acceptable quality levels or prices, or fails to maintain or achieve satisfactory regulatory compliance; the Company expects to incur significant ongoing costs and obligations relating to its investment in infrastructure, growth, research and development, regulatory compliance and operations; and other risks and uncertainties described in the Listing Statement. The Company has attempted to identify important factors that could cause actual results, performance or achievements to vary from those expectations expressed or implied by the forward-looking statements, however, there may be other factors that cause results, performance or achievements not to be as expected and that could cause actual results, performance or achievements to differ materially from current expectations. These forward-looking statements are only current as of the date of this news release. Although the Company believes that the expectations reflected in such forward-looking statements are reasonable, such statements involve risks and uncertainties and the Company provides no assurance that they will prove to be correct. Readers should not place undue reliance on such forward-looking statements. The Company does not undertake any obligation to update

forward-looking statements contained herein, other than as required by applicable law. All forward-looking statements are qualified in their entirety by this cautionary statement.

The CSE has in no way passed upon the merits of the business of the Company and has neither approved nor disapproved the contents of this news release and accepts no responsibility for the adequacy or accuracy hereof.
