

## APPENDIX A Certificate of Author

I, Clinton François Davis, PGeo, residing in Ottawa, Ontario, do hereby certify that:

- I am the author of this report entitled “NI 43-101 Technical Report Carlin-Roop Silver Project, Mayo Lake District, Yukon Territory, Canada” on the Carlin-Roop Property located in east of Keno Hill, Yukon Territory, with an effective date of 20 Sep 2021.
- I am a registered professional geologist with the Professional Geoscientists of Ontario, (no 1072) and the Northwest Territories and Nunavut Association of Professional Engineers and Geoscientists (no L2813).
- I am a 1997 graduate of Carleton University, Ottawa, Ontario with a B.Sc. (Honours) in Geology. I have taken graduate mineral economics courses at the Colorado School of Mines. I have a Diploma in Urban and Land Economics from the University of British Columbia, 2017.
- I have been practicing my profession as a geologist since 1996, excluding educational periods, with exploration fieldwork in Canada, Mongolia, South America and short stints in Africa, from grassroots to advanced exploration and property evaluations. Work included sediment surveys of various methods and drilling programs. I have worked in the Yukon for both gold and silver projects, as well as base metals.
- I am a “qualified person”.
- I visited Carlin-Roop Property on 22 Jul 2021.
- I am responsible for this report. I have based this report on previous exploration experience, review of reports listed in the references and sources of data section.
- I am independent of the issuer, Mayo Lake Minerals Inc. I own 20,000 common shares of Mayo Lake Minerals Inc, acquired for C\$2,000 acquired in Apr 2018.
- I have had no prior involvement with the Carlin-Roop Property.
- I have read National Instrument 43-101, Form 43-101F1 and believe my report is in compliance with National Instrument 43-101.
- At the effective date of the technical report, 20 Sep 2021, to the best of my knowledge, information, and belief, this technical report contains all scientific and technical information that is required to be disclosed to make the technical report not misleading.
- I consent to the filing of the Technical Report by Mayo Lake Minerals Inc with any stock exchange and other regulatory authority and any publication of the Technical Report by them for regulatory purposes, including electronic publication in the public company files on their websites accessible by the public.

Dated this 17<sup>th</sup> day of Nov 2021.
