

PR TECHNOLOGY INC.
ANNOUNCES LISTING ON THE CANADIAN SECURITIES EXCHANGE

Vancouver, British Columbia, November 26, 2021 – PR Technology Inc. (CSE: PRTI) (the “**Company**”) is pleased to announce that the common shares of the Company began trading on the Canadian Securities Exchange at the open of trading today, November 26, 2021, under the trading symbol “PRTI”.

About PR Technology Inc.

The Company is a technology company with a portfolio of intellectual properties in the wireless power transmission (“**WPT**”) technology industry. The Company has developed a low frequency resonant WPT technology and offers WPT products. The Company, through its wholly-owned subsidiary, PRT Korea Co., Ltd., is primarily focused on the development of its WPT systems for factory automation and rail guided vehicles on the factory floor. The Company is also engaged in developing wireless chargers for mobile devices, wireless charging stations for drones, wireless charging products for home appliances, and wireless LED lights for toys and fish tanks.
