

# Talent Infinity Resource Developments Inc: New Advisory Board Committee Formed

Vancouver, British Columbia--(Newsfile Corp. - June 3, 2022) - **Talent Infinity Resource Developments Inc. (CSE: TICO), the "Company" or "Issuer"**). The Company is also pleased to announce that it has formed an Advisory Committee of uniquely qualified individuals to provide specialized consulting to the the board to facilitate the company's growth and development. Initially, it will consist of the following five members: Grand Master Yin Liang (Chairman), Mr. Chris Hung, Mr. Richard Haslinger, P. Eng., Kristian Whitehead, P.Geo., Mr. Jordan Romano, MIRHR., J.D., and Mr. Ron Ozols.

Grand Master Yin Liang (Chairman) has over 40 years of experience in education specializing in Buddhist philosophy. He has been sought out as an advisor in special situations for his unique and holistic approach to solving difficult problems for many people. His sensitivity, attention, understanding and caring for all sentient beings has allowed him to provide guidance to many in finding a solution that uniquely works for that individual in dealing with emotional, financial, investment, career, and spirituality issues. He is an advocate for promoting social welfare policies dedicated to elderly care and mental health. Grand Master Yin Liang is a respected philanthropist who has devoted his life to service and charity.

Mr. Chris Hung is a capital markets and corporate finance professional with more than two decades of investment banking experience. He has served as an officer of an investment bank and has extensive experience in handling a wide variety of international mergers and acquisitions transactions.

Mr. Richard Haslinger is a professional geological engineer with over 35 years of experience in the exploration industry. Richard has managed multi-disciplinary exploration and deposit delineation projects at sites located in Canada, the USA, and South Africa. He provided exploration guidance and drill program management of approximately \$80 million and over 250 km of drilling as Vice President of Exploration for Keegan Resources (now Galiano Gold Inc.) on the discovery and delineation of the now producing Esaase gold deposit in Ghana, West Africa.

Mr. Kristian Whitehead is currently the Vice President of Exploration for 1111 Exploration Corporation and serving as QP and consulting geologist for NEW Target Mining Corporation both junior exploration companies with a focus on BC copper gold porphyry exploration targets.

Kristian was formerly the VP of Exploration for Eureka Resources Corporation, former Senior Project Managing Geologist for Hunter Dickinson Inc. & Taseko Mines and Consulting Project Geologist for Kootenay Silver Inc.'s flagship Promotorio mine located in Sonora, Mexico. Kristian has over 19 years of professional geological experience where he has managed and implemented numerous globally based strategic exploration and production projects with multi-million dollar operational budgets. In addition, Mr. Whitehead is the President, Founder & Sole owner of Infiniti Drilling Corporation which has and continues to provide the geological industry with local and remote global diamond drilling, exploration, mining and project management support since 2005.

Mr. Jordan Romano is a securities lawyer with his practice focusing primarily on the resource industry and emerging markets. Mr. Romano works with clients in the Canadian junior equity markets assisting with pre-seed financing rounds through to IPOs and M&A exits. Prior to receiving his J.D. from the University of Western Ontario, Mr. Romano completed his masters and undergraduate degrees at the University of Toronto. Mr. Romano has also worked extensively as a legal advisor for the start-up incubator programs at the University of Toronto and Sheridan College.

Mr. Ronald Ozols has been involved in the media industry for over 35 years, first with Southam Inc. from 1979 to 1996, Hollinger Corporation from 1996 to 2003, and Carwest News Services from 2003 to 2010. and eventually with the Postmedia Group. In addition Mr. Ozols has been involved in financing and serving on the boards of both private and public reporting companies.
