

**NEWS RELEASE**

**CARSON RIVER COMPLETES 2022 EXPLORATION PROGRAM AND  
ACQUISITION OF ARGENTINA MINERAL CONCESSIONS**

**Vancouver, B.C. November 7, 2022 – Carson River Ventures Corp.** (“Carson” or the “Company”) (CSE: “CRIV”) is pleased to announce it has completed the initial 2022 exploration program on the Chucker project, located in the Silver Star mining district, within Mineral county, Nevada and the acquisition of Argentina mineral concessions.

The exploration program consisted of air-borne and ground-based geophysical surveying, reconnaissance prospecting, geological mapping, surface trenching, and relocating historical workings. The results from the above exploration program will be compiled, providing accurate modern data to assist in the planning of a potential follow up drill program. Further results will be released as they become available.

Finally, the Company acquired a 100% of Novo Lithium Argentina, SRL, an Argentine limited liability company (“Novo”) that holds six (6) mining concessions totaling approximately 16,274 hectares (the “Properties”), located in the Catamarca Province of Argentina.

The Properties include four concessions totaling 12,901 hectares in the southern region of the Antofalla Salar and two concessions totaling 3,373 hectares south of the Hombre Muerto Salar. At 130 km long, the Antofalla Salar the largest catchment basin in the region. Albemarle Corporation (NYSE: ALB), the world’s largest lithium producer, owns large claim blocks throughout the Antofalla Salar, the southernmost of which is located approximately 20 km north of Novo’s concessions. The Hombre Muerto Salar has been Argentina’s only source of lithium production for over 25 years at properties owned and operated by Livent Corporation (NYSE: LTHM) just 10 km north of Novo’s concessions.

The Company acquired 100% equity interest in Novo and the Properties under the terms of a share purchase agreement with five (5) individuals for a purchase price of \$325,000, payable by CAD \$85,000 in cash and the issuance of 4,000,000 common shares of the Company at a deemed price of \$0.06 per share. All securities issued in connection with this transaction are subject to a statutory four-month hold period plus one day, in accordance with applicable securities legislation expiring March 8, 2023.
