After hearing any evidence and representations that the parties may submit, the single arbitrator, or the arbitrators, as the case may be, shall make an award and reduce the same to writing, and deliver one (1) copy thereof to each of the parties. #### **12.3 Notice of Acquisition**

The other party may, within thirty (30) days of receipt of the Acquiring Party's notice, elect, by written notice to the Acquiring Party, to require that the mineral properties and the right or interest acquired be included in and thereafter form part of the Property for all purposes of this Agreement.

#### **12.4 Election and Reimbursement of Costs**

If an affirmative election to require that the acquisition forms part of the Property is made pursuant to Section 12.3, the Optionee shall reimburse the Acquiring Party (if the Acquiring Party is the Optionor) for the cost of acquisition. If the Acquiring Party is the Optionee, it shall not be entitled to reimbursement of its costs of acquisition; however, all costs of acquisition shall be deemed to be part of the Expenditures to

be incurred by the Optionee to earn an interest in the Property and shall be governed by the provisions of this Agreement.

### 12.5 Failure to Elect

If the other party does not make an election or makes a negative election pursuant to Section 12.3 within that period of thirty (30) days, the right or interest acquired shall not form part of the Property and the Acquiring Party shall be solely entitled thereto.

  - (d) **"Products"** shall mean Ore mined from the Property and any concentrates or other materials or products derived therefrom, but if any such Ore, concentrates or other materials or products are further treated as part of the mining operation in respect of the Property, such Ore, concentrates or other materials or products shall not be considered to be **"Products"** until after they have been so treated.
4. (a) For the purposes of calculating the amount of the Royalty payable to the Payees hereunder, if, after the Commencement of Commercial Production, the Payor sells any Product to one of its subsidiaries or Affiliates, and if the sale price of such Product is not negotiated on an arm's-length basis, the Payor shall for the purposes of calculating the Royalty only and notwithstanding the actual amount of such sale price, add to the proceeds from the sale of such Product an amount which would be sufficient to make such sale price represent a reasonable net sale price for such Product as if negotiated at arm's length and after taking into account all pertinent circumstances including, without limitation, then current market conditions relating to Ore, concentrates or products similar to such Product.
- (b) The Payor shall by notice inform the Payees of the quantum of such reasonable net sale price and, if the Payees do not object thereto, within sixty (60) days after receipt of such notice, said quantum shall be final and binding for the purposes of this Schedule.
5. The Payor may remove reasonable quantities of Ore and rock from the Property for the purpose of bulk sampling and of testing, and there shall be no Royalty payable to the Payees with respect thereto unless revenues are derived therefrom.
6. The Payor shall have the right to commingle with Ore from the Property, ore produced from other properties, provided that prior to such commingling, the Payor shall adopt and employ reasonable practices and procedures for weighing, determination of moisture content, sampling and assaying, as well as utilize reasonable accurate recovery factors in order to determine the amounts of products derived from, or attributable to Ore mined and produced from the Property. The Payor shall maintain accurate records of the results of such sampling, weighing and analysis as pertaining to Ore mined and produced from the Property.
7. Within one-hundred (120) days after the end of each fiscal year, commencing with the year in which Commencement of Commercial Production occurs, the accounts of the Payor relating to operations on the Property and the statement of operations, which shall include the statement of calculation of the Royalty for the year last completed, shall be audited by the auditors of the Payor at its expense. The Payees shall have forty-five (45) days after receipt of such statements to question the accuracy thereof in writing and, failing such objection, the statements shall be deemed to be correct and unimpeachable thereafter.
8. If such audited financial statements disclose any underpayment of the Royalty by the Payor during the year, the amount thereof shall be paid to the Payees forthwith after determination thereof.
9. The Payor shall maintain for each mining operation on the Property, up-to-date and complete records relating to the production and sale the Products from the Property, including accounts, records, statements and returns relating to treatment and smelting arrangements of such product, and the Payees or their agents shall have the right at all reasonable times, including for a period of twelve (12) months following the expiration or termination of the Agreement, to inspect such

records, statements and returns and make copies thereof at its own expense for the purpose of verifying the amount of the Royalty payments to be made by the Payor to the Payees pursuant to the Agreement. The Payees shall have the right to have such accounts audited by independent auditors at its own expense once each fiscal year.

10. The Payor may, but need not, engage in forward sales, futures trading or commodity options trading, and other price hedging, price protection, and speculative arrangements (in this Schedule, the "**Trading Activities**") which may involve the possible delivery of base or precious metals produced from the Property. The parties acknowledge and agree that the Payees shall not be entitled to participate in the proceeds or be obligated to share in any losses generated by the Trading Activities.
11. The Payees shall deliver to the Payor a document executed by all parties to which the Royalty is payable from time to time, appointing, a single agent or trustee of all such parties to whom the Payor shall make all payments on account of the Royalty. The Payor shall have no responsibility as to the division of the Royalty payments among such parties, and if the Payor makes a payment or payments on account of the Royalty in accordance with the provisions of this Section 11, it shall be conclusively deemed that such payment or payments have been received by the parties entitled thereto. All charges of the agent or trustee shall be borne solely by the parties receiving payments on account of the Royalty.
12. The Payor shall not sell, assign, transfer or in any other manner deal with the Property or any interest therein without the new optionee, transferee or assignee acquiring the Property or such interest therein first agreeing with the Payees in writing to be bound by the terms of this Schedule.
13. Any dispute arising out of or related to any report, payment, calculation or audit in respect of this Schedule shall be resolved solely by the arbitration procedure provided in the Agreement.
14. The term of the Royalty shall be 99 years or until it is terminated by mutual agreement, whichever is the earlier.
