About TUGA Innovations, Inc. (CSE: TUGA) (FRA: DQ5) (OTC: TUGAF)

TUGA Innovations is a development-stage electric vehicle company undertaking the conception, design, and production of specialized EVs to improve the urban mobility experience. The Company is looking to reduce urban mobility difficulties by developing a [family](#) of three-wheeled, fully electric fore-and-aft 2-seat vehicles. The vehicle is no wider than a motorcycle for agility and offers a patent pending expanding rear axle for high-speed stability along with a patent pending expandable chassis designed for passenger comfort. The vehicle will offer advanced connectivity technology to maximize safety, performance, environmental impact, comfort, maintenance, and navigation. The TUGA vehicle is being designed to deliver an estimated 160 km range, have an estimated top speed of 140km/hour with the comforts of a car, and with more protection than a motorcycle in an interchangeable multi-body, multi-function platform. Forward-Looking Statements

Certain information contained herein constitutes “forward-looking information” under Canadian securities legislation. Forward-looking information includes, but is not limited to, the Company reducing urban mobility difficulties; the Company’s commercialization of its automotive concepts including the creation of a branded family of vehicles; the design of the vehicle including the three wheels, the number of seats, an optional suite of advanced digital communications and navigation aids, the width of the vehicle, the expanded rear axle feature of the vehicle and its anticipated passenger comfort and cargo handling capability, the advanced connectivity features of the vehicle and anticipated benefits, the km range and top speed of the vehicle, and the safety, performance, and comfort offered by the vehicle. Generally, forward-looking information can be identified by the use of forward-looking terminology such as “will” or variations

of such words and phrases or statements that certain actions, events or results “will” occur. Forward-looking statements are based on the opinions and estimates of management as of the date such statements are made and they are from those expressed or implied by such forward-looking statements or forward-looking information subject to known and unknown risks, uncertainties and other factors that may cause the actual results to be materially different, including receipt of all necessary regulatory approvals. Although management of the Company have attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking statements or forward-looking information, there may be other factors that cause results not to be as anticipated, estimated or intended. There can be no assurance that such statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking statements and forward-looking information. The Company will not update any forward-looking statements or forward-looking information that are incorporated by reference herein, except as required by applicable securities laws.

The CSE does not accept responsibility for the adequacy or accuracy of this release.
