

QNB Metals Announces \$250,000 Non-Brokered Private Placement

MONTREAL, May 29, 2023 - QNB Metals Inc. (“QNB” or the “Corporation”) (CSE: TIM), announces that it intends to complete a non-brokered private placement of up to 5,000,000 units of the Corporation (each, a “Unit”) at a price of \$0.05 per Unit for aggregate gross proceeds of up to \$250,000 (the “Private Placement”). Each Unit will consist of one common share in the capital of the Corporation (each, a “Share”) and one half of one (1/2) Share purchase warrant, with each whole warrant exercisable into one Share at an exercise price of \$0.40 until the date that is 24 months following the closing of the Private Placement.

The net proceeds from the Private Placement will be used for general exploration and working capital. In connection with the Private Placement, the Corporation may pay finder’s fees to eligible finders. All securities issued in connection with the Private Placement will be subject to a statutory hold period of 4 months and a day from their issuance.

Completion of the Private Placement is subject to certain conditions including, but not limited to, the receipt of all necessary regulatory approvals, including acceptance of the Canadian Securities Exchange (the “CSE”).

This press release does not constitute an offer to sell or a solicitation of an offer to buy any of the securities in the United States. The securities have not been and will not be registered under the United States Securities Act of 1933, as amended (the “U.S. Securities Act”), or any state securities laws and may not be offered or sold within the United States or to or for the account or benefit of a U.S. person (as defined in Regulation S under the U.S. Securities Act) unless registered under the U.S. Securities Act and applicable state securities laws or pursuant to an exemption from such registration requirements.

About the Corporation

QNB Metals Inc. is an exploration and development company focused on creating shareholder value through the strategic acquisition of Nickel & Copper projects while closing and maintaining key partnerships.
