INFORMATION REGARDING PROXIES AND VOTING AT THE MEETING

Solicitation of Proxies

This Information Circular is furnished in connection with the solicitation of proxies by the management of the Terra Balcanica Resources Corp. (the “Company”) for use at the Meeting of the Voting Securityholders. The Company will be hosting its Meeting in person at Suite 910, 800 West Pender Street, Vancouver, BC. Solicitation of proxies will be primarily by mail, but may also be undertaken by way of telephone, facsimile or oral communication by any member of the Board, officers and regular employees of the Company, at no additional compensation. Costs associated with the solicitation of proxies will be borne by the Company.

Appointment of Proxy holders

The persons named (the “Management Designees”) in the enclosed instrument of proxy (“Instrument of Proxy”) have been selected by the directors of the Company and have indicated their willingness to represent as proxy the Voting Securityholder who appoints them. A Voting Securityholder has the right to designate a person (whom need not be a Voting Securityholder) other than the Management Designees to represent him or her at the Meeting. Such right may be exercised by inserting in the space provided for that purpose on the Instrument of Proxy the name of the person to be designated and by crossing out the names of the Management Designees, or by completing another proper form of proxy and delivering the same to the transfer agent of the Company. Such Voting Securityholder should notify the nominee of the appointment, obtain the nominee’s consent to act as proxy and should provide instructions on how the Voting Securityholder’s common shares in the capital of the Company (the “Common Shares”) are to be voted. The nominee should bring personal identification with him or her to the Meeting. In any case, the form of proxy should be dated and executed by the Voting Securityholder, or an attorney authorized in writing, with proof of such authorization attached (where an attorney executed the proxy form). In addition, a proxy may be revoked by a Voting Securityholder personally attending the Meeting and voting his or her Common Shares.

The persons named in the Instrument of Proxy will vote or withhold from voting the Common Shares represented thereby in accordance with your instructions on any ballot that may be called for. If you specify a choice with respect to any matter to be acted upon, your Common Shares will be voted accordingly. The Instrument of Proxy confers discretionary authority on persons named therein with respect to:

- (a) each matter or group of matters identified therein for which a choice is not specified, other than the appointment of an auditor and the election of directors;
- (b) any amendment to or variation of any matter identified therein; and
- (c) any other matter that properly comes before the Meeting.

In respect of a matter for which a choice is not specified in the Proxy, the persons named in the Instrument of Proxy will vote the Common Shares represented by the Instrument of Proxy for the approval of such matter.

A proxy will not be valid unless it is deposited with our transfer agent Computershare, (i) by mail using the enclosed return envelope or (ii) by hand delivery to Computershare, 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1. Alternatively, you may vote by telephone at 1-866-732-VOTE (8683) (toll free within North America) or 1-312-588-4290 (outside North America), by facsimile to 1-866-249-7775 or 1-416-263-9524 (if outside North America), or by internet using the 15 digit control number located at the bottom of your proxy at www.investorvote.com. All instructions are listed in the enclosed form of proxy. Your proxy or voting instructions must be received in each case no later than 10:00 am (Pacific Time) on October 28, 2024 or, if the Meeting is adjourned, 48 hours (excluding Saturdays and holidays) before the beginning of any adjournment of the Meeting.

Revocability of Proxy.

A Voting Securityholder who has given a proxy may revoke it as to any matter upon which a vote has not already been cast pursuant to the authority conferred by the proxy. In addition to revocation in any other manner permitted

by law, a proxy may be revoked by depositing an instrument in writing executed by the Voting Securityholder or by his or her authorized attorney in writing, or, if the Voting Securityholder is a corporation, under its corporate seal by an officer or attorney thereof duly authorized, either at the registered office of the Company or c/o Computershare, 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1 or www.investorvote.com at any time up to and including the last business day preceding the date of the Meeting, or any adjournment(s) or postponement(s) thereof at which the proxy is to be used, or by depositing the instrument in writing with the Chairman of such Meeting on the day of the Meeting, or any adjournment(s) or postponement(s) thereof. In addition, a proxy may be revoked by the Voting Securityholder personally attending the Meeting and voting his or her Common Shares.

Advice to Beneficial Securityholder

The information set forth in this section is of significant importance to many Voting Securityholders, as a substantial number of Voting Securityholders do not hold Common Shares in their own name. Voting Securityholders who hold their Common Shares through their brokers, intermediaries, trustees or other persons, or who otherwise do not hold their Common Shares in their own name (referred to in the Information Circular as “**Beneficial Securityholders**”) should note that only proxies deposited by Voting Securityholders who appear on the records maintained by the Company’s registrar and transfer agent as registered holders of Common Shares will be recognized and acted upon at the Meeting. If Common Shares are listed in an account statement provided to a Beneficial Securityholder by a broker, those Common Shares will, in all likelihood, *not* be registered in the Voting Securityholder’s name. Such Common Shares will more likely be registered under the name of the Voting Securityholder’s broker or an agent of that broker. In Canada, the vast majority of such Common Shares are registered under the name of CDS & Co. (the registration name for The Canadian Depository for Securities, which acts as nominee for many Canadian brokerage firms). In the United States, the vast majority of such Common Shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks). Common Shares held by brokers (or their agents or nominees) on behalf of a broker’s client can only be voted (for or against resolutions) at the direction of the Beneficial Securityholder.

Without specific instructions, brokers and their agents and nominees are prohibited from voting shares for the broker’s clients. **Therefore, each Beneficial Securityholder should ensure that voting instructions are communicated to the appropriate person well in advance of the Meeting.**

Existing regulatory policy requires brokers and other intermediaries to seek voting instructions from Beneficial Securityholders in advance of Voting Securityholder meetings. The various brokers and other intermediaries have their own mailing procedures and provide their own return instructions to clients, which should be carefully followed by Beneficial Securityholders in order to ensure that their Common Shares are voted at the Meeting. The form of proxy supplied to a Beneficial Securityholder by its broker (or the agent of the broker) is substantially similar to the Instrument of Proxy provided directly to registered Voting Securityholders by the Company. However, its purpose is limited to instructing the registered Voting Securityholder (i.e. the broker or agent of the broker) how to vote on behalf of the Beneficial Securityholder. The vast majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. (“**Broadridge**”) in Canada. Broadridge typically prepares a machine-readable voting instruction form, mails those forms to the Beneficial Securityholders and asks such Beneficial Securityholders to return the forms to Broadridge or otherwise communicate voting instructions to Broadridge (by way of the Internet or telephone, for example). Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at the Meeting. **A Beneficial Securityholder who receives a Broadridge voting instruction form cannot use that form to vote Common Shares directly at the Meeting. The voting instruction forms must be returned to Broadridge (or instructions respecting the voting of Common Shares must otherwise be communicated to Broadridge) well in advance of the Meeting in order to have the Common Shares voted. If you have any questions respecting the voting of Common Shares held through a broker or other intermediary, please contact that broker or other intermediary for assistance.**

Although a Beneficial Securityholder may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of its broker, a Beneficial Securityholder may attend the Meeting as proxy holder for the registered Voting Securityholder and vote the Common Shares in that capacity. **A Beneficial Securityholder who wishes to attend the Meeting and indirectly vote their Common Shares as proxy holder for the registered Voting Securityholder should enter its own name in the blank space on the form of proxy provided and return the same to its broker (or the broker’s agent) in accordance with the instructions provided**

by such broker.

Beneficial Securityholders who have not objected to their intermediary disclosing certain ownership information about themselves to the Company are referred to as “**NOBOs**”. Those Beneficial Securityholders who have objected to their intermediary disclosing ownership information about themselves to the Company are referred to as “**OBOs**”.

The Company is taking advantage of NI 54-101 which permits the Company to deliver proxy-related materials directly to its NOBOs. As a result, NOBOs can expect to receive a scannable voting instruction form from Computershare. The voting instruction form is to be completed and returned to Computershare in the envelope provided or by facsimile, or a NOBO has the option to submit their proxy vote either by telephone or via the internet in the manner described in the voting instruction form. Computershare tabulates the results of the voting instruction forms received from NOBOs and will provide appropriate instructions at the Meeting with respect to the Common Shares represented by those voting instruction forms.

The Company’s OBOs can expect to be contacted by Broadridge or their brokers or their broker’s agents as set out above. The Company will not pay for intermediaries to deliver the Notice of Meeting, Information Circular and VIF to OBOs, and OBOs will not receive the Meeting materials unless their intermediary assumes the cost of the delivery.

These Beneficial Securityholder materials are being sent to both registered and non-registered owners of the securities. If you are a non-registered owner and the Company or its transfer agent has sent these materials directly to you, your name, address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf.

By choosing to send these materials to you directly, the Company (and not the intermediary holding on your behalf) has assumed responsibility for (i) delivering these materials to you; and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

All reference to Voting Securityholders in this Information Circular and the accompanying Instrument of Proxy and Notice of Meeting are to registered Voting Securityholders unless specifically stated otherwise.

Notice to Shareholders in the United States

The solicitation of proxies involves securities of an issuer located in Canada and is being effected in accordance with the corporate laws of the Province of British Columbia, Canada and securities laws of the provinces of Canada. The proxy solicitation rules under the United States Securities Exchange Act of 1934, as amended, are not applicable to the Company or this solicitation, and this solicitation has been prepared in accordance with the disclosure requirements of the securities laws of the provinces of Canada. Shareholders should be aware that disclosure requirements under the securities laws of the provinces of Canada differ from the disclosure requirements under United States securities laws.

The enforcement by shareholders of civil liabilities under United States federal securities laws may be affected adversely by the fact that the Company is incorporated under the Business Corporations Act (British Columbia) (the “BCA”), as amended, certain of its directors and its executive officers are residents of Canada and a substantial portion of its assets and the assets of such persons are located outside the United States. Shareholders may not be able to sue a foreign company or its officers or directors in a foreign court for violations of United States federal securities laws. It may be difficult to compel a foreign company and its officers and directors to subject themselves to a judgment by a United States court.

Voting of Proxies and Exercise of Discretion by Proxy holders

All Common Shares represented at the Meeting by properly executed proxies will be voted on any ballot that may be called for and, where a choice with respect to any matter to be acted upon has been specified in the Instrument of Proxy, the Common Shares represented by the Instrument of Proxy will be voted in accordance with such instructions. The management designees named in the accompanying Instrument of Proxy will vote or withhold from voting the Common Shares in respect of which they are appointed in accordance with the direction of the Voting Securityholder appointing him or her on any ballot that may be called for at the Meeting. **In the absence of such direction, such Common Shares will be voted “FOR” the proposed resolutions at the Meetings. The accompanying Instrument of Proxy confers discretionary authority upon the persons named therein with**

respect to amendments of or variations to the matters identified in the accompanying Notice of Meeting and with respect to other matters that may properly be brought before the Meeting. In the event that amendments or variations to matters identified in the Notice of Meeting are properly brought before the Meeting or any further or other business is properly brought before the Meeting, it is the intention of the management designees to vote in accordance with their best judgment on such matters or business. At the time of printing this Information Circular, the management of the Company knows of no such amendment, variation or other matter to come before the Meeting other than the matters referred to in the accompanying Notice of Meeting.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

Except as disclosed elsewhere in this Information Circular, no director or executive officer of the Company who has held such a position since the beginning of the Company's last financial year or any proposed nominee for election as a director of the Company, nor any Associate or Affiliate of the foregoing persons has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in matters to be acted upon at the Meeting other than the election of directors.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

Voting of Common Shares – General

The record date for the determination of Voting Securityholders entitled to receive notice of and to vote at the Meeting is September 24, 2024 (the “**Record Date**”). Only Voting Securityholders whose names are entered in the Company's register of Voting Securityholders at the close of business on that date will be entitled to receive notice of and to vote at the Meeting.

The Company is authorized to issue an unlimited number of Common Shares without par value. On the Record Date, 46,207,891 Common Shares were issued and outstanding as fully paid and non-assessable, each carrying the right to one vote.

A simple majority of affirmative votes cast at the Meeting is required to pass the resolutions described herein. If there are more nominees for election as directors or appointment of the Company's auditor than there are vacancies to fill, those nominees receiving the greatest number of votes will be elected or appointed, as the case may be, until all such vacancies have been filled. If the number of nominees for election or appointment is equal to the number of vacancies to be filled, all such nominees will be declared elected or appointed by acclamation.

Going Public Transaction

On June 3, 2022, the Company became a reporting issuer following receipt of its long form prospectus dated June 1, 2022 by securities regulators, and subsequently, the Company listed its Common Shares for trading on the Canadian Securities Exchange (the “CSE”). The Common Shares began trading on the CSE under the symbol “TERA” on June 20, 2022.

Principal Holders of Common Shares

To the knowledge of the directors and senior officers of the Company, as at the date hereof, no single Voting Securityholder beneficially owns, directly or indirectly, or exercises control or direction over more than 10% of the votes attached to the Common Shares of the Company.

CORPORATE GOVERNANCE

Corporate governance refers to the policies and structure of the board of directors of a company, whose members are elected by and accountable to shareholders of the Company. Corporate governance encourages establishing a reasonable degree of independence of the board of directors from executive management and the adoption of policies to ensure the board of directors recognizes the principles of good management. The Board is committed to sound corporate governance practices as such practices are both in the interests of shareholders and help to contribute to effective and efficient decision-making. Pursuant to National Instrument 58-101 *Disclosure of Corporate Governance Practices* (“**NI 58-101**”), the Company must disclose its approach to corporate governance which is as follows:

Board of Directors

In order to identify and manage risks, the Board requires management to provide complete and accurate information with respect to the Company's activities and to provide relevant information concerning the industry in which the Company operates. The Board is responsible for monitoring the Company's officers, who in turn are responsible for the maintenance of internal controls and management information systems.

Directors are considered to be independent if they have no direct or indirect material relationship with the Company. A "material relationship" is a relationship which could, in view of the Company's Board of Directors, be reasonably expected to interfere with the exercise of a director's independent judgment.

The Board currently consists of five directors: Brandon Bonifacio, Giulio Bonifacio, Aleksandar Ilic, Aleksandar Miskovic and Kim Oishi.

Brandon Bonifacio, Giulio Bonifacio and Kim Oishi are independent directors, as defined in NI 58-101 and National Instrument 52-110 – Audit Committees ("NI 52-110"). Dr. Miskovic, as President and CEO of the Company, is an executive officer of the Company and, therefore, not independent. Mr. Ilic is also not considered independent, by virtue of his arrangements through his wholly owned entity, Rockstone Group d.o.o Kac, which has contractual arrangements, including royalties, in respect of each of the Ceovishte mineral exploration project.

The Board meets for formal board meetings periodically on an ad hoc basis during the year on an as needed basis to review and discuss the Company's business activities, to consider and, if thought fit, to approve matters presented to the Board for approval and to provide guidance to management. In general, management consults with the Board when deemed appropriate to keep the Board informed regarding the Company's affairs. The Board facilitates the exercise of independent supervision over management through these various meetings.

In the event of a conflict of interest at a meeting of the Board, the conflicted director will, in accordance with corporate law and in accordance with his fiduciary obligations as a director of the Company, disclose the nature and extent of his interest to the meeting and abstain from voting on or against the approval of such participation.

The directors do not hold meetings at which non-independent directors and members of management are not in attendance. However, the Board considers that management is effectively supervised by the independent directors on an informal basis as the independent directors are actively and regularly involved in reviewing and supervising the operations of the Company and are able to meet at any time without the non-independent directors being present. At the present time, the Board facilitates the exercise of independent judgment in carrying out its responsibilities by carefully examining all material issues and relying heavily on the advice of outside counsel and other advisors in all appropriate circumstances.

Orientation and Continuing Education

The Board ensures that each new director brings a different skill set and professional background, and with this information, the Board is able to determine what orientation of the nature and operations of the Company's business will be necessary and relevant to each new director. All new directors receive a comprehensive orientation regarding the role of the Board, its committees and its directors and the nature and operation of the Company.

The Board takes the following measures to provide continuing education for its directors in order for them to maintain the skill and knowledge necessary to meet their obligation as directors:

- (a) The Company has not developed an official orientation or training program for new directors, but they are encouraged to communicate with other directors, officers and employees as needed. New directors will have the opportunity to become familiar with the Company with full access to records, meeting with the auditors and various technical consultants. Orientation activities are tailored to the needs and expertise of each director and the overall needs of the Board. The Company does not have a formal program of continuing education for its directors, but encourages its directors to attend continuing education seminars at the Company's expense, subject to prior approval by management. The Company also liaises with its legal counsel and auditors to keep apprised of any developments and material changes to corporate governance and reporting policies affecting the Company and make the directors aware of any such developments and changes; and
- (b) in addition to regularly reporting, there is normally a technical presentation at Board meetings focusing on either a particular property or a summary of various properties. The question-and-answer portions of these presentations are a valuable learning resource for the non-technical directors.

Ethical Business Conduct

The Board has adopted a written code of business conduct and ethics for its directors, officers, employees and consultants. The Board must comply with the conflict-of-interest provisions of the *BCA*, as well as the relevant securities regulatory instruments, in order to ensure that directors exercise independent judgment in considering transaction and agreements in respect of which a director or executive officer has a material interest.

Nomination of Directors

The Board has not appointed a nominating committee as the Board fulfills these functions. In order to identify new candidates for nomination to the Board, the Board considers the advice and input of the entire Board and outside advisors regarding:

- (a) the appropriate size of Board, the necessary competencies and skills of the Board as a whole and the competencies and skills of each director individually; and
- (b) the identification and recommendation of new individuals qualified to become a new Board member. New nominees must have a track record in general business management, special expertise in an area of strategic interest to the Company, the ability to devote the time required and a willingness to serve.

Compensation

The Board as a whole currently determines the compensation for the Company's CEO on the basis of what, as a whole, the Board feels is suitable, primarily by comparison of the remuneration paid by other reporting issuers that the Board feels are within the same business of the Company. See "*Statement of Executive Compensation – Oversight and Description of Director and Named Executive Officer Compensation*".

Other Board Committees

The Company does not currently have any standing committees other than the Audit Committee.

Assessments

The entire Board will evaluate the effectiveness of the Board, its committees and individual directors. To facilitate this evaluation, each committee will conduct an annual assessment of its performance, consisting of a review of its charter, its performance as a whole and the performance of individual committee members.

AUDIT COMMITTEE

National Instrument 52-110 of the Canadian Securities Administrators ("NI 52-110") requires the Company, as a venture issuer, to disclose annually in its Information Circular certain information concerning the constitution of its audit committee and its relationship with its independent auditor, as set forth below.

Stock Option Plans and Other Incentive Plans

The Company has adopted a 10% rolling stock option plan (the "**Option Plan**"), in accordance with the policies of the Canadian Stock Exchange (the "**Exchange**"), which provides that Options may be granted to the directors, officers, employees and consultants of the Company, to purchase up to 10% of the issued and outstanding Common Shares. The maximum number of Options which may be granted to Insiders within any 12-month period must not exceed 10% of the issued and outstanding Common Shares (unless the Company has obtained disinterested shareholder approval of such grants as required by the Exchange). In addition, the number of Common Shares reserved for issuance to any one Related Person within any 12-month period must not exceed 5% of the issued and outstanding Common Shares, the maximum number of Options which may be granted to any one consultant within any 12-month period must not exceed 2% of the issued and outstanding Common Shares and the maximum number

A committee of the Board, and if no committee is appointed, the Board, will determine the exercise price per Common Share and the number of Common Shares which may be allotted to each director, officer, employee and consultant and all other terms and conditions of the Options, subject to the policies of the Exchange and the terms and conditions of the Option Plan, when such Options are granted. The exercise price of the Options will not be less than the market value of the Common Shares as of the date of grant, as permitted by the Exchange. Options must be exercised within 90 days of termination of employment or cessation of the option holder's position with the Company, subject to the expiry date of such Option and certain other provisions of the Option Plan.

Pursuant to CSE policies covering option grants, namely CSE Policy 6 *Distributions*, the Company must:

- (a) not grant options with an exercise price lower than the greater of the closing market prices of the underlying securities on (a) the trading day prior to the date of grant of the options; and (b) the date of grant of the options;
- (b) comply with the provisions of National Instrument 45-106 – Prospectus Exempt Distributions (“NI45-106”), under which the Company is deemed to be an “unlisted issuer” for the purposes of Division 4 of NI45-106;
- (c) post notice of option grants or amendments in CSE Form 11 immediately following each grant of options by the Company;
- (d) upon first grant of options under the Option Plan, the Company must provide the CSE with an opinion of counsel that all the securities issuable under the option plan will be duly issued and be outstanding as fully paid and non-assessable shares;
- (e) terms of an option granted under the Option Plan may not be amended once issued. If an option is cancelled prior to its expiry date, the company must post notice of the cancellation and shall not grant new options to the same person until 30 days have elapsed from cancellation of the previous options.

Under the policies of the CSE, the Option Plan must be re-approved every three (3) years by the shareholders of the Company at an annual meeting. The Option Plan was last approved by the Shareholders at the annual and special meeting held on July 31, 2023.

Oversight and Description of Director and Named Executive Officer Compensation

The Company's executive compensation program is comprised of two primary elements: base salary or consulting fees; and long-term incentive, in the form of participation in the Option Plan. Where NEOs receive other perquisites, they reflect competitive practices, business needs and objectives.

The terms of the compensation arrangements for each NEO (other than the CEO) are reviewed by the CEO with the Board. The terms of the CEO's compensation arrangements are reviewed by the Board in the absence of the CEO. All changes to the compensation arrangements of the NEOs are approved by the Board.

The Company has not retained any third-party advisors to conduct compensation reviews of its competitors' pay levels and practices. The Company has not used a benchmark tool to assess its executive compensation levels.

Compensation Elements

1. Base Salary/ Consulting Fees

Compensation levels are typically negotiated with the candidate for the position prior to his or her selection as an executive officer. Salaries or consulting fees for the executive officers are reviewed annually to reflect external factors such as inflation as well as overall corporate performance. Compensation is reviewed and set by the Board.

2. Long-Term Incentive Plan

The Company has an Option Plan for the granting of stock options to the directors, officers, employees and consultants. The purpose of granting such Options is to assist the Company in compensating, attracting, retaining and motivating such persons. The allocation of Options under the Option Plan will be determined by the Board which, in determining such allocations, considers factors such as previous grants to individuals, overall company performance, share price performance, the business environment and labour market, the role and performance of the individual in question and, in the case of grants to non-executive directors, the amount of time directed to the Company's affairs.

The Company believes that participation by the NEOs in the Option Plan aligns the interests of the NEOs with the Company's shareholders, as the NEOs are rewarded for the Company's performance, as evidenced by share price appreciation. See the section of the Information Circular titled "*Statement of Executive Compensation – Stock Option Plan and Other Incentive Plans*" for a summary of the material terms of the Option Plan.

Director Compensation

The Board, at the recommendation of the management of the Company, determines the compensation payable to the directors of the Company, if any, and reviews such compensation periodically throughout the year. The Company may, from time to time, grant to its directors Options to purchase common shares. The Company will rely on Board discussion without any formal objectives, criteria and analysis to determine the number of Options and the terms and conditions of such Options, to be granted to directors and officers in accordance with the policies of the Exchange and the Option Plan. The Board will also consider the number and value of outstanding Options held by each option holder when determining Option grants.

There have been no significant changes to the Company's compensation policies during the financial year ended January 31, 2024 that could or will have an effect on director or Named Executive Officer compensation.

Pension Disclosure

The Company does not have a pension plan or provide any benefits following or in connection with retirement.

- Satisfy itself, on behalf of the Board of Directors that the Auditor is "independent" of management, within the meaning given to such term in the rules and pronouncements of the applicable regulatory authorities and professional governing bodies. In furtherance of the foregoing, the Committee shall request that the Auditor at least annually provide a formal written statement delineating all relationships between the Auditor and the Company, and request information from the Auditor and management to determine the presence or absence of a conflict of interest. The Committee shall take, or recommend that the full Board take, appropriate action to oversee the independence of the Auditor.
