

## Clear Sky Announces Appointment of Industry Veteran

VANCOUVER, BC, July 26, 2022 (GLOBE NEWSWIRE) -- **Clear Sky Lithium Corp.** (CSE: POWR) (FRA: K4A / WKN: A3DM2W) (“**Clear Sky**” or the “**Company**”), a mineral exploration and development company focused on American lithium deposits to support domestic demand, is pleased to announce the appointment of a new Chief Executive Office (“**CEO**”).

The Board of Directors is pleased to announce that Patrick Morris has been appointed to the position of CEO. Patrick will formally commence his role as CEO on July 27, 2022.

Mr. Morris brings over 20 years of experience in management positions with public companies, providing expertise in capital markets and fund raising for the resource sector. He is the former CEO of Gold Star Resources Ltd. Mr. Morris also co-created and co-produced Canada’s first nationally syndicated radio show about growth stock opportunities which was broadcast on fourteen of the top-rated news talk stations across Canada.

“I am excited to join the Clear Sky Lithium team”, notes Mr. Morris. “Craig has done a great job bringing the company to this point, and I would like to personally thank him for his service. I believe that the company is in the right location, at the right time, with the right team. I look forward to building on our current project and advancing our presence in Nevada.”

The Company’s director and CEO, Craig Engelsman, has resigned from the Company. The Company would like to thank Craig for his efforts in helping grow the Company and navigate the go-public process.

Clear Sky Lithium advises the public that as part of its disclosure obligations as a public issuer, all material and regulatory filings can be found on [www.sedar.com](http://www.sedar.com). ### **Forward Looking Information Disclaimer**

This news release contains statements and information that, to the extent that they are not historical fact, may constitute “forward-looking information” within the meaning of applicable securities legislation. Forward-looking information may include financial and other projections, as well as statements regarding future plans, objectives, or economic performance, or the assumption underlying any of the foregoing. In some cases, forward-looking statements can be identified by terms such as “may”, “would”, “could”, “will”, “likely”, “except”, “anticipate”, “believe”, “intend”, “plan”, “forecast”, “project”, “estimate”, “outlook”, or the negative thereof or other similar expressions concerning matters that are not historical facts. Examples of such statements include, but are not limited to, statements with respect to the company building its current project and advancing its presence in Nevada.

Forward-looking information is based on the assumptions, estimates, analysis, and opinions of management made in light of its experience and its perception of trends, current conditions and expected developments, as well as other factors that management believes to be relevant and reasonable in the circumstances at the date that such statements are made, but which may prove to be incorrect. The material factors and assumptions used to develop the forward-looking information contained in this news release include, but are not limited to, key personnel and qualified employees continuing their involvement with the Company; the Company’s ability to secure additional financing on reasonable terms; the competitive conditions of the sector in which the Company operates; and laws and any amendments thereto applicable to the Company.

Forward-looking information involves known and unknown risks, uncertainties and other factors that may cause the actual results, performance or achievements of the Company to differ materially from any future results, performance or achievements expressed or implied by the forward-looking information, including, without limitation, risks relating to the future business plans of the Company; risks that the Company will not be able to retain its key personnel; risks that the Company will not be able to secure financing on reasonable terms or at all, as well as all of the other risks as described in the Company’s final long form prospectus dated May 31, 2022, under the heading “Risks Factors.” Accordingly, readers should not place undue reliance on any such forward-looking information. Further, any forward-looking information speaks only as of the date on which such statement is made. New factors emerge from time to time, and it is not possible for the Company’s management to predict all such factors and to assess in advance the impact of each such factor on the Company’s business or the extent to which any factor, or combination of factors, may cause actual results to differ materially from those contained in any forward-looking information. The Company does not undertake any obligation to update any forward-looking information to reflect information or events after the date on which it is made or to reflect the occurrence of unanticipated events, except as required by law, including securities laws.

***The CSE has neither approved nor disapproved the contents of this press release. Neither the CSE nor its Market Regulator (as that term is defined in the policies of the CSE) accepts responsibility for the adequacy or accuracy of this release.***
