

## Clear Sky Appoints Director With Global Mining Experience

### --Company Strengthens Operational Experience

VANCOUVER, British Columbia, Oct. 25, 2022 -- Clear Sky Lithium Corp. (CSE: POWR) (FRA: K4A / WKN: A3DM2W) (OTC: CSKYF) ("Clear Sky" or the "Company"), a mineral exploration and development company focused on American lithium deposits to support domestic demand, is pleased to announce the appointment of Mr. Mark Mukhija as a member of the board of directors with immediate effect.

Mr. Mukhija brings over 15 years of experience in the mining industry including roles with global mining companies such as Teck Resources, Barrick, BHP Billiton, and TransAlta. Since 2018, Mark has been the General Manager (Australia) for Motion Metrics, an industrial artificial intelligence and machine learning company catering to the mining industry with a specific focus on safety and productivity. Mr. Mukhija is responsible for the P&L, business development, project management, and logistics of the Motion Metrics (Australia) operations. With BHP Billiton, Mark was responsible for life of mine planning and asset value optimization. At TransAlta, Mr. Mukhija began as the Engineering Team Leader at the Sunhills Mine with 14 direct reports and then moved into a capital planning supervisory role where he was responsible for a \$60mm annual capital expenditure budget for the operation. Mr. Mukhija is a Professional Engineer and graduate from the University of British Columbia with a Bachelor of Applied Science in Mining Engineering (2003).

Company CEO, Patrick Morris notes, "We look forward to working with Mark and welcome him to our project and team. He brings an outstanding industry perspective which is certain to boost the governance and oversight requirements so critical to a growing company. In the resource sector, assembling a strong board goes hand-in-hand with value creation, and we feel certain our partners and shareholders alike will be pleased by the impact our team will bring to this growing venture."

The Company advises that it has granted Director Mukhija 50,000 stock options ("Options") exercisable for one common share of the Company at a price of \$0.55 until October 25, 2024. The Options vest immediately and are subject to a statutory hold period of four months plus one day.

### **Forward Looking Information Disclaimer**

This news release contains statements and information that, to the extent that they are not historical fact, may constitute "forward-looking information" within the meaning of applicable securities legislation. Forward-looking information may include financial and other projections, as well as statements regarding future plans, objectives, or economic performance, or the assumption underlying any of the foregoing. In some cases, forward-looking statements can be identified by terms such as "may", "would", "could", "will", "likely", "except", "anticipate", "believe", "intend", "plan", "forecast", "project", "estimate", "outlook", or the negative thereof or other similar expressions concerning matters that are not historical facts. Examples of such statements include, but are not limited to, statements with respect to the services to be provided by Mr. Mukhija and the benefits to the Company therefrom.

Forward-looking information is based on the assumptions, estimates, analysis, and opinions of management made in light of its experience and its perception of trends, current conditions and expected developments, as well as other factors that management believes to be relevant and reasonable in the circumstances at the date that such statements are made, but which may prove to be incorrect. The material factors and assumptions used to develop the forward-looking information contained in this news release include, but are not limited to, key personnel and qualified employees continuing their

involvement with the Company; the Company's ability to secure additional financing on reasonable terms; the competitive conditions of the sector in which the Company operates; and laws and any amendments thereto applicable to the Company.

Forward-looking information involves known and unknown risks, uncertainties and other factors that may cause the actual results, performance or achievements of the Company to differ materially from any future results, performance or achievements expressed or implied by the forward-looking information, including, without limitation, risks relating to the future business plans of the Company; risks that the Company will not be able to retain its key personnel; risks that the Company will not be able to secure financing on reasonable terms or at all, as well as all of the other risks as described in the Company's final long form prospectus dated May 31, 2022, under the heading "Risks Factors." Accordingly, readers should not place undue reliance on any such forward-looking information. Further, any forward-looking information speaks only as of the date on which such statement is made. New factors emerge from time to time, and it is not possible for the Company's management to predict all such factors and to assess in advance the impact of each such factor on the Company's business or the extent to which any factor, or combination of factors, may cause actual results to differ materially from those contained in any forward-looking information. The Company does not undertake any obligation to update any forward-looking information to reflect information or events after the date on which it is made or to reflect the occurrence of unanticipated events, except as required by law, including securities laws.
