

## **Ashley Announces Completion of Drilling**

### **Highlights**

- **550m of drilling completed over 5 holes**
- **Core has been sampled and sent to lab for assays**
- **No environmental or health and safety events occurred**

**Ashley Gold Corp. (CSE: “ASHL”)** (“Ashley” or the “Company”) is pleased to announce the completion of our Maiden drill program at the Tabor Property. Approximately 550m of core was successfully cut and logged with prospective intervals sent for metallic screening and fire assay.

Darcy Christian, President of Ashley, commented, “I am extremely satisfied with how smoothly our first drilling program went. We have achieved another milestone safely and with low environmental impact and I am excited to see how well our team came together to get our first drill program in the bag.”

Assays are sent to Activation Laboratories in Dryden and assay results are expected later this month.
