

Ashley Gold Closes First Tranche of Financing

Ashley Gold Corp. (CSE: “ASHL”) (“Ashley” or the “Company”) closes the first tranche of the non-brokered private placement financing (the “Offering”) announced June 24, 2024 for a total gross proceeds of \$184,800 (CDN) representing 2,464,000 Units.

Darcy Christian, CEO of Ashley comments “*We have received a lot of interest in our uranium and gold assets over the last month. This tranche does not include the 25% commitment by Sahara Optioner Greg Kofford and we have additional strategic investments expected in August. In the meantime, we will continue to permit for drilling at Sahara and Burnthut and we should be ready to hit the ground running with these approvals in September.*”

FINDERS FEES

The Company paid a total of \$9,480 (CDN) in finder fees associated with the Offering and issued 126,400 finders warrants at an exercise price of \$0.075 expiring 36 months from the closing date of the Offering.

The Offering is subject to all necessary regulatory approvals including acceptance from the Canadian Securities Exchange. All securities issued in connection with the Offering will be subject to a four-month hold period from the closing date under applicable Canadian securities laws, in addition to such other restrictions as may apply under applicable securities laws of jurisdictions outside Canada.
