**MANAGEMENT PROXY CIRCULAR**  
as of September 4, 2024 *(except as otherwise indicated)*

***Unless otherwise stated herein, all capitalized terms herein shall have the meaning set forth in the Glossary of Terms.***

This Information Circular is furnished to Shareholders in connection with the solicitation of proxies by the management of the Corporation for use at the Meeting and any adjournment(s) thereof.

The Meeting has been called for the purpose of receiving the 2023 annual financial statements and auditor's report, considering and voting upon fixing the number of directors and the election of Directors, the appointment of auditor and the re-approval of the stock option plan of the Corporation. The financial disclosure herein is provided for the fiscal year ended December 31, 2023, however, for the purposes of providing current disclosure to Shareholders, certain information is presented as at the date of the Information Circular.

This Information Circular and the accompanying Notice of Meeting and form of proxy as well as other related Meeting materials are being mailed or delivered on or about September 17, 2024 to Shareholders of record as at September 4, 2024. Unless otherwise specified, all dollar amounts in this Information Circular are expressed in Canadian dollars.

**GENERAL PROXY MATERIALS**

**FOR THE ANNUAL AND SPECIAL MEETING OF SHAREHOLDERS OF THE CORPORATION FOR THE FINANCIAL YEAR ENDING DECEMBER 31, 2023, TO BE HELD ON OCTOBER 9, 2024.**

**Solicitation of Proxies**

This Information Circular is furnished in connection with the solicitation of proxies by the Board for use at the Meeting and at any adjournment(s) thereof, for the purposes set forth in the accompanying Notice of Meeting.

**Appointment and Revocation of Proxies**

Instruments of proxy must be addressed to the Secretary of the Corporation and reach TSX Trust Company not later than 48 hours before the time for the holding of the Meeting or any adjournment(s) thereof. Only Shareholders of the Corporation at the close of business on the Record Date are entitled to receive notice of and to vote at the Meeting unless after that date a Shareholder of record transfers its Shares and the transferee, upon producing properly endorsed certificates evidencing such Shares or otherwise establishing that he owns such Shares, requests at least 10 days prior to the Meeting that the transferee's name be included in the list of Shareholders entitled to vote, in which case, such transferee is entitled to vote such Shares at the Meeting.

An instrument of proxy shall be in writing and shall be executed by the Shareholder or his attorney authorized in writing or, if the Shareholder is a Corporation, under its corporate seal or by an officer or attorney thereof duly authorized.

**The persons named in the enclosed form of proxy are directors and/or officers of the Corporation. A Shareholder is entitled to appoint a person to attend the Meeting as the Shareholder's representative (who need not be a Shareholder of the Corporation) other than the persons designated in the form of proxy furnished by the Corporation. To exercise such right, the names of the persons designated by management should be crossed out and the name of the Shareholder's appointee should be legibly printed in the blank space required.**

A proxy is revocable. The giving of a proxy will not affect a Shareholder's right to attend and vote in person at the Meeting. In addition to revocation in any other manner permitted by law, a Shareholder may revoke a proxy by instrument in writing executed by the Shareholder or such Shareholder's attorney authorized in writing, or, if the Shareholder is a corporation, under its corporate seal or by an officer or attorney thereof, duly authorized, and deposited at the registered office of the Corporation, at any time up to and including the last business day preceding the day of the Meeting, or any adjournment(s) thereof at which the proxy is to be used, or with the Chairman of the Meeting on the day of the Meeting, or any adjournment(s) thereof.

## **Persons Making the Solicitation**

**The solicitation is made on behalf of management of the Corporation.** The costs incurred in the preparation and mailing of the form of proxy, the Notice of Meeting and this Information Circular will be paid by the Corporation. In addition to the mailing of these materials, proxies may be solicited by personal interviews or telephone by Directors and officers of the Corporation, who will not be remunerated therefor.

## **Exercise of Discretion by Proxy**

The Shares represented by proxy in favour of management nominees shall be voted on any ballot at the Meeting and where the Shareholder specifies the choice with respect to any matter to be acted upon, the Shares shall be voted on any ballot in accordance with the specification so made.

**In the absence of such specification, Shares will be voted in favour of the proposed resolution. The person appointed under the form of proxy furnished by the Corporation is conferred with discretionary authority with respect to amendments or variations of those matters specified in the form of proxy and Notice of Meeting. At the time of mailing of this Information Circular, management of the Corporation knows of no such amendment, variation or other matter.**

## **Voting of Shares – Advice to Beneficial Holders of Securities**

**The information set forth in this section is of significant importance to many Shareholders as a substantial number of the Shareholders hold their Shares through intermediaries such as brokers and their agents or nominees and not in their own name.** Shareholders who do not hold their Shares in their own name (referred to in this Information Circular as “**Beneficial Shareholders**”) should note that only proxies deposited by Shareholders whose names appear on the records of the Corporation as the registered holders of the Shares can be recognized and acted upon at the Meeting. If Shares are listed in an account statement provided to a Shareholder by a broker, then in almost all cases those Shares will not be registered under the name of the Shareholder on the records of the Corporation. Such Shares will more likely be registered under the name of the Shareholder's broker or an agent or nominee of that broker. Shares held by brokers or their agents or nominees can only be voted for, or withheld from voting, or voted against any resolution upon the instructions of the Beneficial Shareholder. Without specific instructions, brokers their agents or nominees are prohibited from voting Shares for their clients.

Applicable regulatory policy requires intermediaries and brokers to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. Every intermediary and broker has its own mailing procedures and provides its own return instructions, which should be carefully followed by Beneficial Shareholders in order to ensure that their Shares are voted at the Meeting. Often, the form of proxy supplied to a Beneficial Shareholder by its broker (or agent or nominee thereof) is identical to the form of the proxy provided to registered Shareholders; however, its purpose is limited to instructing the registered Shareholder how to vote on behalf of the Beneficial Shareholder. **A Beneficial Shareholder receiving a proxy from an intermediary cannot use that proxy to vote Shares directly at the Meeting, rather the proxy must be returned to the intermediary well in advance of the Meeting in order to have the Shares voted. A Beneficial Shareholder may however request the intermediary to appoint the Beneficial Shareholder as a nominee of it as a proxy holder. A Beneficial Shareholder should contact the intermediary, broker or agents and nominees thereof, should it have any questions respecting the voting of the Shares.**

This CD&A reflects the current expectations of Management with respect to the Corporation's executive compensation program following the completion of the Offering. While there is no present intention to make any material changes to the Corporation's current executive compensation program, the Corporate Governance and Compensation Committee of the Board may review the Corporation's executive compensation program and, if determined appropriate, may make recommendations to the Board regarding changes to the program in light of relevant factors including the Corporation's status as a public company.

## ***Overview***

The Corporation's executive compensation program is administered by the Corporate Governance and Compensation Committee. As part of its mandate, the Corporate Governance and Compensation Committee reviews and recommends to the Board the remuneration of the NEOs. The Corporate Governance and Compensation Committee is also responsible for reviewing the Corporation's compensation policies, compensation matrix and guidelines generally. For a description of the Corporate Governance and Compensation Committee and its current members, see the Corporation's Statement of Corporate Governance Practices in "*Corporate Governance*".

## **Compensation Philosophy and Objectives of the Compensation Program**

The Corporation's compensation program intends to seek to encourage growth in reserves, production, cash flow and earnings while focusing on achieving attractive returns on capital in order to enhance shareholder value. To achieve these objectives, the Corporation believes it is critical to create and maintain a compensation program that will attract and retain committed, highly qualified personnel by providing appropriate rewards and incentives, motivate their performance in order to achieve the Corporation's strategic objectives and align the interests of executive officers with the long-term interests of the Corporation's shareholders and enhancement in share value.

## ***Components of Compensation***

The Corporation compensates its NEOs through the following: (i) base salary; (ii) discretionary cash bonuses paid from time to time based on performance; and (iii) long-term incentive compensation comprised of grants of Options at levels which the Corporate Governance and Compensation Committee believes are reasonable in light of the performance of the Corporation.

### *Base Salary*

Base salaries are intended to compensate each NEO's core competencies, skills, experience and contribution to the Corporation. The Corporate Governance and Compensation Committee believes that base salaries should be competitive but total compensation should be weighted toward variable, long term performance-based components.

### *Cash Bonus*

Discretionary cash bonuses are intended to motivate and reward the accomplishment of specific business and operating objectives within a defined period. Cash bonuses are paid at the discretion of the Board on the recommendation of the Corporate Governance and Compensation Committee, based upon the achievement of certain corporate objectives. Cash bonuses awarded by the Corporate Governance and Compensation Committee are intended to be generally competitive with the market. The Corporate Governance and Compensation Committee considers the Corporation's performance during the year with respect to the qualitative goals in the context of market and economic trends and forces, extraordinary internal and market-driven events, unanticipated developments and other extenuating circumstance in making bonus determinations.

Proposed cash bonuses for NEOs, excluding the President and Chief Executive Officer, will be recommended by the President and Chief Executive Officer, reviewed by the Corporate Governance and Compensation Committee, and, if deemed appropriate, recommended to the Board for approval. Any cash bonus to be paid to the Chief Executive Officer will be determined by the Board based on recommendations received from the Corporate Governance and Compensation Committee.

*[REMAINDER OF THIS PAGE INTENTIONALLY BLANK]*

### *Option Awards*

The Corporation has adopted an incentive stock option plan which is administered by the Board. The Option Plan provides that the Board may from time to time, in its discretion, and in accordance with the CSE requirements, grant to directors, officers and technical consultants to the Corporation, non-transferable, non-assignable Options, provided that the number of Common Shares reserved for issuance will not exceed 10% of the issued and outstanding Common Shares. In connection with the foregoing, the number of Common Shares reserved for issuance to any one person in any twelve month period will not exceed 5% of the issued and outstanding Common Shares unless the Corporation has obtained disinterested shareholder approval in respect of such grant and meets applicable CSE requirements. In addition: (i) the number of Common Shares reserved for issuance to any one technical consultant will not exceed 2% of the issued and outstanding Common Shares; and (ii) the number of Common Shares reserved for issuance to persons providing investor relations activities will not exceed 2% of the issued and outstanding Common Shares. Subject to the following, Options must be exercised within a 90 days following cessation of the optionee's position with the Corporation, provided that if the cessation was by reason of death or disability, the Option may be exercised within a maximum period of one year after such death or disability, subject to the expiry date of such Option. The Option Plan is being replaced with a new plan that is similar to the old plan, but which replaces references only to the Capital Pool Company program.

The exercise price of the Options shall be determined by the Board at the time any Option is granted. In no event shall such exercise price be lower than the exercise price permitted by the CSE. Subject to any vesting restrictions imposed by the CSE, the Board may, in its sole discretion, determine the time during which Options shall vest and the method of vesting, or that no vesting restriction shall exist.

As of the year ended December 31, 2023, 1,732,337 Options were outstanding (December 31, 2022: 1,382,337). During the year end, on April 19, 2023, the Corporation granted 350,000 Options to certain directors, officers and consultants of the Corporation, at a price of \$0.12 per Option, expiring on April 19, 2028. Subsequent to the year end, on March 21, 2024, the Corporation granted 1,000,000 Options to certain directors, officers and consultants of the Corporation, at a price of \$0.10 per Option, expiring on March 21, 2029.

As of the date of this Information Circular, **2,732,337** Options are outstanding.

### *Hedging Activities*

Although the Corporation has no formal hedging policy in place with respect to purchases of securities by NEOs or directors designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by such individuals, to the Corporation's knowledge, no NEO or director has hedged the economic value of his direct or indirect interests in the market value of the Corporation's Common Shares so held or granted as compensation.

### *Risk Assessment and Oversight*

The Board and Corporate Governance and Compensation Committee are keenly aware of the fact that compensation practices can have unintended risk consequences. The Corporate Governance and Compensation Committee will continually review the Corporation's compensation policies to identify any practice that might encourage an employee to expose the Corporation to unacceptable risks. At the present time, the Corporate Governance and Compensation Committee is satisfied that the current executive compensation program does not encourage the Corporation's executives to expose the business to inappropriate risk. The Corporate Governance and Compensation Committee takes a conservative approach to executive compensation rewarding individuals for the success of the Corporation once that success has been demonstrated and incenting them to continue that success through the grant of long-term incentive awards. In addition, the number of options a particular NEO is entitled to receive is limited by the Option Plan.

## CORPORATE GOVERNANCE

### General

Corporate governance refers to the policies and structure of the board of directors of a company, whose members are elected by and are accountable to the shareholders of the company. Corporate governance encourages establishing a reasonable degree of independence of the board of directors from executive management and the adoption of policies to ensure the board of directors recognizes the principles of good management. The Board is committed to sound corporate governance practices, as such practices are both in the interests of shareholders and help to contribute to effective and efficient decision making.

### Board of Directors

Pursuant to National Instrument 58-101, a director is independent if the director has no direct or indirect relationship with the issuer which could, in the view of the issuer's board of directors, be reasonably expected to interfere with the exercise of a member's independent judgment. Certain directors are deemed to have a material relationship with the issuer by virtue of their position or relationship with the Corporation. The Board is currently comprised of three (3) members. Currently two (2) directors are independent. In assessing whether a director is independent for these purposes, the circumstances of each director have been examined in relation to a number of factors.

The independent members of the Board are Douglas B. Coleman and Robert W. Lishman. The non-independent member of the Board is Darcy J. Christian (President, CEO and Corporate Secretary).

Directors are expected to attend all meetings of the Board and are also expected to prepare thoroughly in advance of each meeting in order to actively participate in the deliberations and decisions.

The Board recognizes the importance of ongoing director education and the need for each director to take personal responsibility for this process. The Board notes that it has benefited from the experience and knowledge of individual members of the Board in respect of the evolving governance regime and principles. The Board ensures that all directors are apprised of changes in the Corporation's operations and business.

### Ethical Business Conduct

The Board is apprised of the activities of the Corporation and ensures that it conducts such activities in an ethical manner. The Board has not adopted a written code of business conduct and ethics, however, the Board encourages and promotes an overall culture of ethical business conduct by promoting compliance with applicable laws, rules and regulations; providing guidance to consultants, officers and directors to help them recognize and deal with ethical issues; promoting a culture of open communication, honesty and accountability; and ensuring awareness of disciplinary actions for violations of ethical business conduct. In particular, the Board ensures that directors exercise independent judgment in considering transactions and certain activities of the Corporation by holding in camera sessions of independent directors, when applicable, and by having each director declare his or her interest in a particular transaction and abstaining from voting on such matters, where applicable.

### Nomination of Directors

The Board is largely responsible for identifying new candidates for nomination to the Board and does not have a separate nominating committee. The process by which candidates are identified is through recommendations presented to the Board, which establishes and discusses qualifications based on corporate law and regulatory requirements as well as education and experience related to the business of the Corporation.

## Compensation

The Board is responsible for determining the compensation of the directors and Chief Executive Officer of the Corporation. #### 2. Administration

The Plan shall be administered by the Board of Directors of the Corporation or by a special committee of the directors appointed from time to time by the Board of Directors of the Corporation pursuant to rules of procedure fixed by the Board of Directors (such committee or, if no such committee is appointed, the Board of Directors of the Corporation, is hereinafter referred to as the "Board"). A majority of the Board shall constitute a quorum, and the acts of a majority of the directors present at any meeting at which a quorum is present, or acts unanimously approved in writing, shall be the acts of the directors.

Each option granted hereunder may be evidenced by an agreement in writing, signed on behalf of the Corporation and by the optionee, in such form as the Board shall approve. Each such agreement shall recite that it is subject to the provisions of this Plan.

Each option granted by the Corporation prior to the date of the approval of the Plan by the shareholders of the Corporation, including options granted under previously approved stock option plans of the Corporation, be and are continued under and shall be subject to the terms of the Plan after the Plan has been approved by the shareholders of the Corporation.

The aggregate number of Shares issuable upon the exercise of all options granted under the Plan shall not exceed 10% of the issued and outstanding common shares of the Corporation from time to time. If any option granted hereunder shall expire or terminate for any reason in accordance with the terms of the Plan without being exercised, the unpurchased Shares subject thereto shall again be available for the purpose of this Plan.

#### 5. Maintenance of Sufficient Capital

- (e) The exercise of any option will be contingent upon receipt by the Corporation at its head office of a written notice of exercise, specifying the number of Shares with respect to which the option is being exercised, accompanied by cash payment, certified cheque or bank draft for the full purchase price of such Shares with respect to which the option is exercised. No Participant or his legal representatives, legatees or distributees will be, or will be deemed to be, a holder of any common shares of the Corporation unless and until the certificates for Shares issuable pursuant to options under the Plan are issued to him or them under the terms of the Plan.

#### **11. Ceasing To Be a Director, Officer, Consultant or Employee**

If a Participant shall cease to be a director, officer, consultant, employee of the Corporation, or its subsidiaries, or ceases to be a Management Company Employee, for any reason (other than death), such Participant may exercise his option to the extent that the Participant was entitled to exercise it at the date of such cessation, provided that such exercise must occur within 90 days, or such other time period approved by the board of directors, which shall not exceed 12 months after the Participant ceases to be a director, officer, consultant, employee or a Management Company Employee, unless such Participant was engaged in investor relations activities, in which case such exercise must occur within 30 days after the cessation of the Participant's services to the Corporation.

**18. Necessary Approvals**

The ability of a Participant to exercise options and the obligation of the Corporation to issue and deliver Shares in accordance with the Plan is subject to any approvals which may be required from shareholders of the Corporation and any regulatory authority or stock exchange having jurisdiction over the securities of the Corporation.
