

WESTMOUNT ANNOUNCES CHANGE OF AUDITORS

Vancouver, British Columbia, November 3, 2022: Westmount Minerals Corp. ("**Westmount**" or the "**Company**") (CSE: **WMC**) announces that it has changed its auditor from Harbourside CPA, LLP (the "Former Auditor") to Davidson & Company LLP (the "Successor Auditor") effective November 1, 2022. The board of directors of the Company appointed the Successor Auditor as the new auditor until the next Annual General Meeting of the Company or until such time as determined by the Board of Directors.

There are no disagreements or consultations (as those terms are defined in NI 51-102) in connection with the change of auditor nor have there been any reservations or modifications in the Former Auditor's reports on the Company's financial statements relating to the period during which it was auditor.

The Company has sent a Notice of Change of Auditor (the "Notice") to the Former Auditor and to the Successor Auditor and has received a letter from each, addressed to the securities commissions in each of British Columbia, Alberta and Ontario stating that they agree with the information contained in the Notice. The Notice, together with the letters from the Former Auditor and the Successor Auditor and the cover letter are available on www.sedar.com.

About Westmount Minerals Corp.

Westmount is focused on mineral exploration in the Americas. The Company is advancing the Douay East gold property located within the greater Abitibi Greenstone Belt region in Quebec to the drill stage. In addition, the Company is exploring the recently acquired Otatakan and East Pilot lithium properties located in northwestern Ontario, a region where numerous lithium deposits have been delineated.

Forward-Looking Statements:

This news release includes certain forward-looking statements and forward-looking information (collectively, "forward-looking statements") within the meaning of applicable Canadian securities legislation. All statements, other than statements of historical fact, included herein including, without limitation, statements regarding future capital expenditures, anticipated content, commencement, and cost of exploration programs in respect of the Company's projects and mineral properties, anticipated exploration program results from exploration activities, resources and/or reserves on the Company's projects and mineral properties, and the anticipated business plans and timing of future activities of the Company, are forward-looking statements. Although the Company believes that such statements are reasonable, it can give no assurance that such expectations will prove to be correct. Often, but not always, forward looking information can be identified by words such as "pro forma", "plans", "expects", "will", "may", "should", "budget", "scheduled", "estimates", "forecasts", "intends", "anticipates", "believes", "potential" or variations of such words including negative variations thereof, and phrases that refer to certain actions, events or results that may, could, would, might or will occur or be taken or achieved. In making the forward-looking statements in this news release, the Company has applied several material assumptions, including without limitation, that market fundamentals will result in sustained precious and base metals demand and prices, the receipt of any necessary permits, licenses and regulatory approvals in connection with the future exploration of the Company's properties, that the COVID-19 global pandemic will not affect the ability of the Company to conduct future exploration of the Company's properties, the availability of financing on suitable terms, and the Company's ability to comply with environmental, health and safety laws.

Forward-looking statements involve known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements of the Company to differ materially from any future results, performance or achievements expressed or implied by the forward-looking statements. Such risks and other factors include, among others, statements as to the anticipated business plans and timing of future activities of the Company, including the Company's option to acquire its Projects, the proposed expenditures for exploration work thereon, the ability of the Company to obtain sufficient financing to fund its business activities and plans, delays in obtaining governmental and regulatory approvals (including of the Canadian Securities Exchange), permits or financing, changes in laws, regulations and policies affecting mining operations, risks relating to epidemics or pandemics such as COVID-19, including the impact of COVID-19 on the Company's business, financial condition and results of operations, the Company's limited operating history, currency fluctuations, title disputes or claims, environmental issues and liabilities, as well as those factors discussed under the heading "Risk Factors" in the Company's prospectus dated February 14, 2022, and other filings of the Company with the Canadian Securities Authorities, copies of which can be found under the Company's profile on the SEDAR website at www.sedar.com.

Readers are cautioned not to place undue reliance on forward-looking statements. The Company undertakes no obligation to update any of the forward-looking statements in this news release except as otherwise required by law.
