ITEM 1.01. Entry into a Material Definitive Agreement.

On July 26, 2024, Jones Soda Co. (the “Company”) issued 7,535,000 units (the “Units”) at \$0.40 per Unit, for aggregate gross proceeds of \$3,013,960 (the “First Offering Tranche”), with each Unit being composed of: (i) one (1) common share in the capital of the Company (each, a “Common Share”); and (ii) one-half (1/2) of one detachable share purchase warrant (each whole warrant, a “Warrant”). Each whole Warrant will be exercisable into one Common Share (each, a “Warrant Share”) at a price of \$0.50 per Warrant Share for a period of 24 months from the date of issuance, subject to the Company having the right at its option to accelerate the expiry date of the Warrants to the date that is 30 days following delivery of a notice of acceleration to holders of Warrants if at any time the closing price of the Common Shares on the OTCQB or other stock exchange or over-the-counter market in the United States or on the Canadian Securities Exchange (the “CSE”) exceeds \$0.80 (for the purposes of the CSE, the equivalent in Canadian dollars based on the daily exchange rate published by the Bank of Canada) for a period of five (5) consecutive trading days (the “Warrant Exercise Period”). Each whole Warrant may be exercised anytime during the Warrant Exercise Period upon the voluntary election to exercise by the Warrant holder.

On July 31, 2024, the Company issued an additional 1,600,000 Units at \$0.40 per Unit, for aggregate gross proceeds of \$640,000 (the “Second Offering Tranche”, and together with the First Offering Tranche, the “Offering”).

The Units are being offered and sold in the Offering: (i) in the United States to accredited investors in reliance on Rule 506(b) of Regulation D under the Securities Act of 1933, as amended (the “Securities Act”); and (ii) outside the United States to non-U.S. persons in reliance on Regulation S under the Securities Act.

In connection with the issuance of the Units in the Offering, the Company signed on July 26, 2024, a registration rights agreement with each of the purchasers in the Units in the First Offering Tranche (the “Initial Registration Rights Agreement”). Pursuant to the terms of the Initial Registration Rights Agreement, the Company is required to file a registration statement with the United States Securities and Exchange Commission (the “SEC”) within 30 days from the closing of the First Offering Tranche that registers for resale the Common Shares issued in the Offering as well as the Common Shares issuable upon the exercise of the Warrants. The failure on the part of the Company to file the registration statement with the SEC within this timeframe may subject the Company to payment of certain monetary penalties. In connection with the closing of the Second Offering Tranche on July 31, 2024, the Company entered into a second registration rights agreement with the purchasers of the Units in the Second Offering Tranche (the “Second Registration Rights Agreement” and together with the “Initial Registration Rights Agreement”, the “Registration Rights Agreements”). The Second Registration Rights Agreement contained almost identical terms to the Initial Registration Rights Agreement.

The foregoing description of the Warrants and the Registration Rights Agreements does not purport to be complete and is qualified in its entirety by reference to the full text of the forms of Warrant and Registration Rights Agreement, which are attached to this Current Report on Form 8-K as Exhibits 4.1 and 10.1, respectively, and are incorporated into this Item 1.01 by reference.

ITEM 3.02. Unregistered Sales of Equity Securities.

The information contained or incorporated in Item 1.01 of this Current Report on Form 8-K is incorporated herein by reference.

On July 29, 2024, the Company issued a press release announcing the closing of the First Offering Tranche. A copy of such press release is attached hereto as Exhibit 99.1 and is incorporated herein by reference.

On August 1, 2024, the Company issued a press release announcing the closing of the Second Offering Tranche. A copy of such press release is attached hereto as Exhibit 99.2 and is incorporated herein by reference.

These press releases were each issued pursuant to and in accordance with Rule 135c under the Securities Act.

**NON TRANSFERABLE WARRANTS TO PURCHASE
COMMON SHARES OF JONES SODA CO.**

Warrant Certificate Number: WC – []

Number of Warrants: []

THIS IS TO CERTIFY THAT for value received, [] , [] (the "Warranholder") has the right to purchase, in respect of each whole warrant ("Warrants") represented by this certificate or by a replacement certificate (in either case this "Warrant Certificate"), at any time prior to 5:00 p.m. (Seattle Time) on [], 2026, subject to the occurrence of an Acceleration Event (as defined below) (the "Expiry Time"), one fully paid and non-assessable share of common stock ("Common Shares") and which term shall include any shares or other securities to be issued in addition thereto or in substitution or replacement therefor as provided herein) of JONES SODA CO. (the "Corporation"), a corporation incorporated under the laws of the State of Washington, as constituted on the date hereof at a purchase price (the purchase price in effect from time to time being called the "Exercise Price") of USD\$0.50 per Common Share, subject to adjustment as provided herein. The Warranholder covenants and agrees that the exercise of any of the Warrants hereunder is subject to a restriction such that the number of Common Shares held by the Warranholder cannot, at any time, equal or exceed 10% of the total number of Common Shares outstanding, unless the Canadian Securities Exchange (the "Exchange") has previously received a Form 3-Personal Information Form of the Exchange (a "PIF") completed by the Warranholder (and if not an individual, a PIF for each director, officer and person who beneficially, directly or indirectly, owns, controls or exercises direction over 20% or more of the voting rights of such non-individual) and has accepted such form or has accepted the Warranholder as a "Related Person" (as defined by the Exchange) of Corporation, in both cases, upon completion, at the Exchange's satisfaction, of the applicable background search.

If at any time prior to the expiry of the Warrants and following the closing trading price of the underlying Common Shares on either the OTCQB Venture Marketplace or other stock exchange or over-the-counter market in the United States where the Common Shares are then trading, or on the Exchange or other securities exchange in Canada where the Common Shares are then trading, exceeds USD\$0.80, or in the case of the Exchange or other applicable securities exchange in Canada, the equivalent in Canadian dollars based on the daily exchange rate published by the Bank of Canada (provided that such price shall be adjusted in the same manner as the Exercise Price as provided for herein) for a period of five consecutive trading days, the Corporation may deliver a notice to the Warranholder (an "Acceleration Event") accelerating the Expiry Time of the Warrants to the date that is 30 calendar days following the date of such notice (the "Accelerated Exercise Time"), and if an Acceleration Event occurs, any unexercised Warrants will automatically expire at the end of the Accelerated Exercise Time

Nothing contained herein shall confer any right upon the Warranholder to subscribe for or purchase any Common Shares at any time after the Expiry Time, including at any time after the end of the Accelerated Exercise Time, if applicable, and from and after the Expiry Time, including the end of the Accelerated Exercise Time, if applicable, the Warrants and all rights under this Warrant Certificate shall be void and of no value.

The above provisions are subject to the following:

1. **Exercise:** In the event that the Warranholder desires to exercise the right to purchase Common Shares conferred hereby, the Warranholder shall (a) complete and execute a subscription form in the form attached as Schedule A to this Warrant Certificate, (b) surrender this Warrant Certificate to the Corporation and (c) pay the amount payable in respect of the Common Shares subscribed for, pursuant to the exercise of such Warrants, by certified cheque, bank draft, or money order in lawful money of the United States payable to the Corporation or by transmitting same day funds in lawful money of the United States by wire to such account as the Corporation shall direct the Warranholder. Upon such surrender and payment as aforesaid, the Warranholder shall be deemed for all purposes to be the holder of record of the number of Common Shares to be so issued and the Warranholder shall be entitled to delivery of a certificate or certificates representing such Common Shares, or DRS statements providing for the issuance of such Common Shares and the Corporation shall cause such certificate or certificates or DRS statements to be delivered to the Warranholder at the address specified in the subscription form within five (5) Business Days after such surrender and payment as aforesaid.

2. Neither the Warrant represented by this Warrant Certificate nor the Common Shares issuable upon exercise of the Warrant have been registered under the United States Securities Act of 1933, as amended (the “**1933 Act**”) nor under the securities laws of any state of the United States. The Warrants represented by this Warrant Certificate may not be exercised in the United States or by, or for the account or benefit of, a U.S. Person or person in the United States and no Common Shares issuable upon exercise of the Warrant will be delivered to any address in the United States unless: (i) the Common Shares issuable upon exercise of the Warrant are registered under the 1933 Act and under the securities laws of any applicable state in the United States, or (ii) such Common Shares are issued pursuant to an exemption from the registration requirements of the 1933 Act and any applicable state securities laws. The terms “United States” and “U.S. Person” are as defined in Regulation S under the 1933 Act
3. **No Fractional Common Shares:** No fractional Common Shares will be issuable upon any exercise of the Warrants and the Warrantholder will not be entitled to any cash payment or compensation in lieu of a fractional Common Share.
4. **Partial Exercise:** The Warrantholder may from time to time subscribe for and purchase any lesser number of Common Shares than the number of Common Shares expressed in this Warrant Certificate. In the event that the Warrantholder subscribes for and purchases any such lesser number of Common Shares prior to the Expiry Time, the Warrantholder shall be entitled to receive a replacement certificate representing the unexercised balance of the Warrants.
5. **Not a Shareholder:** The holding of the Warrants shall not constitute the Warrantholder a shareholder of the Corporation nor entitle the Warrantholder to any right or interest in respect thereof except as expressly provided in this Warrant Certificate.
6. **Anti-Dilution Protection:**
 - (1) **Definitions:** For the purposes of this section 5, unless there is something in the subject matter or context inconsistent therewith, the words and terms defined below shall have the respective meanings specified therefor in this subsection 5(1):
 - (a) “Adjustment Period” means the period commencing on the date of issue of the Warrants and ending at the Expiry Time;
 - (b) “[“Current Market Price” of the Common Shares at any date means the price per share equal to the weighted average price at which the Common Shares have traded on the Exchange or, if the Common Shares are not then listed on the Exchange, on such other Canadian stock exchange as may be selected by the directors of the Corporation for such purpose or, if the Common Shares are not then listed on any Canadian stock exchange, in the over-the-counter market, during the period of 20 consecutive Trading Days ending five trading days before such date; provided that the weighted average price shall be determined by dividing the aggregate sale price of all Common Shares sold on the said exchange or market, as the case may be, during such 20 consecutive Trading Days by the total number of Common Shares so sold; and provided further that if the Common Shares are not then listed on any Canadian stock exchange or traded in the over-the-counter market, then the Current Market Price shall be determined by a firm of independent chartered accountants selected by the directors of the Corporation;
 - (c) “Director” means a director of the Corporation for the time being and, unless otherwise specified herein, a reference to action “by the directors” means action by the directors of the Corporation as a board or, whenever empowered, action by any committee of the directors of the Corporation; and

- (d) "Trading Day" with respect to a stock exchange or over-the-counter market means a day on which such stock exchange or market is open for business.
- (2) **Adjustments:** The Exercise Price and the number of Common Shares issuable to the Warrantholder upon the exercise of the Warrants shall be subject to adjustment from time to time in the events and in the manner provided as follows:
- (a) If at any time during the Adjustment Period the Corporation shall:
- (i) fix a record date for the issue of, or issue, Common Shares to the holders of all or substantially all of the outstanding Common Shares by way of a stock dividend;
 - (ii) fix a record date for the distribution to, or make a distribution to, the holders of all or substantially all of the outstanding Common Shares payable in Common Shares;
 - (iii) subdivide the outstanding Common Shares into a greater number of Common Shares; or
 - (iv) consolidate the outstanding Common Shares into a lesser number of Common Shares,
- (any of such events in subclauses 6(2)(a)(i), 6(2)(a)(ii), 6(2)(a)(iii) and 6(2)(a)(iv) above being herein called a "**Common Share Reorganization**"), the Exercise Price shall be adjusted on the earlier of the record date on which holders of Common Shares are determined for the purposes of the Common Share Reorganization and the effective date of the Common Share Reorganization to the amount determined by multiplying the Exercise Price in effect immediately prior to such record date or effective date, as the case may be, by a fraction:
- A. the numerator of which shall be the number of Common Shares outstanding on such record date or effective date, as the case may be, before giving effect to such Common Share Reorganization; and
 - B. the denominator of which shall be the number of Common Shares which will be outstanding immediately after giving effect to such Common Share Reorganization (including in the case of a distribution of securities exchangeable for or convertible into Common Shares the number of Common Shares that would have been outstanding had such securities been exchanged for or converted into Common Shares on such date).

To the extent that any adjustment in the Exercise Price occurs pursuant to this clause 6(2)(a) as a result of the fixing by the Corporation of a record date for the distribution of securities exchangeable for or convertible into Common Shares, the Exercise Price shall be readjusted immediately after the expiry of any relevant exchange or conversion right to the Exercise Price which would then be in effect based upon the number of Common Shares actually issued and remaining issuable after such expiry and shall be further readjusted in such manner upon the expiry of any further such right. Any Warrantholder who has not exercised his right to subscribe for and purchase Common Shares on or prior to the record date of such stock dividend or distribution or the effective date of such subdivision or consolidation, as the case may be, upon the exercise of such right thereafter prior to the Expiry Date shall be entitled to receive and shall accept in lieu of the number of Common Shares then subscribed for and purchased by such Warrantholder, at the Exercise Price determined in accordance with this clause 6(2)(a) the aggregate number of Common Shares that such Warrantholder would have been entitled to receive as a result of such Common Share Reorganization, if, on such record date or effective date, as the case may be, such Warrantholder had been the holder of record of the number of Common Shares so subscribed for and purchased.

(b) If at any time during the Adjustment Period the Corporation shall fix a record date for the issue or distribution to the holders of all or substantially all of the outstanding Common Shares of rights, options or warrants pursuant to which such holders are entitled, during a period expiring not more than 45 days after the record date for such issue (such period being the "**Rights Period**"), to subscribe for or purchase Common Shares or securities exchangeable for or convertible into Common Shares at a price per share to the holder (or in the case of securities exchangeable for or convertible into Common Shares, at an exchange or conversion price per share) at the date of issue of such securities of less than 95% of the Current Market Price of the Common Shares on such record date (any of such events being called a "**Rights Offering**"), the Exercise Price shall be adjusted effective immediately after the record date for such Rights Offering to the amount determined by multiplying the Exercise Price in effect on such record date by a fraction:

(i) the numerator of which shall be the aggregate of

A. the number of Common Shares outstanding on the record date for the Rights Offering, and

B. the quotient determined by dividing

(1) either (a) the product of the number of Common Shares offered during the Rights Period pursuant to the Rights Offering and the price at which such Common Shares are offered, or, (b) the product of the exchange or conversion price of the securities so offered and the number of Common Shares for or into which the securities offered pursuant to the Rights Offering may be exchanged or converted, as the case may be, by

(2) the Current Market Price of the Common Shares as of the record date for the Rights Offering; and

(ii) the denominator of which shall be the aggregate of the number of Common Shares outstanding on such record date and the number of Common Shares offered pursuant to the Rights Offering (including in the case of the issue or distribution of securities exchangeable for or convertible into Common Shares the number of Common Shares for or into which such securities may be exchanged or converted).

If by the terms of the rights, options, or warrants referred to in this clause 6(2)(b), there is more than one purchase, conversion or exchange price per Common Share, the aggregate price of the total number of additional Common Shares offered for subscription or purchase, or the aggregate conversion or exchange price of the convertible or exchangeable securities so offered, shall be calculated for purposes of the adjustment on the basis of the lowest purchase, conversion or exchange price per Common Share, as the case may be. Any Common Shares owned by or held for the account of the Corporation shall be deemed not to be outstanding for the purpose of any such calculation. To the extent that any adjustment in the Exercise Price occurs pursuant to this clause 6(2)(b) as a result of the fixing by the Corporation of a record date for the issue or distribution of rights, options or warrants referred to in this clause 6(2)(b), the Exercise Price shall be readjusted immediately after the expiry of any relevant exchange, conversion or exercise right to the Exercise Price which would then be in effect based upon the number of Common Shares actually issued and remaining issuable after such expiry and shall be further readjusted in such manner upon the expiry of any further such right.

(c) If at any time during the Adjustment Period the Corporation shall fix a record date for the issue or distribution to the holders of all or substantially all of the outstanding Common Shares of:

- (i) shares of the Corporation of any class other than Common Shares;
- (ii) rights, options or warrants to acquire Common Shares or securities exchangeable for or convertible into Common Shares (other than rights, options or warrants pursuant to which holders of Common Shares are entitled, during a period expiring not more than 45 days after the record date for such issue, to subscribe for or purchase Common Shares or securities exchangeable for or convertible into Common Shares at a price per share (or in the case of securities exchangeable for or convertible into Common Shares at an exchange or conversion price per share) at the date of issue of such securities to the holder of at least 95% of the Current Market Price of the Common Shares on such record date);
- (iii) evidences of indebtedness of the Corporation; or
- (iv) any property or assets of the Corporation;

and if such issue or distribution does not constitute a Common Share Reorganization or a Rights Offering (any of such non-excluded events being herein called a "**Special Distribution**"), the Exercise Price shall be adjusted effective immediately after the record date for the Special Distribution to the amount determined by multiplying the Exercise Price in effect on the record date for the Special Distribution by a fraction:

A. the numerator of which shall be the difference between:

- (1) the product of the number of Common Shares outstanding on such record date and the Current Market Price of the Common Shares on such record date, and
- (2) the fair value, as determined by the directors of the Corporation and subject to Exchange approval, to the holders of Common Shares of the shares, rights, options, warrants, evidences of indebtedness or property or assets to be issued or distributed in the Special Distribution, and

B. the denominator of which shall be the product obtained by multiplying the number of Common Shares outstanding on such record date by the Current Market Price of the Common Shares on such record date.

Any Common Shares owned by or held for the account of the Corporation shall be deemed not to be outstanding for the purpose of such calculation. To the extent that any adjustment in the Exercise Price occurs pursuant to this clause 6(2)(c) as a result of the fixing by the Corporation of a record date for the issue or distribution of rights, options or warrants to acquire Common Shares or securities exchangeable for or convertible into Common Shares referred to in this clause 6(2)(c), the Exercise Price shall be readjusted immediately after the expiry of any relevant exercise, exchange or conversion right to the amount which would then be in effect based upon the number of Common Shares issued and remaining issuable after such expiry and shall be further readjusted in such manner upon the expiry of any further such right.

- (d) If at any time during the Adjustment Period there shall occur:
- (i) a reclassification or redesignation of the Common Shares, a change of the Common Shares into other shares or securities or any other capital reorganization involving the Common Shares other than a Common Share Reorganization;
 - (ii) a consolidation, amalgamation, arrangement, merger or similar transaction of the Corporation with or into another body corporate which results in a reclassification or redesignation of the Common Shares or a change of the Common Shares into other shares or securities; or
 - (iii) the transfer of the undertaking or assets of the Corporation as an entirety or substantially as an entirety to another corporation or entity; (any of such events being called a "**Capital Reorganization**"), after the effective date of the Capital Reorganization the Warrantholder shall be entitled to receive, and shall accept, for the same aggregate consideration, upon exercise of the Warrants, in lieu of the number of Common Shares to which the Warrantholder was theretofore entitled upon the exercise of the Warrants, the kind and aggregate number of shares and other securities or property resulting from the Capital Reorganization which the Warrantholder would have been entitled to receive as a result of the Capital Reorganization if, on the effective date thereof, the Warrantholder had been the registered holder of the number of Common Shares which the Warrantholder was theretofore entitled to purchase or receive upon the exercise of the Warrants. If necessary, as a result of any such Capital Reorganization, appropriate adjustments shall be made in the application of the provisions of this Warrant Certificate with respect to the rights and interests thereafter of the Warrantholder to the end that the provisions shall thereafter correspondingly be made applicable as nearly as may reasonably be possible in relation to any shares or other securities or property thereafter deliverable upon the exercise of the Warrants.
- (e) If at any time during the Adjustment Period any adjustment or readjustment in the Exercise Price shall occur pursuant to the provisions of clause 6(2)(a), 6(2)(b) or 6(2)(c) of this Warrant Certificate, then the number of Common Shares purchasable upon the subsequent exercise of the Warrants shall be simultaneously adjusted or readjusted, as the case may be, by multiplying the number of Common Shares purchasable upon the exercise of the Warrants immediately prior to such adjustment or readjustment by a fraction which shall be the reciprocal of the fraction used in the adjustment or readjustment of the Exercise Price.
- (3) Rules: The following rules and procedures shall be applicable to adjustments made pursuant to subsection 6(2) hereof:
- (a) Subject to the following clauses of this subsection 6(3), any adjustment made pursuant to subsection 6(2) hereof shall be made successively whenever an event referred to therein shall occur.
 - (b) No adjustment in the Exercise Price shall be required unless such adjustment would result in a change of at least one per cent in the then Exercise Price and no adjustment shall be made in the number of Common Shares purchasable or issuable on the exercise of the Warrants unless it would result in a change of at least one one-hundredth of a Common Share; provided, however, that any adjustments which except for the provision of this clause 6(3)(b) would otherwise have been required to be made shall be carried forward and taken into account in any subsequent adjustment.

- (c) No adjustment in the Exercise Price or in the number or kind of securities purchasable upon the exercise of the Warrants shall be made in respect of any event described in section 6 hereof if the Warrantholder is entitled to participate in such event on the same terms *mutatis mutandis* as if the Warrantholder had exercised the Warrants prior to or on the record date or effective date, as the case may be, of such event.
- (d) If at any time during the Adjustment Period the Corporation shall take any action affecting the Common Shares, other than an action described in subsection 6(2) hereof, which in the opinion of the directors would have a material adverse effect upon the rights of Warrantholders, either, or both, the Exercise Price and the number of Common Shares purchasable upon exercise of Warrants shall be adjusted in such manner and at such time by action by the directors, in their sole discretion, subject to Exchange approval, as may be equitable in the circumstances. Failure of the taking of action by the directors so as to provide for an adjustment prior to the effective date of any action by the Corporation affecting the Common Shares shall be deemed to be conclusive evidence that the directors have determined that it is equitable to make no adjustment in the circumstances.
- (e) If the Corporation shall set a record date to determine holders of Common Shares for the purpose of entitling such holders to receive any dividend or distribution or any subscription or purchase rights and shall, thereafter and before the distribution to such holders of any such dividend, distribution or subscription or purchase rights, legally abandon its plan to pay or deliver such dividend, distribution or subscription or purchase rights, then no adjustment in the Exercise Price or the number of Common Shares purchasable upon exercise of the Warrant shall be required by reason of the setting of such record date.
- (f) In any case in which this Warrant Certificate shall require that an adjustment shall become effective immediately after a record date for an event referred to in subsection 6(2) hereof, the Corporation may defer, until the occurrence of such event:
 - (i) issuing to the Warrantholder, to the extent that the Warrants are exercised after such record date and before the occurrence of such event, the additional Common Shares or other securities issuable upon such exercise by reason of the adjustment required by such event; and
 - (ii) delivering to the Warrantholder any distribution declared with respect to such additional Common Shares or other securities after such record date and before such event;provided, however, that, upon request by the Warrantholder, the Corporation shall deliver to the Warrantholder an appropriate instrument evidencing the right of the Warrantholder upon the occurrence of the event requiring the adjustment, to an adjustment in the Exercise Price or the number of Common Shares purchasable upon the exercise of the Warrants and to such distribution declared with respect to any such additional Common Shares issuable on the exercise of the Warrants.
- (g) In the absence of a resolution of the directors fixing a record date for a Rights Offering, the Corporation shall be deemed to have fixed as the record date therefor the date of the issue of the rights, options or warrants issued pursuant to the Rights Offering.

- (h) If a dispute shall at any time arise with respect to adjustments of the Exercise Price or the number of Common Shares purchasable upon the exercise of the Warrants, such disputes shall be conclusively determined by the auditors of the Corporation or if they are unable or unwilling to act, by such other firm of independent chartered accountants as may be selected by the directors and any such determination shall be conclusive evidence of the correctness of any adjustment made pursuant to subsection 6(2) hereof and shall be binding upon the Corporation and the Warrantholder.
- (4) **Notice:** At least 15 days prior to the earlier of the record date or effective date of any event which requires or might require an adjustment in any of the rights of the Warrantholder under this Warrant Certificate, including the Exercise Price or the number of Common Shares which may be purchased under this Warrant Certificate, the Corporation shall deliver to the Warrantholder a certificate of the Corporation specifying the particulars of such event and, if determinable, the required adjustment and the calculation of such adjustment. If it is not reasonably practicable for the Corporation to give 15 days' notice as aforesaid, the Corporation will give as much notice as is reasonably practicable in the circumstances.
7. **Further Assurances:** The Corporation hereby covenants and agrees that it will do, execute, acknowledge and deliver, or cause to be done, executed, acknowledged and delivered, all and every such other act, deed and assurance as the Warrantholder shall reasonably require for the better accomplishing and effectuating of the intentions and provisions of this Warrant Certificate.
8. **Notices:** All notices or other communications to be given to the Warrantholder by the Corporation under this Warrant Certificate shall be delivered by hand, courier, ordinary prepaid mail or by telecopier or email; and, if delivered by courier or hand, shall be deemed to have been given on the delivery date, if delivered by ordinary prepaid mail, on the fifth Business Day following the date of sending, and, if sent by telecopier or email, on the date of transmission if sent before 5:00 p.m. on a Business Day or, if such day is not a Business Day, on the first Business Day following the date of transmission.
- Notices to the Warrantholder shall be addressed to the address of the Warrantholder set out on the face page of this Warrant Certificate.

(a) On or prior to each Filing Date, the Company shall prepare and file with the Commission a Registration Statement covering the resale of all of the Registrable Securities that are not then registered on an effective Registration Statement for an offering to be made on a continuous basis pursuant to Rule 415. Each Registration Statement filed hereunder shall be on Form S-1 (except if the Company then eligible to register for resale the Registrable Securities on Form S-3, in which case such registration shall be on a Form S-3) and shall contain (unless otherwise directed by at least 85% in interest of the Holders) substantially the “Plan of Distribution” attached hereto as Annex A and substantially the “Selling Stockholder” section attached hereto as Annex B; provided, however, that no Holder shall be required to be named as an “underwriter” without such Holder’s express prior written consent. Subject to the terms of this Agreement, the Company shall use its best efforts to cause a Registration Statement filed under this Agreement (including, without limitation, under Section 3(c)) to be declared effective under the Securities Act as promptly as possible after the filing thereof, but in any event no later than the applicable Effectiveness Date, and shall use its best efforts to keep such Registration Statement continuously effective under the Securities Act until the date that all Registrable Securities covered by such Registration Statement (i) have been sold thereunder, or (ii) may be sold without volume or manner-of-sale restrictions pursuant to Rule 144 and without the requirement for the Company to be in compliance with the current public information requirement under Rule 144, as determined by the counsel to the Company pursuant to a written opinion letter to such effect, addressed and acceptable to the Transfer Agent and the affected Holders (the “Effectiveness Period”). The Company shall immediately notify the Holders via facsimile or by e-mail of the effectiveness of a Registration Statement. The Company shall, promptly after the effective date of such Registration Statement, file a final Prospectus with the Commission as required by Rule 424. Failure to so notify the Holder within one (1) Trading Day of such notification of effectiveness or failure to file a final Prospectus as foreseen shall be deemed an Event under Section 2(d).

(b) Notwithstanding the registration obligations set forth in Section 2(a), if the Commission informs the Company that all of the Registrable Securities cannot, as a result of the application of Rule 415, be registered for resale as a secondary offering on a single registration statement, the Company agrees to promptly inform each of the Holders thereof and use its commercially reasonable efforts to file amendments to the Initial Registration Statement, as soon as practicable, as required by the Commission, covering the maximum number of Registrable Securities permitted to be registered by the Commission, on Form S-1 (or Form S-3, if available) or such other form available to register for resale the Registrable Securities as a secondary offering, subject to the provisions of Section 2(f); with respect to filing on Form S-1 or other appropriate form, and subject to the provisions of Section 2(d) with respect to the payment of liquidated damages; provided, however, that prior to filing such amendment, the Company shall be obligated to use diligent efforts to advocate with the Commission for the registration of all of the Registrable Securities in accordance with the SEC Guidance, including without limitation, Compliance and Disclosure Interpretation 612.09.

(c) Notwithstanding any other provision of this Agreement and subject to the payment of liquidated damages pursuant to Section 2(d), if the Commission or any SEC Guidance sets forth a limitation on the number of Registrable Securities permitted to be registered on a particular Registration Statement as a secondary offering (and notwithstanding that the Company used diligent efforts to advocate with the Commission for the registration of all or a greater portion of Registrable Securities), unless otherwise directed in writing by a Holder as to its Registrable Securities, the number of Registrable Securities to be registered on such Registration Statement will be reduced by reducing or eliminating any securities to be included other than Registrable Securities.

In the event of a cutback hereunder, the Company shall give the Holder at least five (5) Trading Days prior written notice along with the calculations as to such Holder's allotment. In the event the Company amends the Initial Registration Statement in accordance with the foregoing, the Company will use its best efforts to file with the Commission, as promptly as allowed by Commission or SEC Guidance provided to the Company or to registrants of securities in general, one or more registration statements on Form S-1 (or Form S-3 if available) or such other form available to register for resale those Registrable Securities that were not registered for resale on the Initial Registration Statement, as amended.

(d) If: (i) the Initial Registration Statement is not filed on or prior to its Filing Date or (ii) a Registration Statement registering for resale all of the Registrable Securities is not declared effective by the Commission by the Effectiveness Date of the Initial Registration Statement, or (iii) after the effective date of a Registration Statement, such Registration Statement ceases for any reason to remain continuously effective as to all Registrable Securities included in such Registration Statement, or the Holders are otherwise not permitted to utilize the Prospectus therein to resell such Registrable Securities, for more than fifteen (15) consecutive calendar days or more than an aggregate of twenty (20) calendar days (which need not be consecutive calendar days) during any 12-month period (any such failure or breach being referred to as an "Event", and for purposes of clauses (i) and (ii), the date on which such Event occurs, and for purpose of clause (iii) the date on which such fifteen (15) or twenty (20) calendar day period, as applicable, is exceeded being referred to as "Event Date"), then, in addition to any other rights the Holders may have hereunder or under applicable law, on each such Event Date and on each monthly anniversary of each such Event Date (if the applicable Event shall not have been cured by such date) until the applicable Event is cured, the Company shall pay to each Holder an amount in cash, as partial liquidated damages and not as a penalty, their pro-rated portion of US\$75,000, within five (5) Trading Days of the Event Date and on every thirtieth (30th) day (pro-rated for periods totaling less than 30 days) thereafter, up to a maximum of US\$750,000 in aggregate liquidation damages. The forgoing liquidated damages shall not apply if the Registrable Securities may be sold without volume or manner-of-sale restrictions pursuant to Rule 144 at the time the Event occurs, provided that the Company shall also be in compliance with the current public information requirement under Rule 144 to the extent required. If the Company fails to pay any partial liquidated damages pursuant to this Section in full within ten (10) calendar days after the date payable, the Company will pay interest thereon at a rate of 12% per annum (or such lesser maximum amount that is permitted to be paid by applicable law) to the Holder, accruing daily from the date such partial liquidated damages are due until such amounts, plus all such interest thereon, are paid in full. The partial liquidated damages pursuant to the terms hereof shall apply on a daily pro rata basis for any portion of a month prior to the cure of an Event.

(e) [Reserved]

(f) Notwithstanding anything to the contrary contained herein, in no event shall the Company be permitted to name any Holder or affiliate of a Holder as any underwriter without the prior written consent of such Holder.

3. Registration Procedures.

In connection with the Company's registration obligations hereunder, the Company shall:

(a) Not less than five (5) Trading Days prior to the filing of each Registration Statement and not less than one (1) Trading Day prior to the filing of any related Prospectus or any amendment or supplement thereto, the Company shall (i) furnish to each Holder copies of all such documents proposed to be filed, which documents will be subject to the review of such Holders, and (ii) cause its officers and directors, counsel and independent registered public accountants to respond to such inquiries as shall be necessary, in the reasonable opinion of respective counsel to each Holder, to conduct a reasonable investigation within the meaning of the Securities Act. The Company shall not file a Registration Statement or any such Prospectus or any amendments or supplements thereto to which the Holders of a majority of the Registrable Securities shall reasonably object in good faith, provided that, the Company is notified of such objection in writing no later than five (5) Trading Days after the Holders have been so furnished copies of a Registration Statement or one (1) Trading Day after the Holders have been so furnished copies of any related Prospectus or amendments or supplements thereto. Each Holder agrees to furnish to the Company a completed questionnaire in the form attached to this Agreement as Annex B (a "Selling Stockholder Questionnaire") on a date that is not less than two (2) Trading Days prior to the Filing Date or by the end of the fourth (4th) Trading Day following the date on which such Holder receives draft materials in accordance with this Section.

(b)(i) Prepare and file with the Commission such amendments, including post-effective amendments, to a Registration Statement and the Prospectus used in connection therewith as may be necessary to keep a Registration Statement continuously effective as to the applicable Registrable Securities for the Effectiveness Period and prepare and file with the Commission such additional Registration Statements in order to register for resale under the Securities Act all of the Registrable Securities, (ii) cause the related Prospectus to be amended or supplemented by any required Prospectus supplement (subject to the terms of this Agreement), and, as so supplemented or amended, to be filed pursuant to Rule 424, (iii) respond as promptly as reasonably possible to any comments received from the Commission with respect to a Registration Statement or any amendment thereto and provide as promptly as reasonably possible to the Holders true and complete copies of all correspondence from and to the Commission relating to a Registration Statement (provided that, the Company shall excise any information contained therein which would constitute material non-public information regarding the Company or any of its subsidiaries), and (iv) comply in all material respects with the applicable provisions of the Securities Act and the Exchange Act with respect to the disposition of all Registrable Securities covered by a Registration Statement during the applicable period in accordance (subject to the terms of this Agreement) with the intended methods of disposition by the Holders thereof set forth in such Registration Statement as so amended or in such Prospectus as so supplemented.

(c) If during the Effectiveness Period, the number of Registrable Securities at any time exceeds 100% of the number of shares of Common Stock then registered in a Registration Statement, then the Company shall file as soon as reasonably practicable, but in any case prior to the applicable Filing Date, an additional Registration Statement covering the resale by the Holders of not less than the number of such Registrable Securities.

(d) Notify the Holders of Registrable Securities to be sold (which notice shall, pursuant to clauses (iii) through (vi) hereof, be accompanied by an instruction to suspend the use of the Prospectus until the requisite changes have been made) as promptly as reasonably possible (and, in the case of (i)(A) below, not less than one (1) Trading Day prior to such filing) and (if requested by any such Person) confirm such notice in writing no later than one (1) Trading Day following the day (i)(A) when a Prospectus or any Prospectus supplement or post-effective amendment to a Registration Statement is proposed to be filed, (B) when the Commission notifies the Company whether there will be a “review” of such Registration Statement and whenever the Commission comments in writing on such Registration Statement, and (C) with respect to a Registration Statement or any post-effective amendment, when the same has become effective, (ii) of any request by the Commission or any other federal or state governmental authority for amendments or supplements to a Registration Statement or Prospectus or for additional information, (iii) of the issuance by the Commission or any other federal or state governmental authority of any stop order suspending the effectiveness of a Registration Statement covering any or all of the Registrable Securities or the initiation of any Proceedings for that purpose, (iv) of the receipt by the Company of any notification with respect to the suspension of the qualification or exemption from qualification of any of the Registrable Securities for sale in any jurisdiction, or the initiation or threatening of any Proceeding for such purpose, (v) of the occurrence of any event or passage of time that makes the financial statements included in a Registration Statement ineligible for inclusion therein or any statement made in a Registration Statement or Prospectus or any document incorporated or deemed to be incorporated therein by reference untrue in any material respect or that requires any revisions to a Registration Statement, Prospectus or other documents so that, in the case of a Registration Statement or the Prospectus, as the case may be, it will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, and (vi) of the occurrence or existence of any pending corporate development with respect to the Company that the Company believes may be material and that, in the determination of the Company, makes it not in the best interest of the Company to allow continued availability of a Registration Statement or Prospectus; provided, however, that in no event shall any such notice contain any information which would constitute material, non-public information regarding the Company or any of its Subsidiaries.

(e) Use its best efforts to avoid the issuance of, or, if issued, obtain the withdrawal of (i) any order stopping or suspending the effectiveness of a Registration Statement, or (ii) any suspension of the qualification (or exemption from qualification) of any of the Registrable Securities for sale in any jurisdiction, at the earliest practicable moment.

(f) Furnish to each Holder, without charge, at least one conformed copy of each such Registration Statement and each amendment thereto, including financial statements and schedules, all documents incorporated or deemed to be incorporated therein by reference to the extent requested by such Person, and all exhibits to the extent requested by such Person (including those previously furnished or incorporated by reference) promptly after the filing of such documents with the Commission, provided that any such item which is available on the EDGAR system (or successor thereto) need not be furnished in physical form.

(g) Subject to the terms of this Agreement, the Company hereby consents to the use of such Prospectus and each amendment or supplement thereto by each of the selling Holders in connection with the offering and sale of the Registrable Securities covered by such Prospectus and any amendment or supplement thereto, except after the giving of any notice pursuant to Section 3(d).

(h) Prior to any resale of Registrable Securities by a Holder, use its commercially reasonable efforts to register or qualify or cooperate with the selling Holders in connection with the registration or qualification (or exemption from the Registration or qualification) of such Registrable Securities for the resale by the Holder under the state securities or blue sky laws of such jurisdictions within the United States as any Holder reasonably requests in writing, to keep each registration or qualification (or exemption therefrom) effective during the Effectiveness Period and to do any and all other acts or things reasonably necessary to enable the disposition in such jurisdictions of the Registrable Securities covered by each Registration Statement, provided that the Company shall not be required to qualify generally to do business in any jurisdiction where it is not then so qualified, subject the Company to any material tax in any such jurisdiction where it is not then so subject or file a general consent to service of process in any such jurisdiction.

(i) If requested by a Holder, cooperate with such Holder to facilitate the timely preparation and delivery of certificates representing Registrable Securities to be delivered to a transferee pursuant to a Registration Statement, which certificates shall be free of all restrictive legends, and to enable such Registrable Securities to be in such denominations and registered in such names as any such Holder may request.

(j) Upon the occurrence of any event contemplated by Section 3(d), as promptly as reasonably possible under the circumstances taking into account the Company's good faith assessment of any adverse consequences to the Company and its stockholders of the premature disclosure of such event, prepare a supplement or amendment, including a post-effective amendment, to a Registration Statement or a supplement to the related Prospectus or any document incorporated or deemed to be incorporated therein by reference, and file any other required document so that, as thereafter delivered, neither a Registration Statement nor such Prospectus will contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading. If the Company notifies the Holders in accordance with clauses (iii) through (vi) of Section 3(d) above to suspend the use of any Prospectus until the requisite changes to such Prospectus have been made, then the Holders shall suspend use of such Prospectus. The Company will use its best efforts to ensure that the use of the Prospectus may be resumed as promptly as is practicable. The Company shall be entitled to exercise its right under this Section 3(j) to suspend the availability of a Registration Statement and Prospectus, subject to the payment of partial liquidated damages otherwise required pursuant to Section 2(d), for a period not to exceed 60 calendar days (which need not be consecutive days) in any 12-month period.

(k) Otherwise use commercially reasonable efforts to comply with all applicable rules and regulations of the Commission under the Securities Act and the Exchange Act, including, without limitation, Rule 172 under the Securities Act, file any final Prospectus, including any supplement or amendment thereof, with the Commission pursuant to Rule 424 under the Securities Act, promptly inform the Holders in writing if, at any time during the Effectiveness Period, the Company does not satisfy the conditions specified in Rule 172 and, as a result thereof, the Holders are required to deliver a Prospectus in connection with any disposition of Registrable Securities and take such other actions as may be reasonably necessary to facilitate the registration of the Registrable Securities hereunder.

(l) Intentionally Omitted.

(m) The Company may require each selling Holder to furnish to the Company a certified statement as to the number of shares of Common Stock beneficially owned by such Holder and, if required by the Commission, the natural persons thereof that have voting and dispositive control over the shares. During any periods that the Company is unable to meet its obligations hereunder with respect to the registration of the Registrable Securities solely because any Holder fails to furnish such information within three (3) Trading Days of the Company's request, any liquidated damages that are accruing at such time as to such Holder only shall be tolled and any Event that may otherwise occur solely because of such delay shall be suspended as to such Holder only, until such information is delivered to the Company.

4. Registration Expenses. All fees and expenses incident to the performance of or compliance with, this Agreement by the Company shall be borne by the Company whether or not any Registrable Securities are sold pursuant to a Registration Statement. The fees and expenses referred to in the foregoing sentence shall include, without limitation, (i) all registration and filing fees (including, without limitation, fees and expenses of the Company's counsel and independent registered public accountants) (A) with respect to filings made with the Commission, (B) with respect to filings required to be made with any Trading Market on which the Common Stock is then listed for trading, and (C) in compliance with applicable state securities or blue sky laws reasonably agreed to by the Company in writing (including, without limitation, fees and disbursements of counsel for the Company in connection with blue sky qualifications or exemptions of the Registrable Securities), (ii) printing expenses (including, without limitation, expenses of printing certificates for Registrable Securities), (iii) messenger, telephone and delivery expenses, (iv) fees and disbursements of counsel for the Company, (v) Securities Act liability insurance, if the Company so desires such insurance, and (vi) fees and expenses of all other Persons retained by the Company in connection with the consummation of the transactions contemplated by this Agreement. In addition, the Company shall be responsible for all of its internal expenses incurred in connection with the consummation of the transactions contemplated by this Agreement (including, without limitation, all salaries and expenses of its officers and employees performing legal or accounting duties), the expense of any annual audit and the fees and expenses incurred in connection with the listing of the Registrable Securities on any securities exchange as required hereunder. In no event shall the Company be responsible for any broker or similar commissions of any Holder or, except to the extent provided for in the Transaction Documents, any legal fees or other costs of the Holders.

5. Indemnification.

(a) **Indemnification by the Company.** The Company shall, notwithstanding any termination of this Agreement, indemnify and hold harmless each Holder, the officers, directors, members, partners, agents, brokers (including brokers who offer and sell Registrable Securities as principal as a result of a pledge or any failure to perform under a margin call of Common Stock), investment advisors and employees (and any other Persons with a functionally equivalent role of a Person holding such titles, notwithstanding a lack of such title or any other title) of each of them, each Person who controls any such Holder (within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act) and the officers, directors, members, stockholders, partners, agents and employees (and any other Persons with a functionally equivalent role of a Person holding such titles, notwithstanding a lack of such title or any other title) of each such controlling Person, to the fullest extent permitted by applicable law, from and against any and all losses, claims, damages, liabilities, costs (including, without limitation, reasonable attorneys' fees) and expenses (collectively, "**Losses**") as incurred, arising out of or relating to (1) any untrue or alleged untrue statement of a material fact contained in a Registration Statement, any Prospectus or any form of prospectus or in any amendment or supplement thereto or in any preliminary prospectus, or arising out of or relating to any omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein (in the case of any Prospectus or supplement thereto, in light of the circumstances under which they were made) not misleading or (2) any violation or alleged violation by the Company of the Securities Act, the Exchange Act or any state securities law, or any rule or regulation thereunder, in connection with the performance of its obligations under this Agreement, except to the extent, but only to the extent, that (i) such untrue statements or omissions are based solely upon information regarding such Holder furnished in writing to the Company by such Holder expressly for use therein, or to the extent that such information relates to such Holder or such Holder's proposed method of distribution of Registrable Securities and was reviewed and expressly approved in writing by such Holder expressly for use in a Registration Statement, such Prospectus or in any amendment or supplement thereto (it being understood that the Holder has approved Annex A hereto for this purpose) or (ii) in the case of an occurrence of an event of the type specified in Section 3(d) (iii)-(vi), the use by such Holder of an outdated, defective or otherwise unavailable Prospectus after the Company has notified such Holder in writing that the Prospectus is outdated, defective or otherwise unavailable for use by such Holder and prior to the receipt by such Holder of the Advice contemplated in Section 6(c), or (iii) in the case of a sale directly by a Holder of Registrable Securities, such untrue statement or alleged untrue statement or omission or alleged omission was corrected in a final or amended prospectus, and such Holder failed to deliver a copy of the final or amended prospectus at or prior to the confirmation of the sale of the Registrable Securities to the Person asserting any such loss, claim, damage or liability in any case in which such delivery is required by the Securities Act. The Company shall notify the Holders promptly of the institution, threat or assertion of any Proceeding arising from or in connection with the transactions contemplated by this Agreement of which the Company is aware. Such indemnity shall remain in full force and effect regardless of any investigation made by or on behalf of such indemnified person and shall survive the transfer of any Registrable Securities by any of the Holders in accordance with Section 6(f).

(b) Indemnification by Holders. Each Holder shall, severally and not jointly, indemnify and hold harmless the Company, its directors, officers, agents and employees, each Person who controls the Company (within the meaning of Section 15 of the Securities Act and Section 20 of the Exchange Act), and the directors, officers, agents or employees of such controlling Persons, to the fullest extent permitted by applicable law, from and against all Losses, as incurred, to the extent arising out of or based solely upon: any untrue or alleged untrue statement of a material fact contained in any Registration Statement, any Prospectus, or in any amendment or supplement thereto or in any preliminary prospectus, or arising out of or relating to any omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein (in the case of any Prospectus or supplement thereto, in light of the circumstances under which they were made) not misleading (i) to the extent, but only to the extent, that such untrue statement or omission is contained in any information so furnished in writing by such Holder to the Company expressly for inclusion in such Registration Statement or such Prospectus or (ii) to the extent, but only to the extent, that such information relates to such Holder's information provided in the Selling Stockholder Questionnaire or the proposed method of distribution of Registrable Securities and was reviewed and expressly approved in writing by such Holder expressly for use in a Registration Statement (it being understood that the Holder has approved Annex A hereto for this purpose), such Prospectus or in any amendment or supplement thereto. In no event shall the liability of a selling Holder be greater in amount than the dollar amount of the proceeds (net of all expenses paid by such Holder in connection with any claim relating to this Section 5 and the amount of any damages such Holder has otherwise been required to pay by reason of such untrue statement or omission) received by such Holder upon the sale of the Registrable Securities included in the Registration Statement giving rise to such indemnification obligation.

(c) Conduct of Indemnification Proceedings. If any Proceeding shall be brought or asserted against any Person entitled to indemnity hereunder (an "Indemnified Party"), such Indemnified Party shall promptly notify the Person from whom indemnity is sought (the "Indemnifying Party") in writing, and the Indemnifying Party shall have the right to assume the defense thereof, including the employment of counsel reasonably satisfactory to the Indemnified Party and the payment of all fees and expenses incurred in connection with defense thereof, provided that the failure of any Indemnified Party to give such notice shall not relieve the Indemnifying Party of its obligations or liabilities pursuant to this Agreement, except (and only) to the extent that it shall be finally determined by a court of competent jurisdiction (which determination is not subject to appeal or further review) that such failure shall have materially and adversely prejudiced the Indemnifying Party.

An Indemnified Party shall have the right to employ separate counsel in any such Proceeding and to participate in the defense thereof, but the fees and expenses of such counsel shall be at the expense of such Indemnified Party or Parties unless: (1) the Indemnifying Party has agreed in writing to pay such fees and expenses, (2) the Indemnifying Party shall have failed promptly to assume the defense of such Proceeding and to employ counsel reasonably satisfactory to such Indemnified Party in any such Proceeding, or (3) the named parties to any such Proceeding (including any impleaded parties) include both such Indemnified Party and the Indemnifying Party, and counsel to the Indemnified Party shall reasonably believe that a material conflict of interest is likely to exist if the same counsel were to represent such Indemnified Party and the Indemnifying Party (in which case, if such Indemnified Party notifies the Indemnifying Party in writing that it elects to employ separate counsel at the expense of the Indemnifying Party, the Indemnifying Party shall not have the right to assume the defense thereof and the reasonable fees and expenses of no more than one separate counsel shall be at the expense of the Indemnifying Party). The Indemnifying Party shall not be liable for any settlement of any such Proceeding effected without its written consent, which consent shall not be unreasonably withheld or delayed. No Indemnifying Party shall, without the prior written consent of the Indemnified Party, effect any settlement of any pending Proceeding in respect of which any Indemnified Party is a party, unless such settlement includes an unconditional release of such Indemnified Party from all liability on claims that are the subject matter of such Proceeding.

Subject to the terms of this Agreement, all reasonable fees and expenses of the Indemnified Party (including reasonable fees and expenses to the extent incurred in connection with investigating or preparing to defend such Proceeding in a manner not inconsistent with this Section) shall be paid to the Indemnified Party, as incurred, within ten (10) Trading Days of written notice thereof to the Indemnifying Party, provided that the Indemnified Party shall promptly reimburse the Indemnifying Party for that portion of such fees and expenses applicable to such actions for which such Indemnified Party is finally determined by a court of competent jurisdiction (which determination is not subject to appeal or further review) not to be entitled to indemnification hereunder.

(d) Contribution. If the indemnification under Section 5(a) or 5(b) is unavailable to an Indemnified Party or insufficient to hold an Indemnified Party harmless for any Losses, then each Indemnifying Party shall contribute to the amount paid or payable by such Indemnified Party, in such proportion as is appropriate to reflect the relative fault of the Indemnifying Party and Indemnified Party in connection with the actions, statements or omissions that resulted in such Losses as well as any other relevant equitable considerations. The relative fault of such Indemnifying Party and Indemnified Party shall be determined by reference to, among other things, whether any action in question, including any untrue or alleged untrue statement of a material fact or omission or alleged omission of a material fact, has been taken or made by, or relates to information supplied by, such Indemnifying Party or Indemnified Party, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such action, statement or omission. The amount paid or payable by a party as a result of any Losses shall be deemed to include, subject to the limitations set forth in this Agreement, any reasonable attorneys' or other fees or expenses incurred by such party in connection with any Proceeding to the extent such party would have been indemnified for such fees or expenses if the indemnification provided for in this Section was available to such party in accordance with its terms.

The parties hereto agree that it would not be just and equitable if contribution pursuant to this Section 5(d) were determined by pro rata allocation or by any other method of allocation that does not take into account the equitable considerations referred to in the immediately preceding paragraph. In no event shall the contribution obligation of a Holder of Registrable Securities be greater in amount than the dollar amount of the proceeds (net of all expenses paid by such Holder in connection with any claim relating to this Section 5 and the amount of any damages such Holder has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission) received by it upon the sale of the Registrable Securities giving rise to such contribution obligation.

The indemnity and contribution agreements contained in this Section are in addition to any liability that the Indemnifying Parties may have to the Indemnified Parties.

6. Miscellaneous.

(a) Remedies. In the event of a breach by the Company or by a Holder of any of their respective obligations under this Agreement, each Holder or the Company, as the case may be, in addition to being entitled to exercise all rights granted by law and under this Agreement, including recovery of damages, shall be entitled to specific performance of its rights under this Agreement. Each of the Company and each Holder agrees that monetary damages would not provide adequate compensation for any losses incurred by reason of a breach by it of any of the provisions of this Agreement and hereby further agrees that, in the event of any action for specific performance in respect of such breach, it shall not assert or shall waive the defense that a remedy at law would be adequate.

(b) [Reserved]

(c) **Discontinued Disposition.** By its acquisition of Registrable Securities, each Holder agrees that, upon receipt of a notice from the Company of the occurrence of any event of the kind described in Section 3(d)(iii) through (vi), such Holder will forthwith discontinue disposition of such Registrable Securities under a Registration Statement until it is advised in writing (the “Advice”) by the Company that the use of the applicable Prospectus (as it may have been supplemented or amended) may be resumed. The Company will use its best efforts to ensure that the use of the Prospectus may be resumed as promptly as is practicable. The Company agrees and acknowledges that any periods during which the Holder is required to discontinue the disposition of the Registrable Securities hereunder shall be subject to the provisions of Section 2(d).

(d) **Amendments and Waivers.** The provisions of this Agreement, including the provisions of this sentence, may not be amended, modified or supplemented, and waivers or consents to departures from the provisions hereof may not be given, unless the same shall be in writing and signed by the Company and the Holders of 50.1% or more of the then outstanding Registrable Securities, provided that, if any amendment, modification or waiver disproportionately and adversely impacts a Holder (or group of Holders), the consent of such disproportionately impacted Holder (or group of Holders) shall be required. If a Registration Statement does not register all of the Registrable Securities pursuant to a waiver or amendment done in compliance with the previous sentence, then the number of Registrable Securities to be registered for each Holder shall be reduced pro rata among all Holders and each Holder shall have the right to designate which of its Registrable Securities shall be omitted from such Registration Statement. Notwithstanding the foregoing, a waiver or consent to depart from the provisions hereof with respect to a matter that relates exclusively to the rights of a Holder or some Holders and that does not directly or indirectly affect the rights of other Holders may be given only by such Holder or Holders of all of the Registrable Securities to which such waiver or consent relates; provided, however, that the provisions of this sentence may not be amended, modified, or supplemented except in accordance with the provisions of the first sentence of this Section 6(d). No consideration shall be offered or paid to any Person to amend or consent to a waiver or modification of any provision of this Agreement unless the same consideration also is offered to all of the parties to this Agreement.

(e) **Notices.** Any and all notices or other communications or deliveries required or permitted to be provided hereunder shall be delivered as set forth in the applicable Subscription Agreement.

(f) **Successors and Assigns.** This Agreement shall inure to the benefit of and be binding upon the successors and permitted assigns of each of the parties and shall inure to the benefit of each Holder. The Company may not assign (except by merger) its rights or obligations hereunder without the prior written consent of all of the Holders of the then outstanding Registrable Securities.

(g) **No Inconsistent Agreements.** Neither the Company nor any of its subsidiaries has entered, as of the date hereof, nor shall the Company or any of its subsidiaries, on or after the date of this Agreement, enter into any agreement with respect to its securities, that would have the effect of impairing the rights granted to the Holders in this Agreement or otherwise conflicts with the provisions hereof.

(h) **Execution and Counterparts.** This Agreement may be executed in two or more counterparts, all of which when taken together shall be considered one and the same agreement and shall become effective when counterparts have been signed by each party and delivered to the other party, it being understood that both parties need not sign the same counterpart. In the event that any signature is delivered by facsimile transmission or by e-mail delivery of a “.pdf” format data file, such signature shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such facsimile or “.pdf” signature page were an original thereof.

(i) Governing Law. This Agreement shall be governed by and interpreted in accordance with the laws of the State of Washington. Each of the parties to this Agreement hereby irrevocably submits and attorns to the nonexclusive jurisdiction of the courts of the State of Washington in connection with this Agreement.

(j) Cumulative Remedies. The remedies provided herein are cumulative and not exclusive of any other remedies provided by law.

(k) Severability. If any term, provision, covenant or restriction of this Agreement is held by a court of competent jurisdiction to be invalid, illegal, void or unenforceable, the remainder of the terms, provisions, covenants and restrictions set forth herein shall remain in full force and effect and shall in no way be affected, impaired or invalidated, and the parties hereto shall use their commercially reasonable efforts to find and employ an alternative means to achieve the same or substantially the same result as that contemplated by such term, provision, covenant or restriction. It is hereby stipulated and declared to be the intention of the parties that they would have executed the remaining terms, provisions, covenants and restrictions without including any of such that may be hereafter declared invalid, illegal, void or unenforceable.

(l) Headings. The headings in this Agreement are for convenience only, do not constitute a part of the Agreement and shall not be deemed to limit or affect any of the provisions hereof.

Plan of Distribution

Each Selling Stockholder (the “Selling Stockholders”) of the securities and any of their pledgees, assignees and successors-in-interest may, from time to time, sell any or all of their securities covered hereby on the principal Trading Market or any other stock exchange, market or trading facility on which the securities are traded or in private transactions. These sales may be at fixed or negotiated prices. A Selling Stockholder may use any one or more of the following methods when selling securities:

- ordinary brokerage transactions and transactions in which the broker-dealer solicits purchasers;
- block trades in which the broker-dealer will attempt to sell the securities as agent but may position and resell a portion of the block as principal to facilitate the transaction;
- purchases by a broker-dealer as principal and resale by the broker-dealer for its account;
- an exchange distribution in accordance with the rules of the applicable exchange;
- privately negotiated transactions;
- settlement of short sales;
- in transactions through broker-dealers that agree with the Selling Stockholders to sell a specified number of such securities at a stipulated price per security;
- through the writing or settlement of options or other hedging transactions, whether through an options exchange or otherwise;
- a combination of any such methods of sale; or
- any other method permitted pursuant to applicable law.

The Selling Stockholders may also sell securities under Rule 144 or any other exemption from registration under the Securities Act of 1933, as amended (the “Securities Act”), if available, rather than under this prospectus. All capitalized terms not otherwise defined herein shall have the meanings ascribed thereto in the Registration Rights Agreement to which this Plan of Distribution is annexed.

Broker-dealers engaged by the Selling Stockholders may arrange for other brokers-dealers to participate in sales. Broker-dealers may receive commissions or discounts from the Selling Stockholders (or, if any broker-dealer acts as agent for the purchaser of securities, from the purchaser) in amounts to be negotiated, but, except as set forth in a supplement to this Prospectus, in the case of an agency transaction not in excess of a customary brokerage commission in compliance with FINRA Rule 2121; and in the case of a principal transaction a markup or markdown in compliance with FINRA Rule 2121.

In connection with the sale of the securities or interests therein, the Selling Stockholders may enter into hedging transactions with broker-dealers or other financial institutions, which may in turn engage in short sales of the securities in the course of hedging the positions they assume. The Selling Stockholders may also sell securities short and deliver these securities to close out their short positions, or loan or pledge the securities to broker-dealers that in turn may sell these securities. The Selling Stockholders may also enter into option or other transactions with broker-dealers or other financial institutions or create one or more derivative securities which require the delivery to such broker-dealer or other financial institution of securities offered by this prospectus, which securities such broker-dealer or other financial institution may resell pursuant to this prospectus (as supplemented or amended to reflect such transaction).

The Selling Stockholders and any broker-dealers or agents that are involved in selling the securities may be deemed to be “underwriters” within the meaning of the Securities Act in connection with such sales. In such event, any commissions received by such broker-dealers or agents and any profit on the resale of the securities purchased by them may be deemed to be underwriting commissions or discounts under the Securities Act. Each Selling Stockholder has informed the Company that it does not have any written or oral agreement or understanding, directly or indirectly, with any person to distribute the securities.

The Company is required to pay certain fees and expenses incurred by the Company incident to the registration of the securities. The Company has agreed to indemnify the Selling Stockholders against certain losses, claims, damages and liabilities, including liabilities under the Securities Act.

The Company agrees to keep the Prospectus effective until the earlier of (i) the date on which the securities may be resold by the Selling Stockholders without registration and without regard to any volume or manner-of-sale limitations by reason of Rule 144, without the requirement for the Company to be in compliance with the current public information under Rule 144 under the Securities Act or any other rule of similar effect or (ii) all of the securities have been sold pursuant to this prospectus or Rule 144 under the Securities Act or any other rule of similar effect. The resale securities will be sold only through registered or licensed brokers or dealers if required under applicable state securities laws. In addition, in certain states, the resale securities covered hereby may not be sold unless they have been registered or qualified for sale in the applicable state or an exemption from the registration or qualification requirement is available and is complied with.

Under applicable rules and regulations under the Exchange Act, any person engaged in the distribution of the resale securities may not simultaneously engage in market making activities with respect to the Common Stock for the applicable restricted period, as defined in Regulation M, prior to the commencement of the distribution. In addition, the Selling Stockholders will be subject to applicable provisions of the Exchange Act and the rules and regulations thereunder, including Regulation M, which may limit the timing of purchases and sales of the Common Stock by the Selling Stockholders or any other person. We will make copies of this prospectus available to the Selling Stockholders and have informed them of the need to deliver a copy of this prospectus to each purchaser at or prior to the time of the sale (including by compliance with Rule 172 under the Securities Act).

SELLING SHAREHOLDERS

The shares of Common Stock being offered by the selling shareholders are those previously issued to the selling shareholders, and those issuable to the selling shareholders, upon exercise of the Warrants. We are registering the shares of Common Stock in order to permit the selling shareholders to offer the shares for resale from time to time. All capitalized terms not otherwise defined herein shall have the meanings ascribed thereto in the Registration Rights Agreement to which this Plan document is annexed.

The table below lists the selling shareholders and other information regarding the beneficial ownership of the shares of Common Stock by each of the selling shareholders. The second column lists the number of shares of Common Stock beneficially owned by each selling shareholder, based on its ownership of the shares of Common Stock as of _____, _____.

The third column lists the shares of Common Stock being offered by the Prospectus by the selling shareholders.

In accordance with the terms of a registration rights agreement with the selling shareholders, the Prospectus generally covers the resale of the sum of (i) the number of shares of Common Stock issued to the selling shareholders pursuant to the terms of the Subscription Agreements, and (ii) the maximum number of shares of Common Stock issuable upon exercise of the related Warrants, determined as if the outstanding Warrants were exercised in full as of the Trading Day immediately preceding the date the Registration Statement was initially filed with the Commission without regard to any limitations on the exercise of the Warrants. The fourth column assumes the sale of all of the shares offered by the selling shareholders pursuant to this Prospectus.

The selling shareholders may sell all, some or none of their shares in this offering. See "Plan of Distribution."
