

# FendX Announces Participation in Panel Discussion at the 2023 Angel Capital Association Summit of Angel Investing on May 17, 2023

Oakville, Ontario--(Newsfile Corp. - May 11, 2023) - FendX Technologies Inc. (CSE: FNDX) (the "Company" or "FendX"), a nanotechnology company developing surface protection coatings, announces its participation in the upcoming 2023 ACA Summit of Angel Investing which is the flagship angel investing event of the year.

The conference will be held May 16-18, 2023 in Las Vegas, Nevada. Dr. Carolyn Myers, President and CEO of FendX, has been invited to participate as a panelist at the ACA Angel Capital Summit on May 17, 2023. The panel is entitled, "Comparing Risks and Returns in MedTech, BioTech/Genomics and Diagnostics."

Dr. Carolyn Myers, President and CEO of FendX stated, "I look forward to joining other esteemed industry experts in a discussion to highlight some of the investment opportunities in the life sciences sector and to meet with potential investors."

## **About FendX Technologies Inc.**

FendX is a Canada-based nanotechnology company focused on developing products to make people's lives safer by reducing the spread of pathogens. Our first product under development, REPELWRAP™ film, is a protective surface coating film that, due to its repelling properties, prevents adhesion of pathogens and reduces their transmission on surfaces prone to contamination. The Company is conducting research and development activities using its nanotechnology in collaboration with industry-leading partners including McMaster University. The Company has an exclusive world-wide license to its technology, including an IP portfolio, from McMaster.

## **Forward-Looking Statements**

This news release contains certain forward-looking statements within the meaning of Canadian securities legislation, including with respect to: the plans of the Company; products under development; and any pathogen reduction benefits related thereto. Although the Company believes that such statements are reasonable, it can give no assurance that such expectations will prove to be correct. Forward-looking statements are statements that are not historical facts; they are generally, but not

always, identified by the words "expects," "plans," "anticipates," "believes," "intends," "estimates," "projects," "aims," "potential," "goal," "objective," "prospective," and similar expressions, or that events or conditions "will," "would," "may," "can," "could" or "should" occur, or are those statements, which, by their nature, refer to future events. The Company cautions that forward-looking statements are based on the beliefs, estimates and opinions of the Company's management on the date the statements are made and they involve a number of risks and uncertainties. Consequently, there can be no assurances that such statements will prove to be accurate and actual results and future events could differ materially from those anticipated in such statements.

Important factors that could cause future results to differ materially from those anticipated in these forward-looking statements include: product candidates only being in formulation/reformulation stages; limited operating history; research and development activities; dependence on collaborative partners, licensors and others; effect of general economic and political conditions; and other risk factors set forth in the Company's final prospectus dated January 31, 2023 under the heading "Risk Factors". The reader is urged to refer to the Company's prospectus and other filings, publicly available through SEDAR at [www.sedar.com](http://www.sedar.com) for a more complete discussion of such risk factors and their potential effects. Except to the extent required by applicable securities laws and the policies of the Canadian Securities Exchange, the Company undertakes no obligation to update these forward-looking statements if management's beliefs, estimates or opinions, or other factors, should change.
