**Re: Dark Star Minerals Inc.
(the "Company") Consent of Qualified Person**

To whom it may concern:

Reference is made to the National Instrument 43-101 – *Standards of Disclosure for Mineral Projects* technical report titled "*National Instrument 43-101 Technical Report on the Logan Property, Baie James Area, Québec, Canada*" dated February 1, 2022 (the "**Technical Report**").

In connection with the Company's preliminary non-offering prospectus dated August 10th, 2022

and all documents incorporated by reference therein (collectively, the "**Prospectus**"), I, Luke van der Meer, B.Sc., P.Geo., on behalf of myself hereby:

1. consent to the SEDAR filing and/or public filing in any other manner of the Technical Report with the offices of the British Columbia Securities Commission and the Canadian Securities Exchange;
2. consent to the use of my name and references to the Technical Report, or portions thereof, in the Prospectus and to the inclusion or incorporation by reference of information derived from the Technical Report in the Prospectus;
3. confirm that I have read the Prospectus and that they fairly and accurately represent the information in the corresponding sections of the Technical Report, and that the Technical Report supports that disclosure; and
4. confirm that I have read the Prospectus and have no reason to believe that there are any misrepresentations in the information contained therein that are derived from the Technical Report or that are within my knowledge as a result of the services performed by me in connection with the Technical Report.

Yours truly,

Luke van der meer

Luke van der Meer, B.Sc., P.Geo.
