Introduction

This Management's Discussion and Analysis ("MD&A") is dated May 25, 2023, unless otherwise indicated and should be read in conjunction with the unaudited condensed interim consolidated financial statements for the three months ended March 31, 2023 and the annual audited consolidated financial statements for the year ended December 31, 2022, and the related notes thereto. This MD&A was written to comply with the requirements of National Instrument 51-102 – *Continuous Disclosure Obligations*. Results are reported in Canadian dollars, unless otherwise noted. In the opinion of management, all adjustments (which consist only of normal recurring adjustments) considered necessary for a fair presentation have been included. The results presented for the for three months ended March 31, 2023 are not necessarily indicative of the results that may be expected for any future period.

The Company applies International Financial Reporting Standards ("IFRS") as issued by the International Accounting Standards Board and interpretations issued by the IFRS Interpretations Committee.

Cautionary Note Regarding Forward-Looking Information

This MD&A contains certain forward-looking information and forward-looking statements, as defined in applicable securities laws (collectively referred to herein as "forward-looking statements"). These statements relate to future events or the Company's future performance. All statements other than statements of historical fact are forward-looking statements. Often, but not always, forward-looking statements can be identified by the use of words such as "plans", "expects", "is expected", "budget", "scheduled", "estimates", "continues", "forecasts", "projects", "predicts", "intends", "anticipates" or "believes", or variations of, or the negatives of, such words and phrases, or state that certain actions, events or results "may", "could", "would", "should", "might" or "will" be taken, occur or be achieved. Forward-looking statements involve known and unknown risks, uncertainties and other factors that may cause actual results to differ materially from those anticipated in such forward-looking statements. The forward-looking statements in this MD&A speak only as of the date of this MD&A or as of the date specified in such statement.

Inherent in forward-looking statements are risks, uncertainties and other factors beyond the Company's ability to predict or control. Please also make reference to those risk factors referenced in the "Risk Factors" section below. Readers are cautioned that such risk factors, uncertainties and other factors are not exhaustive. Actual results and developments are likely to differ, and may differ materially, from those expressed or implied by the forward-looking statements contained in this MD&A.

Forward-looking statements involve known and unknown risks, uncertainties and other factors that may cause actual results to differ materially from those anticipated in such forward-looking statements. Specifically, this MD&A includes, but is not limited to, forward-looking statements regarding: the Company's ability to meet its working capital needs at the current level for the next twelve-month period; management's outlook regarding future trends; sensitivity analysis on financial instruments, which may vary from amounts disclosed; completion of the Transaction (defined below); and general business and economic conditions.

All forward-looking statements herein are qualified by this cautionary statement. Accordingly, readers should not place undue reliance on forward-looking statements. The Company undertakes no obligation to update publicly or otherwise revise any forward-looking statements, whether as a result of new information or future events or otherwise, except as may be required by law. If the Company does update one or more forward-looking statements, no inference should be drawn that it will make additional updates with respect to those or other forward-looking statements, unless required by law.

Capital Management

The Company's objective when managing capital is to maintain its ability to continue as a going concern in order to provide returns for shareholders and benefits for other stakeholders.

The Company includes equity, comprised of issued common shares and reserves, in the definition of capital.

The Company's primary objective with respect to its capital management is to ensure that it has sufficient cash resources to fund the identification and evaluation of potential acquisitions. To secure the additional capital necessary to pursue these plans, the Company may attempt to raise additional funds through the issuance of equity. The Company is not subject to any external capital restrictions.

Risks and Uncertainties

The following describes certain risks, events and uncertainties that could affect the Company and that each reader should carefully consider.

External financing may be required to fund the Company's activities primarily through the issuance of common shares. There can be no assurance that the Company will be able to obtain adequate financing. The securities of the Company should be considered a highly speculative investment.

The Company has not generated any revenues and does not expect to generate revenues in the near future. In the event that the Company generates revenues in the future, the Company intends to retain its earnings in order to finance further growth. Furthermore, the Company has not paid any dividends in the past and does not expect to pay any dividends in the foreseeable future.

Risk Disclosures and Fair Values

Fair Values

At March 31, 2023, the Company's financial instruments consist of cash, and accounts payable and accrued liabilities and share subscriptions received. The fair value of these financial instruments approximates its carrying value due to the relatively short-term maturity of the instrument.

Credit Risk

Credit risk is the risk of loss associated with the counterparty's inability to fulfill its payment obligations. Financial instruments that potentially subject the Company to concentrations of credit risks consist principally of cash. To minimize the credit risk the Company places these instruments with a high credit quality financial institution.

Foreign Exchange Risk

Foreign currency risk is the risk that the fair values of future cash flows of a financial instrument will fluctuate because they are denominated in currencies that differ from the respective functional currency. The Company is not exposed to foreign exchange risk.

Interest Rate Risk

The Company is not exposed to any significant interest rate risk.

Liquidity Risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they fall due. The Company currently settles its financial obligations out of cash. The ability to do this relies on the Company raising equity financing in a timely manner and by maintaining sufficient cash in excess of anticipated needs and to meet the Company's liabilities. The \$55,456 of accounts payable and accrued liabilities are due within one year.

Critical Accounting Estimates

The Company's significant accounting policies are summarized in Note 2 of the audited financial statements for the year ended December 31, 2022.

Risk Factors

Please refer to the Company's Listing Statement for a detailed description of the risk factors associated with the Company. The Listing Statement may be found under the Company's SEDAR profile at www.sedar.com.
