Dark Star Announces Change of Directors and Officers

VANCOUVER, BC, JUNE 2, 2023: DARK STAR MINERALS INC. (CSE: BATT) (the “**Company**”) is pleased to announce the appointment of Douglas H. Unwin as a director of the Company.

Douglas H. Unwin, Director

Mr. Unwin is an experienced executive with 30 years of diverse experience as an entrepreneur in life sciences, aquaculture and telecommunications. Mr. Unwin is the President and Chief Executive Officer (“**CEO**”) of Geological Resource Corp. (CSE: GRCM) and former President and CEO of Pacific Therapeutics Ltd. (now Tower One Wireless Corp.) (“**Pacific Therapeutics**”)(CSE: TO), from inception in September 2005 until August 2015. Mr. Unwin has spent the last 16 years focused on life science start-ups, technology commercialization and venture capital financing. Prior to founding Pacific Therapeutics, Mr. Unwin was the CEO of Med BioGene Inc. (now Many Bright Ideas Technologies Inc.) (TSXV: MBI); a start-up medical device company. Mr. Unwin graduated from the University of British Columbia with a B.Sc. in Biology in 1981. In 1985, Mr. Unwin graduated from the University of Saskatchewan with a master’s in business administration.

The appointment of Mr. Unwin accompanies the resignation of Song Lim as a director. Dark Star thanks Mr. Lim for his services and wishes him all the best in his future endeavors.

About Dark Star Minerals Inc.

Dark Star Minerals Inc. is a mineral exploration company focused on the acquisition and development of critical mineral resources, specifically the rare earth complex.
