Xcite Resources Inc. ("XCITE" or the "Company") is providing this Information Circular and a form of proxy in connection with management's solicitation of proxies for use at the Annual General and Special Meeting (the "Meeting") of shareholders of XCITE to be held on Tuesday, December 12, 2023, and at any adjournments. PROXY RELATED INFORMATION

Appointment of Proxyholder

The purpose of a proxy is to designate persons who will vote the proxy on a shareholder's behalf in accordance with the instructions given by the shareholder in the proxy. The persons whose names are printed in the enclosed form of proxy are officers or directors of XCITE (the "Management Proxyholders").

A shareholder has the right to appoint a person other than a Management Proxyholder to represent the shareholder at the Meeting by striking out the names of the Management Proxyholders and by inserting the desired person's name in the blank space provided or by executing a proxy in a form similar to the enclosed form. A proxyholder need not be a shareholder.

Voting by Proxy

Only registered shareholders or duly appointed proxyholders are permitted to vote at the Meeting. Shares represented by a properly executed proxy will be voted or be withheld from voting on each matter referred to in the Notice of Meeting in accordance with the instructions of the shareholder on any ballot that may be called for and if the shareholder specifies a choice with respect to any matter to be acted upon, the shares will be voted accordingly.

If a shareholder does not specify a choice and the shareholder has appointed one of the Management Proxyholders as proxyholder, the Management Proxyholder will vote in favour of the matters specified in the Notice of Meeting and in favour of all other matters proposed by management at the Meeting.

The enclosed form of proxy also gives discretionary authority to the person named therein as proxyholder with respect to amendments or variations to matters identified in the Notice of the Meeting and with respect to other matters which may properly come before the Meeting. At the date of this Information Circular, management of XCITE knows of no such amendments, variations or other matters to come before the Meeting.

Completion and Return of Proxy

In order to be voted, completed forms of proxy must be:

- voted online by visiting https://vote.odysseytrust.com and clicking on LOGIN. Shareholders will require the CONTROL NUMBER printed with their address to the right on your proxy form. If a shareholder votes by Internet, they should not mail their proxy; or
- sent by mail or personal delivery to Odyssey Trust Company, Attn: Proxy Department, Suite 702, 67 Yonge St., Toronto, ON M5E 1J8; or
- sent by fax to Odyssey, to the attention of the Proxy Department at 1-800-517-4553 (toll free within Canada and the U.S.) or 416-263-9524 (international).

Proxies must be voted not later than forty-eight (48) hours, excluding Saturdays, Sundays and holidays, prior to the time of the Meeting, unless the chairman of the Meeting elects to exercise his discretion to accept proxies deposited subsequently.

Non-Registered Holders

Only shareholders whose names appear on the records of XCITE as the registered holders of shares or duly appointed proxyholders are permitted to vote at the Meeting. Most shareholders of XCITE are "non-registered" shareholders because the shares they own are not registered in their names but instead registered in the name of a nominee such as a brokerage firm through which they purchased the shares; bank, trust company, trustee or administrator of self-administered RRSP's, RRIF's, RESP's and similar plans; or clearing agency such as The Canadian Depository for Securities Limited (a "Nominee"). If you purchased your shares through a broker, you are likely an unregistered holder.

In accordance with securities regulatory policy, XCITE has distributed copies of the Meeting materials, being the Notice of Meeting, this Information Circular and the Proxy, to the Nominees for distribution to non-registered holders.

Nominees are required to forward the Meeting materials to non-registered holders to seek their voting instructions in advance of the Meeting. Shares held by Nominees can only be voted in accordance with the instructions of the non-registered holder. The Nominees often have their own form of proxy, mailing procedures and provide their own return instructions. If you wish to vote by proxy, you should carefully follow the instructions from the Nominee in order that your Shares are voted at the Meeting.

If you, as a non-registered holder, wish to vote at the Meeting in person, you should appoint yourself as proxyholder by writing your name in the space provided on the request for voting instructions or proxy provided by the Nominee and return the form to the Nominee in the envelope provided. Do not complete the voting section of the form as your vote will be taken at the Meeting.

In addition, Canadian securities legislation now permits XCITE to forward meeting materials directly to "non-objecting beneficial owners". If XCITE or its agent has sent these materials directly to you (instead of through a Nominee), your name, address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the Nominee holding on your behalf. By choosing to send these materials to you directly, XCITE (and not the Nominee holding on your behalf) has assumed responsibility for (i) delivering these materials to you and (ii) executing your proper voting instructions.

Revocability of Proxy

Any registered shareholder who has returned a proxy may revoke it at any time before it has been exercised. In addition to revocation in any other manner permitted by law, a registered shareholder, his attorney authorized in writing or, if the registered shareholder is a corporation, a corporation under its corporate seal or by an officer or attorney thereof duly authorized, may revoke a proxy by instrument in

writing, including a proxy bearing a later date. The instrument revoking the proxy must be deposited at the registered office of XCITE, at any time up to and including the last business day preceding the date of the Meeting, or any adjournment thereof, or with the chairman of the Meeting on the day of the Meeting. Only registered shareholders have the right to revoke a proxy. Non-Registered Holders who wish to change their vote must, at least seven days before the Meeting, arrange for their Nominees to revoke the proxy on their behalf.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The authorized capital of XCITE consists of an unlimited number of common shares without par value. As at the date hereof, there are issued and outstanding 15,580,000 fully paid and non-assessable common shares without par value, each share carrying the right to one vote. The Company has no other classes of voting securities.

To the knowledge of the directors and senior officers of XCITE, no person beneficially owns, directly or indirectly, or exercises control or direction over shares carrying more than 10% of the voting rights attached to all outstanding shares of XCITE that have the right to vote in all circumstances, other than as set forth below:

Stock Option Plans and Other Incentive Plans

The Company has adopted a stock option plan (the "Plan") which provides eligible directors, officers, employees and consultants with the opportunity to acquire an ownership interest in the Company and is the basis for the Company's long-term incentive scheme. The key features of the Plan are as follows:

- The maximum number of common shares issuable under the Plan shall not exceed 10% of the number of common shares of the Company issued and outstanding as of each award date, inclusive of all common shares reserved for issuance pursuant to previously granted stock options.
- The options have a maximum term of five years from the date of issue.
- Options vest as the board of directors of the Company may determine upon the award of the options.
- The exercise price of options granted under the Plan will be determined by the board of directors but will not be less that the greater of the closing market price of the Company's common shares on the Canadian Securities Exchange on (a) the trading day prior to the date of grant of the options; and (b) the date of grant of the stock options.
- The expiry date of an option shall be the earlier of the date fixed by the Company's board of directors on the award date, and: (a) in the event of the death of the option holder while he or she is a director or employee (other than an employee performing investor relations activities), 12 months from the date of death of the option holder, or while he or she is a consultant or an employee performing investor relations activities, 30 days from the date of death of the option holder; (b) in the event that the option holder holds his or her option as a director and such option holder ceases to be a director of the Company other than by reason of death, 90 days following the date the option holder ceases to be a director (provided however that if the option holder continues to be engaged by the Company as an employee or consultant, the expiry date shall remain unchanged), unless the option holder ceases to be a director as a result of ceasing to meet the qualifications set forth in section 124 of the Business Corporations Act (British Columbia) or a special resolution passed by the shareholders of the Company pursuant to section 128(3) of the Business Corporations Act (British Columbia), in which case the expiry date will be the date that the option holder ceases to be a director of the Company; (c) in the event that the option holder holds his or her option as an employee or consultant of the Company (other than an employee or consultant performing investor relations activities) and such option holder ceases to be an employee or consultant of the Company other than by reason of death, 30 days following the date the option holder ceases to be an employee or consultant, unless the option holder ceases to be such as a result of termination for cause or an order of the British Columbia Securities Commission, the Canadian Securities Exchange or any regulatory body having jurisdiction to so order, in which case the expiry date shall be the date the option holder ceases to be an employee or consultant of the Company; and (d) in the event that the option holder holds his or her option as an employee or consultant of the Company who provides investor relations activities on behalf of the Company, and such option holder ceases to be an employee or consultant of the Company other than by reason of death, the expiry date shall be the date the option holder ceases to be an employee or consultant of the Company.

The Plan may be terminated at any time by resolution of the board of directors, but any such termination will not affect or prejudice rights of participants holding options at that time. If the Plan is terminated, outstanding options will continue to be governed by the provisions of the Plan.

Employment, Consulting and Management Agreements

Except as described below, the Company is not party to any employment, consulting or management agreements with any director or Named Executive Officer.

The Company is party to an independent consulting agreement dated as of August 1, 2023 with 9174893 Canada Inc. ("9174893"), a company controlled by Gary Economo, the Company's CEO. The agreement has a term of one year and may be renewed by mutual agreement. If the Company enters into a written agreement for or completes a "corporate transaction" (a sale of all or substantially all of the Company's assets, the acquisition by a person or group of more than 50% of the outstanding voting securities of the Company, at least 50% of the Company's nominees for director not being elected at a meeting of shareholders, at least 50% of the Company's incumbent directors not being nominated for election at a meeting of shareholders, an amalgamation, merger or arrangement involving the Company, or any other event which, in the opinion of the Company's board, reasonably constitutes a "corporate transaction") and within one year the agreement is terminated without cause, then 9174893 will be entitled to payment of all accrued outstanding fees to the date of termination, to a lump sum of \$120,000 plus taxes, and to reimbursement of an outstanding expenses.

CORPORATE GOVERNANCE DISCLOSURE

On June 30, 2005, National Instrument 58-101 – Disclosure of Corporate Governance Practices ("NI 58-101") and National Policy 58-201 – Corporate Governance Guidelines (the "Guidelines"), came into force. The Guidelines address matters such as the constitution of and the functions to be performed by the Company's board. NI 58-101 requires that the Company disclose its approach to corporate governance with reference to the Guidelines. The board of the Company is committed to ensuring that the Company has an effective corporate governance system, which adds value and assists the Company in achieving its objectives.

Board of Directors

Each of Kim Oishi and Etienne Gouin-Proulx is an "independent" director, according to the definition set out in NI 52-110. Each of Chris Cooper, Gary Economo and Daryn Gordon is not independent as he is an executive officer or former executive officer of the Company.

The independent directors believe that their knowledge of the Company's business and their independence are sufficient to facilitate the functioning of the board independently of management. To facilitate open and candid discussion among the board's independent directors, the independent directors have the discretion to meet in private in the absence of the other directors whenever they believe it is appropriate to do so. To date, the independent directors have not held a meeting at which non-independent directors and members of management were not in attendance.

Orientation and Continuing Education

Management will ensure that a new appointee to the board receives the appropriate written materials to fully apprise him or her of the duties and responsibilities of a director pursuant to applicable law and policy. Each new director brings a different skill set and professional background, and with this information, the board is able to determine what orientation to the nature and operations of the Company's business will be necessary and relevant to each new director.

Ethical Business Conduct

The board expects management to operate the business of the Company in a manner that enhances shareholder value and is consistent with the highest level of integrity. Management is expected to execute the Company's business plan and to meet performance objectives and goals. In addition, the board must comply with conflict of interest provisions in Canadian corporate law, including relevant securities regulatory instruments, in order to ensure that directors exercise independent judgment in considering transactions and agreements in respect of which a director or executive officer has a material interest.

Nomination of Directors

Given the Company's current stage of development and size of the board, the board is presently of the view that it functions effectively as a committee of the whole with respect to the nomination of directors. The entire board will assess potential nominees and take responsibility for selecting new directors. Any

nominees are expected to be generally the result of recruitment efforts by the board members, including both formal and informal discussions among board members and management of the Company.

Compensation

The Company does not have a Compensation Committee. Compensation matters for the Company's directors and officers are dealt with by the full board. The board meets to discuss and determine director and management compensation without reference to formal objectives, criteria or analysis.

Other Board Committees

The only board committee of the Company is the Audit Committee.

Assessments

The board annually reviews its own performance and effectiveness. Neither the Company nor the board has determined formal means or methods to regularly assess the board, its committees or the individual directors with respect to their effectiveness and contributions. Effectiveness is subjectively measured by comparing actual corporate results with stated objectives. The contributions of an individual director are informally monitored by the other board members, having in mind the business strengths of the individual and the purpose of originally nominating the individual to the board.

The board is of the view that the Company's corporate governance practices are appropriate and effective for the Company, given its relatively small size and limited operations. The Company's method of corporate governance allows for the Company to operate efficiently, with simple checks and balances that control and monitor management and corporate functions without excessive administrative burden.

AUDIT COMMITTEE DISCLOSURE

General

The Audit Committee is responsible for reviewing the Company's financial reporting procedures, internal controls and the performance of the financial management and external auditor of the Company. The Audit Committee also reviews the annual and interim financial statements and makes recommendations to the Board.

As the Company is a "venture issuer" (as defined in National Instrument 52-110 – Audit Committees ("NI 52-110")), it is relying on the exemptions provided to it under section 6.1 of NI 52-110 with respect to the composition of the Audit Committee and with respect to Audit Committee reporting obligations. At no time since the commencement of the Company's most recently completed financial year has the Company relied on the exemption in Section 2.4 of NI 52-110 (*De Minimis* Non-Audit Services), or an exemption from NI 52-110, in whole or in part, granted under Part 8 of NI 52-110.

The Audit Committee has adopted specific policies and procedures for the engagement of non-audit services as described in the charter of the Audit Committee under the heading "Responsibilities". At no time since the commencement of the Company's most recently completed financial year was a recommendation of the Audit Committee to nominate or compensate an external auditor not adopted by the board of directors.

The Audit Committee is comprised of Chris Cooper, Etienne Gouin-Proulx and Kim Oishi, all of whom are "financially literate" and "independent", as those terms are defined in NI 52-110. The education and

experience of each audit committee member that is relevant to the performance of his responsibilities as an audit committee member, and in particular the education or experience that provides each member with (i) an understanding of the accounting principles used by the Company to prepare its financial statements, (ii) the ability to assess the general application of such accounting principles in connection with the accounting for estimates, accruals and provisions, (iii) experience preparing, auditing, analyzing or evaluating financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of issues that can reasonably be expected to be raised by the Company's financial statements, and (iv) an understanding of internal controls and procedures for financial reporting, is as follows:

Chris Cooper

Mr. Cooper has over 20 years of extensive business experience in all facets of corporate development, senior management, finance and operations, in both the private and public sectors. His experience includes spearheading growth strategies, financial reporting, quarterly and annual budgets, overseeing corporate administration, while achieving company objectives and maintaining internal cost controls. Chris has held director and executive officer positions in several private and public companies over the past 20 years. He received his Bachelor of Business Administration from Hofstra University and his Master's in Business Administration from Dowling College in New York.

Etienne Gouin-Proulx

Mr. Gouin-Proulx is a Chartered Financial Analyst (CFA) and a Candidate to the Engineering Profession (CEP) with previous experience in project evaluation, merger and acquisition and strategic marketing. Mr. Gouin-Proulx holds a Bachelor of Engineering from McGill University with a specialization in Mining and Mineral Engineering.

Kim Oishi

Mr. Oishi has over 20 years of experience in financing and advising growth companies and has served in senior management and board positions on a number of public and private companies. On October 29, 2015, Mr. Cooper was subject to a management cease trade order in respect of Aroway Energy Inc., for failure to file financial statements, and subsequently Aroway Energy Inc. was cease traded. subject to a management cease trade order dated May 1, 2019, for unfiled financial statements. StartMonday Technology Corp. was subsequently delisted while the management cease trade order remained in effect.

On April 29, 2016, Edge Resources Inc., ("Edge"), of which Mr. Cooper was a director, received an order of the Court of Queen's Bench of Saskatchewan appointing Grant Thornton as receiver over the company's Saskatchewan-based assets and, on September 2, 2016, received an order of the Court of Queen's Bench of Alberta appointing Grant Thornton as receiver over the company's Alberta-based assets. The receiver was discharged on the Alberta-based assets on December 19, 2016 and on the Saskatchewan-based assets on February 1, 2017. On August 5, 2016, Edge received a cease trade order from the Alberta Securities Commission for failure to file financial statements. Since a receiver had been appointed for Edge on April 29, 2016, the officers and directors of Edge were no longer in control of the assets or undertaking of Edge, being replaced by Grant Thornton as receiver. This made it impossible, following such date, for the directors of Edge to affect the continuance of Edge's public filings.

On November 3, 2023, Sweet Earth Holdings Corporation ("Sweet Earth"), of which Mr. Cooper is a director, was issued a cease trade order by the British Columbia Securities Commission for failure to file its annual audited financial statements and related documents for its financial year ended June 30, 2023. The cease trade order remains in effect as of the date hereof.

On June 10, 2015, a cease trade order was issued for Emperor Oil Ltd., of which Daryn Gordon was a director and officer, for failure to file financial statements by the applicable due date. The financial statements were subsequently filed, and the cease trade order was lifted on October 27, 2016.

While Gary Economo was CEO at Focus Graphite Inc., management requested a voluntary management cease trade order when errors on the company's website and marketing documentation was uncovered. All required corrections were made, following which the cease trade order was revoked.

The Audit Committee is accountable to the Board. In the course of fulfilling its specific responsibilities hereunder, the Audit Committee is expected to maintain an open communication between XCITE's external auditors and the Board.

The responsibilities of a member of the Audit Committee are in addition to such member's duties as a member of the Board.

The Audit Committee does not plan or perform audits or warrant the accuracy or completeness of XCITE's financial statements or financial disclosure or compliance with generally accepted accounting procedures as these are the responsibility of management and the external auditors.

Relationship with External Auditors

The external auditor is required to report directly to the Audit Committee. Opportunities shall be afforded periodically to the external auditor and to members of senior management to meet separately with the Audit Committee.

Composition of Audit Committee

The Committee membership shall satisfy the laws governing XCITE and the independence, financial literacy and experience requirements under securities law, stock exchange and any other regulatory requirements as are applicable to XCITE.

- (b) questioning management and the external auditor regarding significant financial reporting issues discussed during the fiscal period and the method of resolution;
- (c) reviewing audited annual financial statements, in conjunction with the report of the external auditor;
- (d) reviewing any problems experienced by the external auditor in performing the audit, including any restrictions imposed by management or significant accounting issues on which there was a disagreement with management; and
- (e) reviewing the evaluation of internal controls by the external auditor, together with management's response.
- 3. The Audit Committee shall review interim unaudited financial statements before release to the public.
- 4. The Audit Committee shall review all public disclosures of audited or unaudited financial information before release, including any prospectus, annual report, annual information form, and management's discussion and analysis.
- 5. The Audit Committee shall review the appointments of the chief financial officer and any other key financial executives involved in the financial reporting process, as applicable.
