

Pangea Natural Foods Inc. Launches New Item: 100% Locally Sourced Blueberry Juice

Pangea Natural Foods Inc. is pleased to unveil a new addition to their product line: 100% locally sourced cold-pressed blueberry juice with an 8-month shelf life

VANCOUVER, BC, June 27, 2023 -- Pangea Natural Foods Inc. ("**Pangea**" or the "**Company**") (CSE: PNGA) (OTCQB: PNGAF) is thrilled to announce the launch of its latest product, 100% locally sourced blueberry juice. This refreshing and nutritious beverage is made with exceptional quality and has a remarkable 8-month shelf life.

"We are excited to introduce our 100% locally sourced blueberry juice to consumers," said Pratap Sandhu, CEO and Founder of Pangea Natural Foods. "Our team has worked diligently to create a product of exceptional quality, and we are proud to support local farmers and communities through sustainable and ethical sourcing practices. We are committed to innovation and sustainability in our product development, aiming to provide nourishing options that benefit both individuals and the planet."

The blueberry juice is cold-pressed, resulting in a richer and more nutritious product. In addition, Pangea Natural Foods has partnered with a renowned leader in the field of high-pressure processing (HPP). This process allows for the elimination of harmful pathogens without the need for heat or artificial preservatives. As a result, consumers can enjoy Pangea Natural Foods blueberry juice knowing that it maintains its nutritional integrity while remaining safe for consumption.

Looking forward, Pangea Natural Foods continues to prioritize innovation and sustainability, striving to develop products that nourish both individuals and the planet.
