

**FOR IMMEDIATE RELEASE**

**GREAT EAGLE ANNOUNCES  
APPLICATION FOR A MANAGEMENT CEASE TRADE ORDER**

Vancouver, BC, October 29, 2024 – Great Eagle Gold Corp. (“**Great Eagle**” or the “**Company**”) (CSE: GEGC | OTC: GEGCF | FRA: GI8), announces that it was unable to file its annual financial statements, management’s discussion and analysis and the required certifications (the “**Annual Filings**”) on or before the prescribed filing deadline of October 28, 2024 (the “**Annual Filing Deadline**”) as required by National Instrument 51-102 – *Continuous Disclosure Obligations*, and National Instrument 52-109 – *Certification of Disclosure in Issuer’s Annual and Interim Filings*, respectively.

Subsequent to the year ended June 30, 2024, the Company appointed a new auditor. The Company and the auditor have been diligently working to complete the Annual Filings, however, the Company was not able to make the required filings by the Annual Filing Deadline. The Company believes that the Annual Filings will be completed by early November, 2024, at which time we will be able to finalize and file the Annual Filings.

As a result, the Company filed an application to the British Columbia Securities Commission to approve a temporary management cease trade order (“**MCTO**”) under National Policy 12-203 – *Management Cease Trade Orders* (“**NP 12-203**”). The MCTO was granted, effective October 29, 2024 prohibiting trading in securities of the Company by the CEO, Andrew Ross Fletcher and CFO, Gary Bruce Harbottle.

The Company expects to file the Annual Filings by early November, 2024. The MCTO will be in effect until the Annual Filings are filed. The Company confirms that it will comply with the alternative information guidelines included in NP 12-203 so long as the Annual Filings are outstanding.

**Great Eagle Gold Corp. (CSE: GEGC | OTC: GEGCF | FRA: GI8)**, a Canadian public company also listed in the United States and Germany, is the world’s premier NatGold miner. Championed by Abu Dhabi-based NatGold Digital Ltd., NatGold represents a pioneering fusion of gold’s timeless wealth protection, ESG principles, and digital asset innovation. This positions NatGold at the forefront of a super-trend that merges these three global investment trends into one unparalleled real-world asset-backed investment opportunity. NatGold captures gold’s intrinsic value via a novel, legislatively supported, ESG-friendly digital mining process instead of traditional physical extraction.

Great Eagle’s unique strategy focuses on acquiring NI 43-101 certified gold resources to digitally mine into NatGold coins within the cutting-edge NatGold tokenization and monetization ecosystem, operated by NatGold Digital. This approach allows Great Eagle to adopt an innovative, ESG-friendly method to monetize gold’s intrinsic value. The company’s immediate focus is on acquiring tokenization-ready U.S. Patented Land Claims containing NI 43-101 certified gold resources while maintaining an eye on global

legislative moves that will make global expansion viable. For more information, visit [www.greateaglegold.com](http://www.greateaglegold.com).
