EXPLANATORY NOTE

MariMed Inc. (the “Company,” “MariMed,” “we,” “us” or “our”) is filing this Amendment No. 1 on Form 10-K/A (this “Amendment”) to amend our Annual Report on Form 10-K for the year ended December 31, 2022 (our “Form 10-K”), originally filed with the Securities and Exchange Commission (the “SEC”) on March 3, 2023, solely to correct the date on the M&K CPAS PLLC Report of Independent Registered Public Accounting Firm (the “M&K Report”) set forth at page 29 of the Report. As reflected in the Amendment, the M&K Report was issued on March 3, 2023. The original filing inadvertently reflected a date of “March XX, 2023”.

In accordance with Rule 12b-15 under the Securities Exchange Act of 1934, as amended, new Exhibits 31.1 and 31.2 are filed herewith. This Amendment does not amend or otherwise update any other information in our Form 10-K.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors and Stockholders of MariMed Inc.

Opinion on the Consolidated Financial Statements

We have audited the accompanying consolidated balance sheets of MariMed Inc. (the Company) as of December 31, 2022 and 2021, and the related consolidated statements of operations, stockholders' equity, and cash flows for each of the years in the two-year period ended December 31, 2022, and the related notes (collectively referred to as the financial statements). In our opinion, the financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2022 and 2021, and the results of its operations and its cash flows for each of the years in the two-year period ended December 31, 2022, in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statements based on our audits. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audits in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. The Company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. As part of our audits, we are required to obtain an understanding of internal control over financial reporting, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion.

Our audits included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audits also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audits provide a reasonable basis for our opinion.

Critical Audit Matters

The critical audit matters communicated below are matters arising from the current period audit of the financial statements that were communicated or required to be communicated to the audit committee and that: (1) relate to accounts or disclosures that are material to the financial statements and (2) involved our especially challenging, subjective, or complex judgments. The communication of critical audit matters does not alter in any way our opinion on the financial statements, taken as a whole, and we are not, by communicating the critical audit matters below, providing separate opinions on the critical audit matters or on the accounts or disclosures to which they relate.

Inventory

As discussed in the notes to the financial statements, the Company allocates a certain percentage of overhead cost to its manufactured inventory.

Auditing management's allocation of overhead involves significant judgements and estimates to determine the proper allocation.

To evaluate the appropriateness of the allocation of overhead to inventory, we evaluated management's significant judgments and estimates in what parts of overhead should be included and the allocation of these costs.

We have served as the Company's auditor since 2018.
