# InHouse by MariMed Launches Help on the Homefront, to Support Veterans Facing Housing Challenges

**Local Veterans in Maryland, Massachusetts, Delaware, and Illinois Can Enter to Win \$5,000 to Help Offset the Cost of Housing or Home Improvements this November**

NORWOOD, Mass., Oct. 31, 2024 (GLOBE NEWSWIRE) -- [InHouse™](#), MariMed's ("MariMed") (CSE: MRMD) (OTCQX: MRMD) high quality, value-priced line of flower, vapes, and gummies, is committed to serving local communities by finding ways to provide support to those in need. The mission continues this November with the brand's latest philanthropic initiative, *Help on the Homefront*, a program designed to bring awareness to the housing challenges faced by our veterans across the country.

Through *Help on the Homefront*, InHouse will provide \$5,000 to a veteran in several of its retail markets, including Maryland, Massachusetts, Delaware, and Illinois. The award is intended to offset the financial burden of monthly housing expenses or vital home improvements.

"*Help on the Homefront* was created to recognize the many sacrifices that veterans have made on behalf of our country and offer meaningful financial relief to those facing housing-related difficulties," said Olya Key, Brand Director for InHouse at MariMed. "We hope this program can provide some support to veterans in our communities as a small way of giving back."

Beginning November 1, eligible veterans 21+ years of age may enter to win online by visiting <https://www.inhousecannabis.com/veterans>. Friends and family are also welcome to submit an entry on behalf of a veteran. There is no purchase necessary to participate and winners will be randomly selected and announced after the program concludes on November 30.
