Forward Looking Statements

Certain statements contained in this press release may constitute forward-looking information. These statements relate to future events or future performance. The use of any of the words "could", "intend", "expect", "believe", "will", "projected", "estimated", "proposed" and similar expressions and statements relating to matters that are not historical facts are intended to identify forward-looking information and are based on the Corporation's current belief or assumptions as to the outcome and timing of such future events. In particular, this release contains forward-looking information relating to the anticipated filing of the financial statements, the approval of the management cease trade order by the OSC and the potential issuance of a general cease trade order by the OSC. Such forward-looking information are subject to risks and uncertainties that may cause actual results, performance or developments to differ materially from those contained in the statements. The forward-looking information contained in this release is made as of the date hereof and the Corporation is not obligated to update or revise any forward-looking information, whether as a result of new information, future events or otherwise, except as required by applicable securities laws. Because of the risks, uncertainties and assumptions contained herein, investors should not place undue reliance on forward-looking information. The foregoing statements expressly qualify any forward-looking information contained herein.
