

## PEAK MINERALS LTD.

### MANAGEMENT'S DISCUSSION AND ANALYSIS OF THE COMPANY'S FINANCIAL CONDITION AND RESULTS OF OPERATIONS FOR THE YEAR ENDED SEPTEMBER 30, 2022

---

January 27, 2023

This Management Discussion and Analysis ("MD&A") of Peak Minerals Ltd. ("Peak" or the "Company") has been prepared by management as of January 27, 2023 and should be read together with the financial statements and related notes for the year ended September 30, 2022 which are prepared in accordance with International Financial Reporting Standards ("IFRS").

#### FORWARD LOOKING STATEMENTS

The information set forth in this MD&A contains statements concerning future results, future performance, intentions, objectives, plans and expectations that are, or may be deemed to be, forward-looking statements. These statements concerning possible or assumed future results of operations of the Company are preceded by, followed by or include the words 'believes,' 'expects,' 'anticipates,' 'estimates,' 'intends,' 'plans,' 'forecasts,' or similar expressions. Forward-looking statements are not guarantees of future performance. These forward-looking statements are based on current expectations that involve numerous risks and uncertainties, including, but not limited to, those identified in the Risks Factors section. Assumptions relating to the foregoing involve judgments with respect to, among other things, future economic, competitive and market conditions and future business decisions, all of which are difficult or impossible to predict accurately and many of which underlying the forward-looking statements are reasonable, any of the assumptions could prove inaccurate. These factors should be considered carefully, and readers should not place undue reliance on forward-looking statements. The Company may not provide updates or revise any forward-looking statements, except those otherwise required under paragraph 5.8(2) of NI 51-102, whether written or oral that may be made by or on the Company's behalf.

In March 2020, the World Health Organization declared the outbreak of the novel strain of coronavirus, specifically identified as "COVID-19", a global pandemic which has resulted in governments worldwide enacting emergency measures to combat the spread of the virus. These measures, which include the implementation of travel bans, self-imposed quarantine periods and physical distancing, have caused material disruption to business globally resulting in an economic slowdown. Global equity markets have experienced significant volatility and weakness. The duration and impact of the COVID-19 outbreak is unknown at this time, as is the efficacy of the government and central bank interventions. It is not possible to reliably estimate the length and severity of these developments and the impact on the financial results and condition of the Company in the future.

#### OVERALL PERFORMANCE

The Company is engaged in the business of mineral exploration.

**SUMMARY OF QUARTERLY RESULTS**

The Company was incorporated on May 12, 2021 and, for that reason, only the previous six quarters have been presented in the table below.

	Q4	Q3	Q2	Q1
	September 30, 2022	June 30, 2022	March 31, 2022	December 31, 2021
Net Loss for the Period	\$ (121,325)	\$ (14,656)	\$ (10,166)	\$ (13,208)
Loss per Share	\$ (0.01)	\$ (0.00)	\$ (0.00)	\$ (0.00)

	Q4	Q3
	September 30, 2021	June 30, 2021
Net Loss for the Period	\$ (77,093)	\$ (3,983)
Loss per Share	\$ (0.01)	\$ (0.00)

The increase in the period ended September 30, 2022 is due to activities related to the initial public offering completed during the quarter. The decrease in the periods ended June 30, 2022, March 31, 2022 and December 31, 2021

compared to 2021 Q4 is due to a decrease in corporate activity as a result of the completion of the exploration program in September 2021. The increase in the three-month period ended September 30, 2021 is due to increase in corporate activity and commencement of mineral exploration activity compared to initial start-up activities in the 1.5 month period ended June 30, 2021.

## **EXPLORATION AND PROJECTS**

The principal asset of the Company is its option to acquire up to a 75% interest in the Aida Property, a gold prospect.

### Aida Property

On June 8, 2021 the Company entered into an agreement to acquire up to a 75% interest in six mining claims in the Kamloops Mining Division, British Columbia. To acquire a 51% interest, the Company issued 100,000 common shares (issued for \$2,000) and made a cash payment of \$5,000 to the vendor.

To earn a further 24% (for a total of 75%), the Company must pay the vendor \$5,000 on or before June 8, 2022 (paid), issue 100,000 common shares on or before the first anniversary of the initial listing of the Company's shares on an exchange (issued), and incur aggregate exploration expenditures of \$200,000 of which \$75,000 must be incurred before June 8, 2022 (incurred) and \$125,000 on or before the first anniversary of the initial listing of the Company's shares on an exchange (incurred \$44,390 as at September 30, 2022). Should the Company not earn the additional 24% interest, the property will revert back to the vendor.

The property is subject to a net smelter return royalty of 2% payable to the vendors.

The Property is located in the Kamloops Mining approximately two kilometres north of Salmon Arm in the southern interior of British Columbia. The Property consists of five mineral claims covering an area of 2,335 hectares.

The Property is in a relatively undeveloped area. Since 1920, exploration has been limited to prospecting, sampling, trenching and geophysical surveys. The programs have identified potential zinc, lead, and silver deposits.

An independent geological report (the "Technical Report") prepared by Derrick Strickland, P. Geo. who is a "Qualified Person" as defined in National Instrument 43-101 – Standards of Disclosure for Mineral Projects ("NI 43-101"), was completed in relation to the Property on October 2, 2021. The Technical Report recommends that the Company conduct further data compilation and geophysical analysis and a surface exploration and trenching program.

### Exploration Expenditures

Peak Minerals has incurred the following exploration expenditures with regards to the Property that were capitalized as incurred from incorporation to September 30, 2022:

Assays and testing	\$ 21,271
Geological consulting	56,490
Reports and administration	18,000
Travel, accommodation, and supplies	23,629
	<u>\$ 119,390</u>

### Future Plans

In relation to the Property, the Company currently plans to follow recommendations made in the Technical Report. The Technical Report recommends that the Company retain a geophysicist to further interpret the airborne survey results, compile all available data, and undertake an exploration program which includes mapping, soil sampling and trenching of areas of interest. The estimated budget is \$114,850.

**RISKS AND UNCERTAINTIES**

The Company's principal activity is mineral exploration and development. Companies in this industry are subject to many and varied kinds of risks, including but not limited to, environmental, metal prices, political and economical. The Company has no producing properties, no significant source of operating cash flow and consequently no sales or revenue from operations. The Company has either not yet determined whether its mineral properties contain mineral reserves that are economically recoverable or where reserves have been determined, mining operations have not yet commenced. The Company has limited financial resources. Substantial expenditures are required to be made by the Company to establish reserves.

The property interests in whom the Company has an option to earn an interest are in the exploration stages only, are without and may not result in any discoveries of commercial mineralization, and have no ongoing mining operations. Mineral exploration involves a high degree of risk and few properties, which are explored, are ultimately developed into producing mines, the result being the Company will be forced to look for other exploration projects. The Company is subject to the laws and regulations relating to environmental matters in all jurisdictions in which it operates, including provisions relating to property reclamation, discharge of hazardous materials and other matters.
