INFORMATION CIRCULAR

(all information as at July 21, 2023, unless otherwise stated)

Sasquatch Resources Corp. (“**Sasquatch**” or the “**Company**”) is providing this Information Circular and a form of proxy in connection with management’s solicitation of proxies for use at the Annual General and Special Meeting (the “**Meeting**”) of Sasquatch to be held on Tuesday, August 29, 2023, and at any adjournments. Sasquatch will conduct its solicitation by mail and officers and employees of Sasquatch may, without receiving special compensation, also telephone or make other personal contact. Sasquatch will pay the cost of solicitation.

PROXY RELATED INFORMATION

Appointment of Proxyholder

The purpose of a proxy is to designate persons who will vote the proxy on a shareholder’s behalf in accordance with the instructions given by the shareholder in the proxy. The persons whose names are printed in the enclosed form of proxy are officers, directors or representatives of Sasquatch (the “**Management Proxyholders**”).

A shareholder has the right to appoint a person other than a Management Proxyholder to represent the shareholder at the Meeting by striking out the names of the Management Proxyholders and by inserting the desired person’s name in the blank space provided or by executing a proxy in a form similar to the enclosed form. A proxyholder need not be a shareholder.

Voting by Proxy

Only registered shareholders or duly appointed proxyholders are permitted to vote at the Meeting. Shares represented by a properly executed proxy will be voted or be withheld from voting on each matter referred to in the Notice of Meeting in accordance with the instructions of the shareholder on any ballot that may be called for and if the shareholder specifies a choice with respect to any matter to be acted upon, the shares will be voted accordingly.

If a shareholder does not specify a choice and the shareholder has appointed one of the Management Proxyholders as proxyholder, the Management Proxyholder will vote in favour of the matters specified in the Notice of Meeting and in favour of all other matters proposed by management at the Meeting.

The enclosed form of proxy also gives discretionary authority to the person named therein as proxyholder with respect to amendments or variations to matters identified in the Notice of the Meeting and with respect to other matters which may properly come before the Meeting. At the date of this Information Circular, management of Sasquatch knows of no such amendments, variations or other matters to come before the Meeting.

Completion and Return of Proxy

Completed forms of proxy must be deposited at the office of Sasquatch’s registrar and transfer agent,

Endeavor Trust Corporation, Suite 702, 777 Hornby Street, Vancouver, BC V6Z 1S4, not later than forty-eight (48) hours, excluding Saturdays, Sundays and holidays, prior to the time of the Meeting, unless the chairman of the Meeting elects to exercise his discretion to accept proxies deposited subsequently.

Non-Registered Holders

Only shareholders whose names appear on the records of Sasquatch as the registered holders of shares or duly appointed proxyholders are permitted to vote at the Meeting. Most shareholders of Sasquatch are “non-registered” shareholders because the shares they own are not registered in their names but instead registered in the name of a nominee such as a brokerage firm through which they purchased the shares; bank, trust company, trustee or administrator of self-administered RRSP’s, RRIF’s, RESP’s and similar plans; or clearing agency such as The Canadian Depository for Securities Limited (a “**Nominee**”). If you purchased your shares through a broker, you are likely an unregistered holder.

There are two kinds of non-registered shareholders - those who object to their name being made known to the issuers of securities which they own (called “**OBOs**” for “**Objecting Beneficial Owners**”) and those who do not object to the issuers of the securities they own knowing who they are (called “**NOBOs**” for “**Non-Objecting Beneficial Owners**”).

In accordance with securities regulatory policy, Sasquatch has distributed copies of the Meeting materials, being the Notice of Meeting, this Information Circular and the Proxy, directly to NOBO and to the Nominees for distribution to OBOs.

Management of the Company does not intend to pay for intermediaries to forward to OBOs under NI 54-101 the proxy-related materials and Form 54-101F7 – Request for Voting Instructions Made by Intermediary, and, in the case of an OBO, the OBO will not receive the materials unless the OBO’s intermediary assumes the cost of delivery.

Nominees are required to forward the Meeting materials to non-registered holders to seek their voting instructions in advance of the Meeting. Shares held by Nominees can only be voted in accordance with the instructions of the non-registered holder. The Nominees often have their own form of proxy, mailing procedures and provide their own return instructions. If you wish to vote by proxy, you should carefully follow the instructions from the Nominee in order that your Shares are voted at the Meeting.

If you, as a non-registered holder, wish to vote at the Meeting in person, you should appoint yourself as proxyholder by writing your name in the space provided on the request for voting instructions or proxy provided by the Nominee and return the form to the Nominee in the envelope provided. Do not complete the voting section of the form as your vote will be taken at the Meeting.

In addition, Canadian securities legislation now permits Sasquatch to forward meeting materials directly to “non-objecting beneficial owners”. If Sasquatch or its agent has sent these materials directly to you (instead of through a Nominee), your name, address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the Nominee holding on your behalf. By choosing to send these materials to you directly, Sasquatch (and not the Nominee holding on your behalf) has assumed responsibility for (i) delivering these materials to you and (ii) executing your proper voting instructions.

Revocability of Proxy

Any registered shareholder who has returned a proxy may revoke it at any time before it has been exercised. In addition to revocation in any other manner permitted by law, a registered shareholder, his

attorney authorized in writing or, if the registered shareholder is a corporation, a corporation under its corporate seal or by an officer or attorney thereof duly authorized, may revoke a proxy by instrument in writing, including a proxy bearing a later date. The instrument revoking the proxy must be deposited at the registered office of Sasquatch, at any time up to and including the last business day preceding the date of the Meeting, or any adjournment thereof, or with the chairman of the Meeting on the day of the Meeting. **Only registered shareholders have the right to revoke a proxy. Non-Registered Holders who wish to change their vote must, at least seven days before the Meeting, arrange for their Nominees to revoke the proxy on their behalf.**

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The authorized capital of Sasquatch consists of an unlimited number of common shares without par value. As at the date hereof, there are issued and outstanding 23,275,429 fully paid and non-assessable common shares without par value, each share carrying the right to one vote. The Company has no other classes of voting securities.

Persons who are registered shareholders at the close of business on July 21, 2023, will be entitled to receive notice of and vote at the Meeting and will be entitled to one vote for each share held.

To the knowledge of the directors and senior officers of Sasquatch, no person beneficially owns, directly or indirectly, or exercises control or direction over shares carrying more than 10% of the voting rights attached to all outstanding shares of Sasquatch that have the right to vote in all circumstances.

Stock Option Plans and Other Incentive Plans

The Company has adopted a stock option plan (the “**Plan**”) which provides eligible directors, officers, employees and consultants with the opportunity to acquire an ownership interest in the Company and is the basis for the Company’s long-term incentive scheme. The Plan was previously approved by the shareholders of the Company on November 18, 2021. The key features of the Plan are as follows:

- The maximum number of common shares issuable under the Plan shall not exceed 20% of the number of common shares of the Company issued and outstanding as of each award date, inclusive of all common shares reserved for issuance pursuant to previously granted stock options.
- The options have a maximum term of ten years from the date of issue.
- Options vest as the board of directors of the Company may determine upon the award of the options.

- The expiry date of an option shall be the earlier of the date fixed by the Company’s board of directors on the award date, and: (a) in the event of the death of the option holder while he or she is a director or employee (other than an employee performing investor relations activities), 12 months from the date of death of the option holder, or while he or she is a consultant or an employee performing investor relations activities, 30 days from the date of death of the option holder; (b) in the event that the option holder holds his or her option as a director and such option holder ceases to be a director of the Company other than by reason of death, 90 days following the date the option holder ceases to be a director (provided however that if the option holder continues to be engaged by the Company as an employee or consultant, the expiry date shall remain unchanged), unless the option holder ceases to be a director as a result of ceasing to meet the qualifications set forth in section 124 of the *Business Corporations Act* (British Columbia) or a special resolution passed by the shareholders of the Company pursuant to section 128(3) of the *Business Corporations Act* (British Columbia), in which case the expiry date will be the date that the option holder ceases to be a director of the Company; (c) in the event that the option holder holds his or her option as an employee or consultant of the Company (other than an employee or consultant performing investor relations activities) and such option holder ceases to be an employee or consultant of the Company other than by reason of death, 30 days following the date the option holder ceases to be an employee or consultant, unless the option holder ceases to be such as a result of termination for cause or an order of the British Columbia Securities Commission, the Canadian Securities Exchange or any regulatory body having jurisdiction to so order, in which case the expiry date shall be the date the option holder ceases to be an employee or consultant of the Company; and (d) in the event that the option holder holds his or her option as an employee or consultant of the Company who provides investor relations activities on behalf of the Company, and such option holder ceases to be an employee or consultant of the Company other than by reason of death, the expiry date shall be the date the option holder ceases to be an employee or consultant of the Company.

The Plan may be terminated at any time by resolution of the board of directors, but any such termination will not affect or prejudice rights of participants holding options at that time. If the Plan is terminated, outstanding options will continue to be governed by the provisions of the Plan.

Other than as described below or elsewhere in this Information Circular, there are no agreements or arrangements under which management functions of Sasquatch or any subsidiary of Sasquatch are, to any substantial degree, performed by a person other than the directors or executive officers of Sasquatch or a subsidiary of Sasquatch.

CORPORATE GOVERNANCE DISCLOSURE

On June 30, 2005, National Instrument 58-101 – *Disclosure of Corporate Governance Practices* (“**NI 58-101**”) and National Policy 58-201 – *Corporate Governance Guidelines* (the “**Guidelines**”), came into force. The Guidelines address matters such as the constitution of and the functions to be performed by the Company’s board. NI 58-101 requires that the Company disclose its approach to corporate governance with reference to the Guidelines. The board of the Company is committed to ensuring that the Company has an effective corporate governance system, which adds value and assists the Company in

achieving its objectives.

Board of Directors

Each of Thomas Lamb, Justin Deveault and Brad Newell is an “independent” director, according to the definition set out in NI 52-110. Peter Smith is not independent as he is currently an executive officer of the Company.

The independent directors believe that their knowledge of the Company’s business and their independence are sufficient to facilitate the functioning of the board independently of management. To facilitate open and candid discussion among the board’s independent directors, the independent directors have the discretion to meet in private in the absence of the other directors whenever they believe it is appropriate to do so. To date, the independent directors have not held a meeting at which non-independent directors and members of management were not in attendance.

Other Directorships

The directors of the Company are presently directors of other reporting issuers, as follows:

<u>Director</u>	<u>Other Issuers</u>
Peter Smith	None
Thomas Lamb	Myriad Uranium Corp.
Brad Newell	Rush Rare Metals Corp.
Justin Deveault	None

Orientation and Continuing Education

Management will ensure that a new appointee to the board receives the appropriate written materials to fully apprise him or her of the duties and responsibilities of a director pursuant to applicable law and policy. Each new director brings a different skill set and professional background, and with this information, the board is able to determine what orientation to the nature and operations of the Company’s business will be necessary and relevant to each new director.

Ethical Business Conduct

The board expects management to operate the business of the Company in a manner that enhances shareholder value and is consistent with the highest level of integrity. Management is expected to execute the Company’s business plan and to meet performance objectives and goals. In addition, the board must comply with conflict of interest provisions in Canadian corporate law, including relevant securities regulatory instruments, in order to ensure that directors exercise independent judgment in considering transactions and agreements in respect of which a director or executive officer has a material interest.

Nomination of Directors

Given the Company’s current stage of development and size of the board, the board is presently of the view that it functions effectively as a committee of the whole with respect to the nomination of directors. The entire board will assess potential nominees and take responsibility for selecting new directors. Any nominees are expected to be generally the result of recruitment efforts by the board members, including

both formal and informal discussions among board members and management of the Company.

The Company's Articles include a provision requiring advance notice of the nomination of persons to act as directors of the Company. Under this provision, subject only to the *Business Corporations Act* (British Columbia), nominations of persons for election to the board may be made at any annual meeting of shareholders, or at any special meeting of shareholders if one of the purposes for which the special meeting was called was the election of directors, (a) by or at the direction of the board or an authorized officer of the Company, including pursuant to a notice of meeting, (b) by or at the direction or request of one or more shareholders pursuant to a proposal made in accordance with the provisions of the *Business Corporations Act* (British Columbia) or a requisition of the shareholders made in accordance with the provisions of the *Business Corporations Act* (British Columbia) or (c) by any person (a "**Nominating Shareholder**") (i) who, at the close of business on the date of the giving of the notice of nomination and on the record date for notice of such meeting, is entered in the central securities register of the Company as a holder of one or more shares carrying the right to vote at such meeting or who beneficially owns shares that are entitled to be voted at such meeting and (ii) who complies with the notice procedures set out in the advance notice provision, including without limitation that such notice must be provided to the Company (A) in the case of an annual meeting of shareholders, not more than 65 days and not less than 30 days prior to the date of the annual meeting of shareholders (provided, however, that in the event that the annual meeting of shareholders is called for a date that is less than 50 days after the date on which the first public announcement of the date of the annual meeting was made (the "**Notice Date**"), notice by the Nominating Shareholder may be made not later than the close of business on the 10th business day following the Notice Date); and (B) in the case of a special meeting (which is not also an annual meeting) of shareholders called for the purpose of electing directors (whether or not called for other purposes), not later than the close of business on the 15th business day following the day on which the first public announcement of the date of the special meeting of shareholders was made.

Compensation

The Company does not have a Compensation Committee. Compensation matters for the Company's directors and officers are dealt with by the full board. The board meets to discuss and determine director and management compensation without reference to formal objectives, criteria or analysis.

Other Board Committees

The only board committee of the Company is the Audit Committee.

Assessments

The board annually reviews its own performance and effectiveness. Neither the Company nor the board has determined formal means or methods to regularly assess the board, its committees or the individual directors with respect to their effectiveness and contributions. Effectiveness is subjectively measured by comparing actual corporate results with stated objectives. The contributions of an individual director are informally monitored by the other board members, having in mind the business strengths of the individual and the purpose of originally nominating the individual to the board.

The board is of the view that the Company's corporate governance practices are appropriate and effective for the Company, given its relatively small size and limited operations. The Company's method of corporate governance allows for the Company to operate efficiently, with simple checks and balances that control and monitor management and corporate functions without excessive administrative burden.

AUDIT COMMITTEE DISCLOSURE

General

The Audit Committee is responsible for reviewing the Company's financial reporting procedures, internal controls and the performance of the financial management and external auditor of the Company. The Audit Committee also reviews the annual and interim financial statements and makes recommendations to the board.

As the Company is a "venture issuer" (as defined in National Instrument 52-110 – Audit Committees ("NI 52-110")), it is relying on the exemptions provided to it under section 6.1 of NI 52-110 with respect to the composition of the Audit Committee and with respect to Audit Committee reporting obligations. At no time since the commencement of the Company's most recently completed financial year has the Company relied on the exemption in Section 2.4 of NI 52-110 (*De Minimis* Non-Audit Services), or an exemption from NI 52-110, in whole or in part, granted under Part 8 of NI 52-110.

The Audit Committee has adopted specific policies and procedures for the engagement of non-audit services as described in the charter of the Audit Committee under the heading "Responsibilities". At no time since the commencement of the Company's most recently completed financial year was a recommendation of the Audit Committee to nominate or compensate an external auditor not adopted by the board of directors.

The Audit Committee is comprised of Peter Smith, Thomas Lamb and Brad Newell, all of whom are "financially literate" and two of whom are "independent", as those terms are defined in NI 52-110. Peter Smith is not independent. The education and experience of each audit committee member that is relevant to the performance of his responsibilities as an audit committee member, and in particular the education or experience that provides each member with (i) an understanding of the accounting principles used by the Company to prepare its financial statements, (ii) the ability to assess the general application of such accounting principles in connection with the accounting for estimates, accruals and provisions, (iii) experience preparing, auditing, analyzing or evaluating financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of issues that can reasonably be expected to be raised by the Company's financial statements, and (iv) an understanding of internal controls and procedures for financial reporting, is as follows:

Peter Smith Mr. Smith was educated at SFU, UBC, and Cambridge University (Trinity Hall College) and has been an officer, director, audit committee member and/or founder of numerous public companies over the past two decades, and in such capacities he has been responsible for reviewing, analyzing, evaluating and approving interim and annual financial statements and related financial disclosure documents.

Thomas Lamb Mr. Lamb holds an MSc from London Business School, and also JD and BA degrees. He has also been a founder, director and officer of numerous public and private companies, and in such capacities he has been responsible for reviewing, analyzing, evaluating and approving interim and annual financial statements and related financial disclosure documents.

Brad Newell Mr. Newell runs a successful floor retail business, operates a Lower Mainland golf course and is the current Chairman of Advance Lithium Corp. In such capacities, he has been responsible for reviewing, analyzing, evaluating and

approving interim and annual financial statements and related financial disclosure documents.

The Audit Committee is accountable to the Board. In the course of fulfilling its specific responsibilities hereunder, the Audit Committee is expected to maintain an open communication between Sasquatch’s external auditors and the Board.

The responsibilities of a member of the Audit Committee are in addition to such member’s duties as a member of the Board.

The Audit Committee does not plan or perform audits or warrant the accuracy or completeness of Sasquatch’s financial statements or financial disclosure or compliance with generally accepted accounting procedures as these are the responsibility of management and the external auditors.

Relationship with External Auditors

The external auditor is required to report directly to the Audit Committee. Opportunities shall be afforded periodically to the external auditor and to members of senior management to meet separately with the Audit Committee.

- (b) questioning management and the external auditor regarding significant financial reporting issues discussed during the fiscal period and the method of resolution;
 - (c) reviewing audited annual financial statements, in conjunction with the report of the external auditor;
 - (d) reviewing any problems experienced by the external auditor in performing the audit, including any restrictions imposed by management or significant accounting issues on which there was a disagreement with management; and
 - (e) reviewing the evaluation of internal controls by the external auditor, together with management's response.
3. The Audit Committee shall review interim unaudited financial statements before release to the public.
 4. The Audit Committee shall review all public disclosures of audited or unaudited financial information before release, including any prospectus, annual report, annual information form, and management's discussion and analysis.
 5. The Audit Committee shall review the appointments of the chief financial officer and any other key financial executives involved in the financial reporting process, as applicable.
 6. Except as exempted by securities regulatory policies, the Audit Committee shall pre-approve all non-audit services to be provided to Sasquatch or its subsidiary entities by the external auditor.
 7. The Audit Committee shall ensure that adequate procedures are in place for the review of Sasquatch's public disclosure of financial information extracted or derived from Sasquatch's financial statements, and shall periodically assess the adequacy of those procedures.
 8. The Audit Committee shall establish procedures for:
 - (a) the receipt, retention and treatment of complaints received by Sasquatch regarding accounting, internal accounting controls, or auditing matters; and
