

## SASQUATCH RESOURCES ANNOUNCES CHANGES TO BOARD OF DIRECTORS

Vancouver, British Columbia – December 12, 2023 – **SASQUATCH RESOURCES CORP. (CSE: SASQ)** (“**Sasquatch**” or the “**Company**”) is pleased to announce that Mr. Lou Webster has been appointed as a director of the Company, effective immediately. Lou has been a lawyer in British Columbia for over 25 years and has a broad and eclectic range of contacts in both the profession and the community. Lou has been involved in the junior mining sector for approximately 8 years. He is the President and CEO of Marster Metals Incorporated, a private exploration company with claims in New Brunswick, Quebec, Newfoundland and Ontario, and is a special advisor to other private companies.

Mr. Webster’s appointment is in conjunction with the resignation by Mr. Brad Newell as a director of the Company to focus on other interests. Sasquatch’s board of directors thanks Mr. Newell for his contributions to the Company and wishes him well in his future endeavours.

### **About the Company**

Sasquatch Resources Corp. is a mineral exploration company focused on its Mount Sicker Property in southern Vancouver Island, British Columbia. ### **On Behalf of the Board of Directors**

Peter Smith  
Chief Executive Officer  
778.999.7030

### **Forward-Looking Information**

*Certain statements in this news release are forward-looking statements, including with respect to future plans, and other matters. Forward-looking statements consist of statements that are not purely historical, including any statements regarding beliefs, plans, expectations or intentions regarding the future. Such information can generally be identified by the use of forwarding-looking wording such as “may”, “expect”, “estimate”, “anticipate”, “intend”, “believe” and “continue” or the negative thereof or similar variations. The reader is cautioned that assumptions used in the preparation of any forward-looking information may prove to be incorrect, including with respect to the Company’s business plans respecting the exploration and development of the Mount Sicker Property, the proposed work program on the Mount Sicker Property and the potential and economic*

*viability of the Mount Sicker Property. Events or circumstances may cause actual results to differ materially from those predicted, as a result of numerous known and unknown risks, uncertainties, and other factors, many of which are beyond the control of the Company, including but not limited to, business, economic and capital market conditions, the ability to manage operating expenses, and dependence on key personnel. Such statements and information are based on numerous assumptions regarding present and future business strategies and the environment in which the Company will operate in the future, anticipated costs, and the ability to achieve goals. Factors that could cause the actual results to differ materially from those in forward-looking statements include, the continued availability of capital and financing, litigation, failure of counterparties to perform their contractual obligations, loss of key employees and consultants, and general economic, market or business conditions. Forward-looking statements contained in this news release are expressly qualified by this cautionary statement. The reader is cautioned not to place undue reliance on any forward-looking information.*

*The forward-looking statements contained in this news release are made as of the date of this news release. Except as required by law, the Company disclaims any intention and assumes no obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.*

*The CSE has not reviewed, approved or disapproved the contents of this news release.*
