DR. ILIYA GARKOV, DUNDEE PRECIOUS METALS' CHIEF OPERATING OFFICER, JOINS GALLOPER GOLD BOARD OF DIRECTORS

Vancouver, BC, November 14, 2024 – Galloper Gold Corp. (CSE: BOOM; OTC: GGDCF) (the "Company" or "Galloper") is pleased to announce that Dr. Iliya Garkov, Executive Vice-President and Chief Operating Officer for Dundee Precious Metals Inc. (TSX: DPM), has joined Galloper's Board of Directors.

Dr. Garkov has over three decades of international mining experience in Bulgaria, Australia and Armenia. Since 2003, when Dundee Precious Metals acquired its assets in Bulgaria, he has held a number of leadership roles within the company and was appointed to his current position in February 2024, helping grow DPM's profitability and its market capitalization to approximately \$2.5 billion.

Dr. Garkov was a key contributor to the transformation of DPM's Chelopech mine into a world-class mining operation and the successful commissioning and ramp-up of the Ada Tepe mine. He has also led the company's exploration activities in Bulgaria and Serbia.

Galloper's CEO, Mr. Hratch Jabrayan, commented: "I am delighted that Iliya has joined our Board as we continue the process of turning Galloper into a leading junior gold company in Newfoundland with our flagship Glover Island asset. Iliya is highly regarded in the sector and will bring invaluable new expertise to Galloper to help us take Glover Island to the next level."

Dr. Garkov commented: "Glover Island is in a prolific geological setting for gold in a rapidly growing mining area of Western Newfoundland where there are a variety of deposit types and an important new gold mine (Valentine) slated for production next year.

"I'm looking forward to assisting Hratch and the Galloper team to help unlock the value of Glover Island where over 100 historical drill holes, plus Galloper's recently completed first drill holes, provides us with a wealth of information to build a robust and effective exploration model aimed at making a significant new discovery."

Dr. Garkov has a PhD in mining engineering from the University of Mining and Geology St. Ivan Rilski in Bulgaria and is a graduate of the London Business School Senior Executive Programme.

To make room for Dr. Garkov on the Galloper Board, Mr. Rav Mlait has resigned as a Director of the Company. Galloper thanks Mr. Mlait for his contributions as a Director. He continues to serve as Galloper's Corporate Secretary.
