## GENERAL INFORMATION

The information contained in this Information Circular, unless otherwise indicated, is as of August 29, 2024.

This Information Circular is being mailed by management of the Company to everyone who was a shareholder of record of the Company on August 29, 2024 (the "**Record Date**"), which is the date that has been fixed by the Board of Directors of the Company (the "**Board**") as the record date to determine the shareholders who are entitled to receive notice of and to vote at the Meeting (as defined below).

This Information Circular is furnished in connection with the solicitation of proxies by and on behalf of management for use at the annual general and special meeting of the shareholders of the Company (the "**Meeting**") to be held on Wednesday, October 9, 2024 at 10:00 a.m. (Pacific time) at Suite 1400, 1125 Howe Street, Vancouver, B.C. The solicitation of proxies will be primarily by mail. Certain employees or directors of the Company may also solicit proxies by telephone, email or in person. The cost of solicitation will be borne by the Company.

The Meeting Materials (as defined below) are being sent to both registered and non-registered owners of the Company's common shares as of the Record Date (each a "**Share**") in accordance with National Instrument 54-101 - *Communication with Beneficial Owners of Securities of a Reporting Issuer* ("**NI 54-101**") and arrangements have been made with clearing agencies, brokerage houses and other financial intermediaries to deliver proxy solicitation materials to the beneficial owners of the Shares. The Company may pay the reasonable costs incurred by such persons in connection with such delivery.

*If you are a non-registered owner, and the Company or its agent has sent these materials directly to you, your name and address and information about your holdings of Shares have been obtained in accordance with applicable securities laws from the Intermediary (as defined below) holding the Shares on your behalf. By choosing to send these materials to you directly, the Company (and not the Intermediary holding on your behalf) has assumed responsibility for: (i) delivering these materials to you; and (ii) executing proper voting instructions. Please return your voting instructions as specified in the request for voting instructions or form of proxy delivered to you.*

Under the Company's Articles, two persons who are, or who represent by proxy, shareholders who, in the aggregate, hold at least 5% of the issued shares of the Company entitled to vote must be present at the Meeting before any action may validly be taken at the Meeting. If such a quorum is not present in person or by proxy, the Company will reschedule the Meeting.

## **PART 1 – VOTING**

---

### **HOW A VOTE IS PASSED**

Voting at the Meeting will be by a show of hands, each shareholder having one vote, unless a poll is requested or otherwise required, in which case each shareholder is entitled to one vote for each share held.

In order to approve a motion proposed at the Meeting a majority of greater than 50% of the votes cast will be required (an “**ordinary resolution**”) unless the motion requires a special resolution in which case a majority of 66 2/3% of the votes cast will be required (a “**special resolution**”).

### **WHO CAN VOTE?**

Registered shareholders whose names appear on the Company's central securities register maintained by Odyssey Trust Company (“**Odyssey**”), the Company's registrar and transfer agent, as of the close of business on August 29, 2024, the Record Date, are entitled to attend and vote at the Meeting. Each Share is entitled to one vote.

If your Shares are registered in the name of a “nominee” (usually a bank, trust company, securities dealer or other financial institution) you should refer to the section entitled “Non-Registered Shareholders” set out below.

### **HOW TO VOTE**

If you are a registered shareholder and eligible to vote, you can vote your shares in person at the Meeting or by signing and returning the accompanying form of proxy (the “**Proxy**”) by mail in the return envelope provided, facsimile or email or vote using the Internet as indicated on the form. Please see “Registered Shareholders” below.

If your shares are not registered in your name but are held by a nominee (usually a bank, trust company, securities broker or other financial institution), please see “Non-Registered Shareholders” below.

### **REGISTERED SHAREHOLDERS**

#### **Voting Instructions:**

- complete, date and sign the Proxy and return it to Odyssey Trust Company, Attn: Proxy Department by:
  1. email to [proxy@odysseytrust.com](mailto:proxy@odysseytrust.com);
  2. fax at 1-800-517-4553 (toll free within Canada and the U.S.) or (416) 263-9524 (international); or
  3. mail or hand delivery to Suite 702 – 67 Yonge Street, Toronto, Ontario M5E 1J8.
- log on to Odyssey's website at <https://login.odysseytrust.com/pxlogin>, click on “VOTE” and follow the instructions given on the website. You will need to insert your CONTROL NUMBER found printed with your address at the bottom right hand side of page 2 of your Proxy to vote by the Internet. If you vote by Internet, do not mail this proxy.

Whichever method you choose, the Proxy must be received or voting instructions completed at least forty-eight (48) hours (excluding Saturdays, Sundays and statutory holidays) prior to the time set for the Meeting or any adjournment thereof. In the case of a corporation, the Proxy must be executed under its corporate seal or signed by a duly authorized officer or attorney for the corporation.

If you plan to vote in person at the Meeting do NOT complete and return the Proxy. Instead, you will need to register with Odyssey when you arrive at the Meeting and your vote will be taken and counted at the Meeting. If your Shares are registered in the name of a corporation, a duly authorized officer of the corporation may attend on its behalf but documentation indicating such officer's authority should be presented at the Meeting.

## **NON-REGISTERED SHAREHOLDERS**

Only registered shareholders or the persons they appoint as their proxies are permitted to vote at the Meeting. Most shareholders are "non-registered shareholders" ("**Non-Registered Holders**") because the Shares they own are not registered in their names but are instead registered in the name of the brokerage firm, bank or trust company through which they purchased the Shares. Shares beneficially owned by a Non-Registered Holder are registered either: (i) in the name of an intermediary (an "**Intermediary**") that the Non-Registered Holder deals with in respect of the Shares (including, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSP's, RRIFs, RESPs and similar plans); or (ii) in the name of a clearing agency (such as CDS Clearing and Depository Services Inc. or The Depository Trust & Clearing Corporation) of which the Intermediary is a participant. In accordance with applicable securities law requirements, the Company has distributed copies of the Notice of Meeting, this Information Circular and the Proxy or voting instruction form, as applicable, (collectively, the "**Meeting Materials**") to the clearing agencies and Intermediaries for onward distribution to Non-Registered Holders.

Intermediaries are required to forward the Meeting Materials to Non-Registered Holders and seek voting instructions unless in the case of certain proxy-related materials the Non-Registered Holder has waived the right to receive them. The majority of Intermediaries now delegate responsibility for obtaining instructions from Non-Registered Holders to Broadridge Financial Solutions Inc. ("**Broadridge**"). Broadridge typically mails a scannable voting instruction form or "VIF" to Non-Registered Holders and asks Non-Registered Holders to return the VIF to Broadridge in accordance with its instructions. Alternatively, where applicable, a Non-Registered Holder may go online to <https://login.odysseytrust.com/pxlogin> to vote or return the completed and signed VIF directly to Odyssey as provided above.

The purpose of these procedures is to permit Non-Registered Holders to direct the voting of the Shares they beneficially own. However, without specific voting instructions, Intermediaries and their agents and nominees are prohibited from voting shares for their clients. **Accordingly, each Non-Registered Shareholder should ensure that voting instructions are communicated to the appropriate party well in advance of the Meeting so that your nominee has enough time to submit your instructions to us.**

A Non-Registered Holder cannot use the VIF provided to vote directly at the Meeting. Should a Non-Registered Holder wish to attend and vote at the Meeting in person, the Non-Registered Holder must insert his or her name (or the name of such other person as the Non-Registered Holder wishes to attend and vote on his or her behalf) in the blank space provided for that purpose on the VIF and return the completed VIF in accordance with the instructions provided well in advance of the Meeting. If you bring your VIF to the Meeting, your vote will NOT count.

**Only registered shareholders have the right to revoke a proxy. Non-Registered Holders of Shares who wish to change their vote must, in sufficient time in advance of the Meeting, arrange for their respective Intermediaries to change their vote and if necessary, revoke their proxy in accordance with the revocation procedures set out below. See "Revocation of Proxies".**

### *You May Choose Your Own Proxyholder*

The persons named in the Proxy are directors or officers of the Company or persons otherwise appointed by management to act as proxyholders. **YOU HAVE THE RIGHT TO APPOINT A PERSON (WHO NEED NOT BE A SHAREHOLDER) TO ATTEND AND ACT ON YOUR BEHALF AT THE MEETING OTHER THAN THE PERSONS NAMED IN THE PROXY AS PROXYHOLDERS. TO EXERCISE THIS RIGHT, YOU MUST STRIKE OUT THE NAMES OF THE PERSONS NAMED IN THE PROXY AS PROXYHOLDERS AND INSERT THE NAME OF YOUR NOMINEE IN THE SPACE PROVIDED OR COMPLETE ANOTHER PROXY.**

### *Your Voting Instructions*

A shareholder completing the enclosed Proxy may indicate the manner in which the persons named in the Proxy are to vote with respect to any matter by marking an “X” in the appropriate space. On any poll requested, those persons will vote or withhold from voting the shares in respect of which they are appointed in accordance with the directions, if any, given in the Proxy provided such directions are certain.

If a shareholder wishes to confer a discretionary authority with respect to any matter, then the space should be left blank. **In such instance, the Proxyholder, if nominated by management, intends to vote the Shares represented by the Proxy in favour of the motion.**

The Proxy, when properly completed and delivered and not revoked, confers discretionary authority upon the person appointed proxy thereunder to vote with respect to amendments or variations of matters identified in the Notice of Meeting and other matters which may properly come before the Meeting. **It is the intention of the persons designated in the Proxy to vote in accordance with their best judgement on such matters or business.** At the time of printing of this Information Circular, management of the Company is not aware that any such amendments, variations or other matters are to be presented for action at the Meeting.

The Proxy must be dated and signed by the shareholder or the shareholder’s attorney authorized in writing. In the case of a corporation, the Proxy must be dated and duly executed under its corporate seal or signed by a duly authorized officer or attorney for the corporation.

**The completed Proxy, together with the power of attorney or other authority, if any, under which it was signed or a notarially certified copy thereof, must be deposited with Odyssey in accordance with the above instructions before the time set out in the Proxy. Non-Registered Holders must deliver their completed VIF in accordance with the instructions given by the Intermediary that forwarded the VIF to them.**

**In order to be effective, a Proxy must be deposited at the office of Odyssey, no later than 10:00 a.m. (Pacific Time) on Monday, October 7, 2024 or not less than 48 hours (excluding Saturdays, Sundays and holidays) before any adjournment or postponement of the Meeting. The deadline for the deposit of Proxies may be waived by the Chairman of the Meeting at his or her sole discretion without notice. Failure to properly complete or deposit a Proxy may result in its invalidation.**

### *Revocation of Proxies*

Only registered shareholders have the power to revoke Proxies previously given. Revocation can be effected by an instrument in writing (which includes a Proxy bearing a later date) executed by the shareholder or by the shareholder’s attorney authorized in writing and in the case of a corporation, duly executed under its corporate seal or signed by a duly authorized officer or attorney for the corporation, and either delivered at any time up to the close of business on the last business day preceding the day of the Meeting, or any adjournment thereof, to:

<b>Golden Age’s Registered Office</b>		<b>Odyssey Trust Company</b>	
Golden Age Exploration Corp. Suite 1400, 1125 Howe Street Vancouver, B.C. V6Z 2K8 Canada	Or	United Kingdom Building #350 – 409 Granville Street Vancouver, B.C. V6C 1T2 Canada	
Or deposited with the Chairman of the Meeting on the day of the Meeting, prior to the hour of commencement			

Non-Registered Holders of Shares who wish to change their vote must, in sufficient time in advance of the Meeting, arrange for their respective Intermediaries to change their vote and if necessary, revoke their proxy in accordance with the revocation procedures set out above.

## UNITED STATES SHAREHOLDERS

This solicitation of proxies involves securities of a corporation incorporated in Canada and is being effected in accordance with the corporate laws of the Province of British Columbia, Canada and securities laws of the provinces of Canada. The proxy solicitation rules under the United States *Securities Exchange Act of 1934*, as amended, are not applicable to the Company or this solicitation. Shareholders should be aware that disclosure and proxy solicitation requirements under the securities laws of the provinces of Canada differ from the disclosure and proxy solicitation requirements under United States securities laws. The enforcement by shareholders of civil liabilities under United States federal securities laws may be affected adversely by the fact that the Company is incorporated under the *Business Corporations Act* (British Columbia), all of its directors and executive officers are residents of Canada and a significant portion of its assets and the assets of such persons are located outside the United States. Shareholders may not have standing to bring a claim against a foreign corporation or its officers or directors in a foreign court for violations of United States federal securities laws. It may be difficult to compel a foreign corporation and its officers and directors to subject themselves to a judgment by a United States court.

## STOCK OPTION PLANS AND OTHER INCENTIVE PLANS

The Canadian Securities Exchange (the “CSE”) policies require that each company listed on the Exchange have a security compensation plan if the Company issues securities pursuant to the exercise of securities issued in connection with the security-based compensation plan. The Company’s 2024 Stock Option Plan (the “**Plan**”) and the Restricted Share Unit Plan (the “**RSU Plan**”) are proposed for shareholders’ approval at the Company’s 2024 Annual General and Special Meeting.

Currently, the Company has a “rolling” Stock Option Plan (the “**Current Plan**”) that the Board adopted on April 18, 2022. Under the Current Plan, the aggregate number of shares reserved for issuance equals to 10% of the number of shares of the Company’s issued and outstanding from time to time. The principal purposes of the Stock Option Plan are to provide the Company with the advantages of the incentive inherent in share ownership on the part of those persons responsible for the success of the Company; to create in those persons a proprietary interest in, and a greater concern for, the welfare and success of the Company; to encourage such persons to remain with the Company; to attract new talent to the Company; and to reduce the cash compensation the Company would otherwise have to pay.

Save for the Stock Option Plan, there are currently no other equity or non-equity incentive plan awards in place for the Company’s Named Executive Officers or directors.

### ADOPTION OF THE 2024 STOCK OPTION PLAN

The following is a summary of the material terms of the Plan:

The Administrators determine the eligibility of persons to participate in the Plan, when Options will be awarded or granted, the number of Options to be awarded or granted, the vesting criteria for each grant of Options and all other terms and conditions of each award and grant, in each case in accordance with applicable securities laws and the requirements of the CSE.

(l) Notwithstanding the foregoing, if an Optionee dies, any vested options held by him or her at the date of death will become exercisable by the Optionee's lawful personal representatives, heirs or executors until the earlier of one year from the date of death of such Optionee and the date of expiration of the term otherwise applicable to such Option.

(m) A person participating in the Plan will cease to be eligible to participate where there is an Event of Termination. In such circumstances, unless otherwise determined by the Administrators in their discretion, any unvested options will be automatically cancelled, terminated and not available for exercise and any vested options may be exercised only before the earlier of: (i) the termination of the Option; and (ii) 90 days after the date of the Event of Termination. If a person is terminated for just cause, all Options will be (whether or not then exercisable) automatically cancelled.

A copy of the Plan will be available for inspection at the 2024 Annual General and Special Meeting. The directors believe that the Plan is in the Company's best interests and recommend that the shareholders approve the Plan.

Management has recommended that you vote **FOR** the Company's adoption of the Plan containing among other things, provisions consistent with the current policies of the Canadian Securities Exchange.

#### **ADOPTION OF THE RESTRICTED SHARE UNIT PLAN**

The following is a summary of the material terms of the RSU Plan:

The Company is seeking the approval of the shareholders at the Meeting for the RSU Plan to fulfil the Company's ability to recruit and retain qualified individuals suitable as employees, eligible consultants, officers and directors of the Company to carry out all aspects of the Company's business plans in the best interests of the shareholders.

The RSU Plan is being proposed for approval by the shareholders, the resolution must be passed by a majority of the votes cast by the holders of the common shares present in person or represented by proxy at the Meeting.

The RSU Plan shall be administered by the Board and restricted share units (the "**RSUs**") may be awarded to employees, directors and officers of the Company.

The RSUs are subject to vesting schedules established at the time of the grant of the RSUs by the Board. Once vested, holders of the RSUs are entitled to receive the equivalent number of underlying common shares or cash equal to the greater of (I) the average weighted closing price of the Company's shares traded for the past five days, or (ii) the closing price of the previous trading day as more particularly described in the RSU Plan (the "**Fair Market Value**") or any combination thereof as determined by the Company.

Vested RSUs may be settled through the issuance of common shares from treasury (subject to the shareholder approval of the RSU Plan being sought at this Meeting) in cash or in any combination of the foregoing (as determined by the Company). If settled in cash, the amount shall be equal to the number of common shares in respect of which an RSU holder is entitled multiplied by the market value of a common share on the trigger date, which shall be the third anniversary of the date the RSUs are granted or an earlier date approved by the Compensation Committee as more particularly described in the RSU Plan (the "**Trigger Date**").

The Trigger Date shall be no later than the expiry date of such RSUs. The Board shall determine the expiry date of RSUs at the time such RSUs are granted, and the maximum term of an expiry date shall be one year after a holder the RSUs ceases to be an employee, director or eligible consultant of the Company (the “**Expiry Date**”).

Any RSUs granted by the Company in accordance with the RSU Plan and any common shares which may be reserved, set aside and available for issuance regarding such RSUs shall not exceed **1,030,000** common shares of the Company, which number of reserved shares for RSUs shall be in addition to any common shares reserved in regard of the 2024 Stock Option Plan.

The maximum amount of common shares issuable to insiders (as a group) under the RSU Plan, (together with those common shares issuable pursuant to the 2024 Stock Option Plan) shall not exceed 10% common shares of the Company at any point in time, calculated as at the date the RSUs are granted to any such insiders.

The maximum aggregate number of common shares issuable to any one person under the RSU Plan (together with any common shares issuable pursuant to the 2024 Stock Option Plan) shall not exceed 5% common shares of the Company in any 12 month period, calculated as at the date the RSUs are granted to any such insiders.

RSUs which have not vested on a participant’s termination date shall be terminated and forfeited unless otherwise determined by the Compensation Committee. In the event a RSU holder ceased to be an employee of the Company as a result of termination of employment without cause, the Company shall have the sole discretion (unless otherwise provided in a grant agreement) to determine if all or a portion of the RSUs held by the RSU holder may be permitted to continue to vest in accordance with any statutory or common law severance period or any period of reasonable notice required by law or as otherwise may be determined by the Company in its sole discretion. All forfeited RSUs are available for future grants.

shareholder approval shall mean that all directors, officers and any other eligible participants under the RSU Plan shall abstain from voting and shall not otherwise be included in the vote regarding the RSU Plan.

RSUs cannot be assigned or transferred other than by will or the laws of descent and distribution.

Upon receiving shareholder approval of the RSU Plan, the Board in its sole discretion may, without notice, and without shareholder approval amend the RSU Plan or any provisions thereof in such manner as the Board determines, including but not limiting to amendments to the terms and conditions of the RSU Plan to ensure that the RSU Plan complies with applicable regulatory requirements any amendments that are of a “housekeeping” nature.

All other amendments to the RSU Plan are subject to the prior approval of shareholders.

Management has recommended that you vote **FOR** the Company's adoption of the RSU Plan containing among other things, provisions consistent with the current policies of the Canadian Securities Exchange.

## **Oversight and Description of Director and Named Executive Officer Compensation**

### *Director Compensation*

Save for the granting from time to time of incentive stock options in accordance with the Stock Option Plan and the policies of the CSE, the Company has no standard arrangement pursuant to which directors are compensated by the Company for their services in their capacity as directors. The granting of incentive stock options provides a link between director compensation and the Company’s share price. It also rewards directors for achieving results that improve the Company’s performance and thereby increase shareholder value. In making a determination as to whether a grant of long-term incentive stock options is appropriate, and if so, the number of options that should be granted, the Board will consider, inter alia, the number and terms of outstanding incentive stock options held by each director; the value in securities of the Company that the Board intends to award as compensation; the potential dilution to shareholders and the cost to the Company; General and Special industry standards; and the limits imposed by the terms of the Stock Option Plan and the CSE. Any “*interested*” director who is being considered for the grant of a stock option by the Company is required to declare his interest in such grant and abstain from voting thereon.

The granting of incentive stock options allows the Company to reward the directors’ efforts to increase value for shareholders without requiring the Company to use cash from its treasury. The terms and conditions of the Company’s stock option grants, including vesting provisions and exercise prices, are governed by the terms of the Stock Option Plan, which are summarized under Part 3 “*THE BUSINESS OF THE MEETING – Adoption of the 2024 Stock Option Plan*” above.

See the table “*Compensation Securities - Stock Options*” under “*Stock Options and Other Compensation Securities*” above for details of the stock options granted to directors of the Company under the Stock Option Plan during the fiscal year ended February 29, 2024.

The directors may also be reimbursed for actual expenses reasonably incurred by them in the performance of their duties as directors.

### *Named Executive Officer Compensation*

#### Goals and Objectives

General speaking, the Board's compensation philosophy is aimed at attracting and retaining quality and experienced people which is critical to the success of the Company and will include a "pay-for-performance" element which supports the Company's commitment to delivering strong performance for the shareholders.

Notwithstanding the foregoing, it is the Board's intention to review its compensation strategy for executive officers on an annual basis taking into consideration the Company's then stage of development, financial position and corporate goals and objectives to ensure that such strategy reflects the responsibilities and risks associated with each position. The General and Special objectives of the Company's compensation strategy are to (a) compensate management in a manner that encourages and rewards a high level of performance and results with a view to increasing long-term shareholder value; (b) align management's interests with the long-term interests of shareholders; (c) provide a compensation package that enables the Company to attract and retain talent; and (d) ensure that the total compensation package is designed in a manner that takes into account the Company's financial resources and the fact that it is a junior mineral exploration company without a history of revenues or earnings. The Board will evaluate each Named Executive Officer's performance in light of such goals and objectives and set such officer's compensation level based, in part, on this evaluation. The Board will also take into consideration the Company's overall performance, shareholder returns, and the awards given to executive officers in past years. The Board may also consider the value of similar incentive awards to executive officers at comparable junior resource companies listed on the CSE or other stock exchanges. Management directors will be required to abstain from voting in respect of their own compensation thereby providing the independent members of the Board with considerable input as to executive compensation.

#### Executive Compensation Program

At present, the Company does not have a formal compensation program. However, it is expected that executive compensation will generally be comprised of three elements: base fee or salary, short-term incentive compensation (discretionary cash bonuses) and long-term incentive compensation (stock options). The Board will review all three components in assessing the compensation of individual executive officers and of the Company as a whole.

Base fees or salaries and bonuses (discretionary) are intended to provide current compensation and a short-term incentive for executive officers to meet the Company's goals. Base fees or salaries represent compensation for job responsibilities and reflect the overall performance of the Company, the performance of the Named Executive Officer, General and Special trends in the industry and the Company's then financial resources. Named Executive Officers are also eligible to receive discretionary bonuses as determined by the Board based on each officer's responsibilities, his achievement of individual and corporate objectives and the Company's financial performance. Cash bonuses are intended to reward the Named Executive Officers for meeting or exceeding the individual and corporate performance objectives set by the Board.

Stock options represent an important part of the Company's long-term incentive strategy for its officers, permitting them to participate in any appreciation of the market value of the Company's shares over a stated period of time, and are intended to reinforce commitment to long-term growth and shareholder value. Stock options reward overall corporate performance, as measured through the price of the Company's shares and enables executives to acquire and maintain a significant ownership position in the Company. Stock options will normally be granted by the Board when an executive officer first joins the Company based on his or her level of responsibility within the Company. Additional grants may be made periodically to ensure that the number of options granted to any particular officer is commensurate with the officer's level of ongoing responsibility within the Company. The Board will also evaluate the number of options an officer has been granted, the exercise price of the options and the term remaining on those options when considering further grants. The Company anticipates that stock options will be priced at the closing price of the Company's shares on the CSE on the business day immediately preceding the date of grant, will expire two to five years from the date of grant and be subject to vesting at the discretion of the Board, subject to the terms and conditions of the Stock Option Plan. See Part 3 "THE BUSINESS OF THE MEETING – Adoption of the 2024 Stock Option Plan" above for a description of the material terms of the Stock Option Plan. See also the table "Compensation Securities - Stock Options" under "*Stock Options and Other Compensation Securities*" above for details of the stock options granted to the Company's Named Executive Officers during the fiscal year ended February 29, 2024.

Other than as described above there are no other prerequisites provided to the Named Executive Officers.

Currently, the Company does not use specific benchmark groups in determining compensation or any element of compensation for its Named Executive Officers.

### Pension Disclosure

The Company does not have any pension, retirement or deferred compensation plans, including defined contribution plans.

(1) As of the date of this Information Circular, the Company’s only equity compensation plan is its “rolling” Stock Option Plan for directors, officers, employees and consultants of the Company. The Stock Option Plan was first adopted by the Company on April 18, 2022 and is subject to approval of the shareholders, which approval will be sought at the Meeting. See Part 3 “THE BUSINESS OF THE MEETING – Adoption of the 2024 Stock Option Plan” for details of the material terms of the Company’s Stock Option Plan.

## **PART 6 – AUDIT COMMITTEE**

National Instrument 52-110 *Audit Committees* of the Canadian Securities Administrators (“NI 52-110”) requires the Company, as a venture issuer, to disclose annually in its Information Circular certain information concerning the constitution of its audit committee and its relationship with the Company’s external auditor as set forth below.

### 1. The Audit Committee Charter

The Company’s audit committee is governed by an audit committee charter, the text of which is attached as Exhibit “A” to this Information Circular.

### 2. Composition of Audit Committee

The Company’s audit committee is currently comprised of the three existing directors, **Tibor Gajdics (Chair)**, **Ehsan Salmabadi** and **Kevin Hanson**. Currently, only Ehsan Salmabadi is considered “independent” within the meaning of applicable securities legislation as Kevin Hanson is also the President and Chief Executive Officer of the Company and Tibor Gajdics acted as an executive officer within the preceding three years (being President of the Company from the date of incorporation on February 24, 2021 to January 11, 2022). The Company, as a “venture issuer”, is relying upon the exemption provided by section 6.1 of NI 52-110 exempting the Company, as a “venture issuer”, from complying with the composition requirements for an audit committee in Part 3 of NI 52-110. See Section 8 “Exemption” in this Part 6 – *Audit Committee* - below.

As the Company grows, and its operations and financial arrangements become more complex, the Company will seek to appoint one or more additional “independent” directors to its Board with a view to ensuring that the audit committee is composed of at least a majority of independent directors.

All three audit committee members have the ability to read and understand financial statements that present a breadth and level of complexity of accounting issues that are General and Specially comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the Company’s financial statements and are therefore considered “financially literate”. See “*Relevant Education and Experience*” below.

### **3. Relevant Education and Experience**

All of the audit committee members are business persons with experience in financial matters; each has an understanding of accounting principles used to prepare financial statements and varied experience as to General and Special application of such accounting principles, as well as the internal controls and procedures necessary for financial reporting, garnered from working in their individual fields of endeavor.

Mr. Gajdics has been involved in the securities industry for more than 30 years, firstly as a former registered broker, and secondly as a consultant to and/or a director/officer of publicly traded companies during which time he has become financially literate in his ability to read, analyze, and understand financial statements involving the complexities reasonably expected to be raised by the Company’s financial statements. In 2020 to 2021, Mr. Gajdics served on the finance committee of the Vancouver Lawn Tennis & Badminton Club, in Vancouver, B.C. and in May 2021 successfully completed the Harvard Business School Online Certificate Program in Management Essentials.

Mr. Salmabadi is a Professional Geologist, holds a Bachelor of Science degree in geology from the University of British Columbia and has worked in the mining industry since 2007 with a broad base of experience in both exploration and mine development and operation. Mr. Salmabadi currently serves as Vice President, Exploration for Stuhini Exploration Ltd. (TSXV – STU), a junior mining exploration company, which has also enabled him to become familiar with and financially literate in his ability to read, analyze, and understand financial statements involving the complexities reasonably expected to be raised by a publicly traded junior exploration company.

Mr. Hanson is a Chartered Professional Accountant, Certified Public Accountant and C.P.A. (Nevada) with more than 35 years experience in the financial reporting and 25 years experience in the auditing of publicly traded companies. He has also acted as a director and/or held senior management positions including President and Chief Financial Officer with various publicly listed companies.

See also Part 3 “THE BUSINESS OF THE MEETING – *Election of Directors*” above and Part 7, “*Corporate Governance – Directorships*” below for further details of the work experience of the directors.

### **4. Audit Committee Oversight**

Since the commencement of the Company’s financial year ended February 29, 2024, the Board has not failed to adopt a recommendation of the audit committee to nominate or compensate an external auditor.

### **5. Reliance on Certain Exemptions**

The Company is relying upon the exemption in section 6.1 of NI 52-110, which provides that the Company, as a venture issuer, is not required to comply with Part 3 (Composition of the Audit Committee) and Part 5 (Reporting Obligations) of NI 52-110.

However, at no time since the commencement of the Company’s most recently completed fiscal year ended February 29, 2024 has the Company relied on the exemption in Section 2.4 of NI 52-110, or an exemption from NI 52-110, in whole or in part, granted under Part 8 of NI 52-110. Section 2.4 provides an exemption from the requirement that the audit committee must pre-approve all non-audit services to be provided by the auditor, where the total amount of fees related to the non-audit services are not expected to exceed 5% of the total fees payable to the auditor in the fiscal year in which the non-audit services were provided. Section 8 permits a company to apply to a securities regulatory authority for an exemption from the requirements of NI 52-110, in whole or in part.

## 6. Pre-Approval Policies and Procedures

Save for the requirement that the Audit Committee must pre-approve all non-audit services to be provided to the Company by its independent auditor, the Audit Committee has not adopted specific policies and procedures for the engagement of non-audit services. Subject to the requirements of NI 52-110, the engagement of non-audit services will be considered by the Audit Committee, and where applicable the Board, on a case-by-case basis.

## 7. External Audit Service Fees (By Category)

In the following table, “audit fees” are fees billed by the Company’s external auditor for services provided in auditing the Company’s annual financial statements for the subject year. “Audit-related fees” are fees not included in audit fees that are billed by the auditor for assurance and related services that are reasonably related to the performance of the audit or review of the Company’s financial statements. “Tax fees” are fees billed by the auditor for professional services rendered for tax compliance, tax advice and tax planning. “All other fees” are fees billed by the auditor for products and services not included in the foregoing categories.

The aggregate fees paid/accrued by the Company to DeVisser Gray LLP, the Company’s external auditor, for services rendered to the Company for the fiscal years ended February 29, 2024 and February 28, 2023, by category, are as follows:

Financial Period Ending	Audit Fees	Audit Related Fees	Tax Fees	All Other Fees
February 29, 2024	\$7,500 <sup>(1)</sup>	N/A	N/A	N/A
February 28, 2023	\$5,000 <sup>(1)</sup>	N/A	N/A	\$4,292 <sup>(1)(2)</sup>

(1) Estimate only.

(2) This amount represents additional fees associated with the completion of the Company’s initial public offering on January 13, 2023 and reviewing the Company’s prospectus prepared in connection therewith.

## PART 7 – CORPORATE GOVERNANCE

---

Corporate governance relates to the activities of the Board, the members of which are elected by and are accountable to the shareholders, and takes into account the role of the individual members of management who are appointed by the Board and who are charged with the day to day management of the Company. The Board and senior management consider good corporate governance to be central to the effective and efficient operation of the Company.

National Policy 58-201 *Corporate Governance Guidelines* (“NP 58-201”) establishes corporate governance guidelines, which apply to all public companies. The Company has reviewed its own corporate governance practices in light of these guidelines. In certain cases, the Company’s practices comply with the guidelines; however, the Board considers that some of the guidelines are not suitable for the Company at its current stage of development and therefore these guidelines have not been adopted.

National Instrument 58-101 *Disclosure of Corporate Governance Practices* (“NI 58-101”) requires the Company to disclose annually in its Information Circular certain information concerning its corporate governance practices. As a “venture issuer” the Company is required to make such disclosure with reference to the requirements of Form 58-101F2, which disclosure is set forth below.

### Board of Directors

Section 1.4 of NI 52-110 sets out the standard for director independence for the purposes of NI 58-101. Under section 1.4 of NI 52-110, a director is independent if he or she has no direct or indirect material relationship with the Company. A material relationship is a relationship which could, in the view of the Board, be reasonably expected to interfere with the exercise of a director’s independent judgment. NI 52-110 also sets out certain situations where a director will automatically be considered to have a material relationship with the Company.

Applying the above definition set out in section 1.4 of NI 52-110, Kevin R. Hanson is not an independent director because of his position as Chief Executive Officer of the Company. In addition, Tibor F. Gajdics is not independent by virtue of the fact that he was an executive officer of the Company within the preceding three-year period. (President from the date of incorporation on February 24, 2021 to January 11, 2022). On the other hand, Ehsan Salmabadi is an independent director of the Company and has no ongoing interest or relationship with the Company other than his current shareholdings and stock

options in the Company and serving as a director.

At this stage of the Company's development, the Board does not believe it is necessary to adopt a written mandate or to have any formal structures or procedures in place to ensure that the Board can function independently of management, as sufficient guidance for these matters is found in the applicable corporate legislation and regulatory policies. The non-executive directors exercise their responsibilities for independent oversight of management, and have leadership through their position on the Board and ability to meet independently of management whenever deemed necessary. In addition, each member of the Board understands that he is entitled to seek the advice of an independent expert if he reasonably considers it warranted under the circumstances. However, as the Company grows, the Board will move to develop a formal written mandate.

The Board is specifically responsible for approving long-term strategic plans and annual operating plans and budgets recommended by management. Board consideration and approval is also required for all material contracts, business transactions and all debt and equity financing proposals. The Board also takes responsibility for identifying the principal risks of the Company's business and for ensuring these risks are effectively monitored and mitigated to the extent reasonably practicable.

The Board delegates to management, through the Chief Executive Officer and Chief Financial Officer, responsibility for meeting defined corporate objectives, implementing approved strategic and operating plans, carrying on the Company's business in the ordinary course, managing the Company's cash flow, evaluating new business opportunities, recruiting staff and complying with applicable regulatory requirements. The Board also looks to management to furnish recommendations respecting corporate objectives, long-term strategic plans and annual operating plans.

As the Company grows, and its operations and management structure become more complex, the Company will seek to appoint one or more additional "independent" directors to its Board.

### **Directorships**

As of the date of this Information Circular, the directors of the Company are currently directors and/or executive officers of other reporting issuers (or equivalent) in a jurisdiction or a foreign jurisdiction as follows:

<b>Name of Director</b>	<b>Name of Other Reporting Issuer</b>	<b>Market/Exchange</b>	<b>Position</b>	<b>Dates</b>
Kevin R. Hanson	Zena Mining Corp.	TSXV (NEX Board)	CFO and director	Feb. 2000 to present
Ehsan Salmabadi	Stuhini Exploration Ltd.	TSXV	Vice-President, Exploration	Jan. 2021 to present

The above information has been provided by the directors and has not been independently verified by the Company.

### **Position Descriptions**

The Board has not, to date, developed formal, documented position descriptions for the Chief Executive Officer or Chief Financial Officer. The Board is currently of the view that the respective corporate governance role of the Board and management, as represented by such executive officers, are clear and that the limits to the responsibility and authority of the Chief Executive Officer and Chief Financial Officer are reasonably well understood and therefore the Board has not developed written position descriptions for such positions.

### **Orientation and Continuing Education**

There is no formal orientation or training program for new members of the Board, and the Board considers this to be appropriate, given the Company's size and current limited operations.

Any new directors will be briefed on strategic plans, short, medium and long term corporate objectives, business risks and mitigation strategies, corporate governance guidelines and existing company policies and will have the opportunity to become familiar with the Company by meeting with the other directors and with the executive officers. Orientation activities will be tailored to the particular needs and experience of each director and the overall needs of the Board.

The skills and knowledge of the Board as a whole is such that the Board believes no formal continuing education process is currently required. The Board is comprised of individuals with varying backgrounds, who have, both collectively and individually, significant experience in running and managing public companies. Board members are encouraged to communicate with management, auditors and technical consultants to keep themselves current with industry trends and developments and changes in legislation, with management's assistance. Board members have full access to the Company's records. See Part 3 "THE BUSINESS OF THE MEETING – *Election of Directors*" for a description of the current principal occupations of the Company's Board.

### **Ethical Business Conduct**

The Board expects management to operate the business of the Company in a manner that enhances shareholder value and is consistent with the highest level of integrity. Management is expected to execute the Company's business plan and to meet performance goals and objectives. The Board monitors the ethical conduct of the Company and ensures that it complies with applicable legal and regulatory requirements, such as those of relevant securities commissions and stock exchanges but, to date, has not adopted a formal written Code of Business Conduct and Ethics.

The Board is of the view that the fiduciary duties placed on individual directors by the Company's governing corporate and securities legislation and the common law, as well as the restrictions placed by applicable corporate legislation on the individual director's participation in decisions of the Board in which the director has an interest, are sufficient, at present, to ensure that the Board operates independently of management and in the best interests of the Company and its shareholders. In addition, the current limited size of the Company's operations and the small number of officers and consultants allow the independent members of the Board to monitor on an ongoing basis the activities of management and to ensure that the highest standard of ethical conduct is maintained. As the Company grows in size and scope, the Board anticipates that it will formulate and implement a formal Code of Business Conduct and Ethics.

### **Nomination of Directors**

Given its current size and stage of development, the Board has not appointed a nominating committee and these functions are currently performed by the Board as a whole. The Board analyzes the needs of the Board when vacancies arise or otherwise from time to time and identifies and proposes new nominees who have the necessary competencies and characteristics to meet such needs.

### **Compensation**

At this time, the Company does not believe its size and limited scope of operations requires a formal compensation committee and the Board as a whole is responsible for determining all forms of compensation (including long-term incentive in the form of stock options) to be granted to the Company's executive officers and to the directors to ensure such arrangements reflect the responsibilities and risks associated with each position. In addition, any compensation to be paid to executive officers who are also directors must be approved by the disinterested directors thereby providing the independent directors with significant input into compensation decisions.

When determining the compensation of its executive officers in the future, the Board will consider: i) recruiting and retaining executives critical to the success of the Company and the enhancement of shareholder value; ii) providing fair and competitive compensation; iii) balancing the interests of management and the Company's shareholders; and iv) rewarding performance, both on an individual basis and with respect to operations in General and Special. In order to achieve these objectives, it is the Board's intention that future compensation paid to its executive officers should consist of three components: i) base/fee salary; ii) discretionary annual bonus based on actual performance relative to pre-set annual operation targets; and iii) long-term incentive in the form of stock options. See Part 4 "STATEMENT OF EXECUTIVE COMPENSATION – VENTURE ISSUERS - *Oversight and Description of Director and Named Executive Officer Compensation*" above.

### **Other Board Committees**

At the present time, the Board of the Company has appointed only one committee, being the Audit Committee. See Part 6 "AUDIT COMMITTEE" above.

As the Company grows, and its operations and management structure become more complex, the Board may find it appropriate to constitute formal standing committees, such as a Corporate Governance Committee, Compensation Committee and Nominating Committee, and to ensure that such committees are governed by written charters and are composed of at

least a majority of independent directors.

### **Assessments**

The Board has not implemented a process for assessing its effectiveness. As a result of the Company's current size, its stage of development and the limited number of individuals on the Board, the Board considers a formal assessment process to be inappropriate at this time. The Board plans to continue evaluating its own effectiveness on an ad hoc basis.

The Board also monitors but does not formally assess the performance or contribution of individual Board members or committee members.

With the exception of the foregoing quorum requirement, the Committee may determine its own procedures.

The Committee’s role is one of oversight. Management is responsible for preparing the Company’s financial statements and other financial information and for the fair presentation of the information set forth in the financial statements in accordance with International Financial Reporting Standards (“**IFRS**”), as issued by the International Accounting Standards Board. The external auditor’s responsibility is to audit the Company’s financial statements and provide its opinion, based on its audit conducted in accordance with General and Specially accepted auditing standards, that the financial statements present fairly, in all material respects, the financial position, results of operations and cash flows of the Company in accordance with IFRS.

The Committee is responsible for recommending to the Board the external auditor to be nominated for the purpose of auditing the Company’s financial statements, preparing or issuing an auditor’s report or performing other audit, review or attest services for the Company, and for reviewing and recommending the compensation of the external auditor. The Committee is also directly responsible for the evaluation of and oversight of the work of the external auditor including the resolution of any disagreements between management and the external auditor regarding financial reporting. The external auditor shall report directly to the Committee. The Committee is also entitled to engage independent counsel and other advisers in the performance of its duties and to set and pay the compensation for such counsel or advisers.

This review may include discussions with the external auditor without the presence of management.
