NOTICE REGARDING INFORMATION

Information in this Information Circular is given as of October 27, 2023, unless otherwise indicated and except for information contained in the documents incorporated herein by reference, which is given as at the respective dates stated therein.

No person is authorized to give any information or make any representation not contained in this Information Circular and, if given or made, such information or representation should not be relied upon as having been authorized. This Information Circular does not constitute an offer to sell, or a solicitation of an offer to purchase, any securities, or the solicitation of a proxy, by any person in any jurisdiction in which such an offer or solicitation is not authorized or in which the person making such offer or solicitation is not qualified to do so or to any person to whom it is unlawful to make such an offer or solicitation of an offer or proxy solicitation. Neither delivery of this Information Circular nor any distribution of the securities referred to in this Information Circular will, under any circumstances, create an implication that there has been no change in the information set forth herein since the date of this Information Circular.

GENERAL INFORMATION CONCERNING THE MEETING AND VOTING

Solicitation of Proxies

This Information Circular is provided in connection with the solicitation by the management of the Company of proxies to be used at the Meeting. The solicitation of proxies will be primarily by mail, but proxies may be solicited personally or by telephone by directors, officers and regular employees of the Company. The Company will bear all costs of this solicitation.

Appointment of Proxyholder

The individuals named in the accompanying form of proxy are officers and/or directors of the Company. **If you are a securityholder entitled to vote at the Meeting, you have the right to appoint a person or company other than either of the persons designated in the form of proxy accompanying this Information Circular, who need not be a shareholder, to attend and act for you and on your behalf at the Meeting. You may do so either by inserting the name of that other person in the blank space provided in the form of proxy accompanying this Information Circular or by completing and delivering another suitable form of proxy.**

Voting by Proxyholder

The persons named in the form of proxy accompanying this Information Circular will vote or withhold Common Shares represented thereby in accordance with your instructions on any ballot that may be called for. If you specify a choice with respect to any matter to be acted upon, your Common Shares will be voted accordingly. In the absence of any instructions to the contrary, the Common Shares represented by proxies received by management will be voted FOR the approval of the resolutions described herein, among other things.

The Proxy confers discretionary authority on the persons named therein with respect to:

- (a) each matter or group of matters identified therein for which a choice is not specified;
- (b) any amendment to or variation of any matter identified therein; and
- (c) any other matter that properly comes before the Meeting or any adjournments thereof.

At the date of this Information Circular, management of the Company knows of no such amendments, variations or other matters to come before the Meeting other than the matters referred to in the Notice of Meeting. If any other matters do properly come before the Meeting, it is intended that the person appointed as proxy will vote on such other business in such manner as that person then considers to be proper.

The Company is using the “notice-and-access” delivery procedures established under Canadian securities legislation and if a shareholder has questions about notice and access, they can call toll free 604-355-0303.

Registered Shareholders

Registered holders of Common Shares electing to submit a proxy may do so by phone or internet provided on the proxy or by completing, dating and signing the enclosed form of proxy and returning it to the Company’s transfer agent, Odyssey Trust Company, by mail or hand delivery to United Kingdom Building, 350 – 409 Granville Street, Vancouver, B.C. V6C 1T2, in all cases ensuring that the form of proxy is received before 11:00 a.m. (PST) on December 7, 2023 or if the Meeting is adjourned or postponed, at least 48 business hours (where “business hours” means hours on days other than a Saturday, Sunday or any other holiday in British Columbia or Ontario) before the time on the date to which the Meeting is adjourned or postponed.

Beneficial Shareholders

The following information is of significant importance to shareholders who do not hold Common Shares in their own name.

Shareholders who hold their common shares through their brokers, intermediaries, trustees or other persons, or who otherwise do not hold their common shares in their own name (referred to herein as “**Beneficial Shareholders**”) should note that the only proxies that can be recognized and acted upon at the Meeting are those deposited by registered shareholders (those whose names appear on the records of the Company as the registered holders of Common Shares) or as set out in the following disclosure.

If Common Shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those Common Shares will not be registered in the shareholder’s name on the records of Targa. Such Common Shares will more likely be registered under the names of intermediaries. In the United States, the vast majority of such Common Shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms).

Intermediaries are required to seek voting instructions from Beneficial Shareholders in advance of meetings of shareholders. Every intermediary has its own mailing procedures and provides its own return instructions to clients.

There are two kinds of Beneficial Shareholders – those who object to their name being made known to the issuers of securities which they own (called “**OBOs**” for Objecting Beneficial Owners) and those who do not object to the issuers of the securities they own knowing who they are (called “**NOBOs**” for Non-Objecting Beneficial Owners).

Non-Objecting Beneficial Owners

Targa is taking advantage of the provisions of NI 54-101 that permit it to deliver proxy-related materials directly to its NOBOs. As a result, NOBOs can expect to receive a scannable VIF from the Company’s transfer agent, Odyssey Trust Company. The VIF is to be completed and returned to Odyssey Trust Company as set out in the instructions provided on the VIF. Odyssey Trust Company will tabulate the results of the VIFs received from NOBOs and will provide appropriate instructions at the Meeting with respect to the shares represented by the VIFs they receive.

These securityholder materials are being sent to both registered and non-registered owners of the securities of Targa. If you are a non-registered owner, and Targa or its agent has sent these materials directly to you, your name, address and information about your holdings of securities, were obtained in accordance with applicable securities regulatory requirements from the intermediary holding securities on your behalf. By choosing to send these materials to you

directly, Targa (and not the intermediary holding securities on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your VIF as specified in the request for voting instructions that was sent to you.

Objecting Beneficial Owners

Beneficial Shareholders, who are OBOs, should follow the instructions of their intermediary carefully to ensure that their Common Shares are voted at the Meeting.

Targa does not intend to pay for intermediaries to deliver to OBOs the meeting materials and Form 54-101F7 Request for Voting Instructions Made by Intermediary. An OBO will not receive the materials unless the OBO's intermediary assumes the cost of delivery.

The form of proxy supplied to you by your broker will be similar to the proxy provided to registered holders of Common Shares. However, its purpose is limited to instructing the intermediary on how to vote your Common Shares on your behalf. Most brokers delegate responsibility for obtaining instructions from clients to Broadridge in the United States and in Canada. Broadridge mails a VIF in lieu of a proxy provided by Targa. The VIF will name the same persons as the Company's proxy to represent your Common Shares at the Meeting. You have the right to appoint a person (who need not be a Beneficial Shareholder), other than any of the persons designated in the VIF, to represent your Common Shares at the Meeting and that person maybe you. To exercise this right, insert the name of the desired representative (which may be yourself) in the blank space provided in the VIF. The completed VIF must then be returned to Broadridge by mail or facsimile or given to Broadridge by phone or over the internet, in accordance with Broadridge's instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting and the appointment of any shareholder's representative. **If you receive a VIF from Broadridge, the VIF must be completed and returned to Broadridge, in accordance with its instructions, well in advance of the Meeting in order to have your Common Shares voted or to have an alternate representative duly appointed to attend the Meeting and vote your Common Shares at the Meeting.**

Notice to Targa Securityholders in the United States

The solicitation of proxies involves securities of an issuer located in Canada and are being affected in accordance with the corporate laws of the Province of British Columbia, Canada and securities laws of the provinces of Canada. The proxy solicitation rules under the U.S. Exchange Act are not applicable to Targa or this solicitation, and this solicitation has been prepared in accordance with the disclosure requirements of the securities laws of the provinces of Canada. Targa Securityholders should be aware that disclosure requirements under the securities laws of the provinces of Canada differ from the disclosure requirements under United States securities laws.

The enforcement by Targa Securityholders of civil liabilities under United States federal securities laws may be affected adversely by the fact that Targa is existing under the Business Corporations Act, certain of its directors and its executive officers are residents of Canada and a substantial portion of its assets and the assets of such persons are located outside the United States. Securityholders may not be able to sue a foreign company or its officers or directors in a foreign court for violations of United States federal securities laws. It may be difficult to compel a foreign company and its officers and directors to subject themselves to a judgment by a United States court.

Revocation of Proxy

In addition to revocation in any other manner permitted by law, a registered Shareholder who has given a proxy may revoke it by executing a proxy bearing a later date or by executing a valid notice of revocation, either of the foregoing to be executed by the registered holder of Common Shares or the authorized attorney thereof in writing, or, if the registered holder of Common Shares is a corporation, under its corporate seal by an officer or attorney duly authorized, and by delivering the proxy bearing a later date to Odyssey Trust Company, at United Kingdom Building, 350 – 409 Granville Street, Vancouver, B.C. V6C 1T2, at any time up to and including the last business day that precedes the day of the Meeting or, if the Meeting is adjourned, the last business day that precedes any reconvening thereof, or to the chairperson of the Meeting on the day of the Meeting or any reconvening thereof, or in any other manner provided by law, **or a revocation of a proxy will not affect a matter on which a vote is taken before the revocation.**

NOTICE-AND-ACCESS

National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* and National Instrument 51-102 – *Continuous Disclosure Obligations* allow for the use of the notice and access system for the delivery to shareholders of certain materials, including notice of meeting, management information circular, annual financial statements and management’s discussion and analysis (collectively, the “**Meeting Materials**”) by reporting issuers.

Under the notice and access system, reporting issuers are permitted to deliver the Meeting Materials by posting them on SEDAR+ at www.sedarplus.ca as well as a website other than SEDAR+ and sending a notice package to shareholders that includes: (i) the relevant form of proxy or voting instruction form; (ii) basic information about the meeting and the matters to be voted on; (iii) instructions on how to obtain a paper copy of the Meeting Materials; and (iv) a plain language explanation of how the notice and access system operates and how the Meeting Materials can be accessed online.

As described in the Notice and Access Notification to be mailed to the Shareholders of the Company on or about November 10, 2023, the Company has elected to deliver its Meeting Materials to Beneficial Holders using the notice and access system. These Beneficial Shareholders will receive a notice and access notification which will contain the prescribed information. Registered Shareholders and those Beneficial Holders with existing instructions on their account to receive printed materials will receive a printed copy of the Meeting Materials with the notice package.

The Company intends to pay for proximate intermediaries to deliver Meeting Materials and Form 54-101F7 (the request for voting instructions) to “objecting beneficial owners”, in accordance with National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer*.

Audit Committee

Targa is a venture issuer and must disclose the following regarding the Audit & Risk Committee.

Composition

The composition of the Audit Committee consists of the following three members; Mr. Mahesh Liyanage (Chair), Ms. Karlene Collier and Mr. Jon Ward. Mr. Jon Ward does not meet the requirements of an independent director so he will be replaced by Mr. Jim Paterson if Mr. Paterson is elected.

National Instrument 52-110 *Audit Committees*, (“**NI 52-110**”) provides that a member of an audit committee is “independent” if the member has no direct or indirect Material Relationship with Targa, which could, in the view of the Board, reasonably interfere with the exercise of the member’s independent judgment.
