**Note for Notice-and-Access:** The Company has elected to use the notice-and-access provisions under National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* and National Instrument 51-102 – *Continuous Disclosure Obligations* (the “**Notice-and-Access Provisions**”) for the Meeting. The Notice-and-Access Provisions are a set of rules developed by the Canadian Securities Administrators that reduce the volume of materials that must be physically mailed to shareholders by allowing the Company to post its Information Circular and any additional materials for the Meeting online. Shareholders will receive this Notice of Meeting and a form of proxy (together, the “notice package”), and a shareholder may choose to receive a paper copy of the Information Circular. The Company will not use “stratification” in relation to Notice-and-Access Provisions, which occurs when an issuer using Notice-and-Access Provisions provides a paper copy of the Information Circular to some shareholders with the notice package. In relation to the Meeting, all shareholders will receive the required documentation under the Notice-and-Access Provisions, which will not include a paper copy of the Information Circular.

A copy of the Information Circular is posted for viewing and available on the Company's website at [www.discoverylithium.com](http://www.discoverylithium.com). Shareholders who wish to receive a paper copy of the Information Circular or would like more information about the Notice-and-Access Provisions may contact the Company's transfer agent, Endeavor Trust Corporation, at 604-559-8880 or toll free at 1-888-787-0888.

Under the Notice-and-Access Provisions, the notice package and the Information Circular must be available for viewing up to one year from the date of the Meeting. A paper copy of the Information Circular may be requested at any time during this period. To allow for a shareholder to receive and review a paper copy of the Information Circular and then submit their vote by 10:00 a.m. Pacific Time on December 23, 2024, a shareholder should ensure their request for a paper copy is received by the Company by December 16, 2024.

The Information Circular contains details of matters to be considered at the Meeting, and a copy is posted for viewing on the Company's website at [www.discoverylithium.com](http://www.discoverylithium.com). Please review the Information Circular before voting.

**If you cannot be present to vote in person at the Meeting, please complete and sign the enclosed form of proxy and return it in the envelope provided.** Reference is made to the accompanying Information Circular for further information regarding completion and use of the proxy and other information pertaining to the Meeting.
