Unless otherwise stated herein, all capitalized terms herein shall have the meaning set forth in the Glossary of Terms.

The Meeting has been called for the purpose of receiving the 2023 annual financial statements and auditor's report, considering and voting upon fixing the number of directors and the election of Directors, the appointment of auditor and the re-approval of the Option Plan of the Corporation. The disclosure herein is provided for the fiscal year ended December 31, 2023, however, for the purposes of providing current disclosure to Shareholders, certain information is presented as at the date of the Information Circular.

This Information Circular and the accompanying Notice of Meeting and form of proxy as well as other related Meeting materials are being mailed or delivered on or about June 18, 2024, to Shareholders of record as at June 3, 2024. Unless otherwise specified, all dollar amounts in this Information Circular are expressed in Canadian dollars.

GENERAL PROXY MATERIALS

FOR THE ANNUAL AND SPECIAL MEETING OF SHAREHOLDERS OF THE CORPORATION FOR THE FINANCIAL YEAR ENDING DECEMBER 31, 2023 TO BE HELD ON JULY 10, 2024.

Solicitation of Proxies

This Information Circular is furnished in connection with the solicitation of proxies by the Board for use at the Meeting and at any adjournment(s) thereof, for the purposes set forth in the accompanying Notice of Meeting.

Appointment and Revocation of Proxies

Instruments of proxy must be addressed to the Secretary of the Corporation and reach TSX Trust Company not later than 48 hours before the Meeting or any adjournment(s) thereof. Only Shareholders of the Corporation at the close of business on the Record Date are entitled to receive notice of and to vote at the Meeting unless after that date a Shareholder of record transfers its Shares and the transferee, upon producing properly endorsed certificates evidencing such Shares or otherwise establishing that he owns such Shares, requests at least 10 days prior to the Meeting that the transferee's name be included in the list of Shareholders entitled to vote, in which case, such transferee is entitled to vote such Shares at the Meeting.

An instrument of proxy shall be in writing and shall be executed by the Shareholder or his attorney authorized in writing or, if the Shareholder is a Corporation, under its corporate seal or by an officer or attorney thereof duly authorized.

The persons named in the enclosed form of proxy are directors and/or officers of the Corporation. A Shareholder is entitled to appoint a person to attend the Meeting as the Shareholder's representative (who need not be a Shareholder of the Corporation) other than the persons designated in the form of proxy furnished by the Corporation. To exercise such right, the names of the persons designated by management should be crossed out and the name of the Shareholder's appointee should be legibly printed in the blank space required.

A proxy is revocable. The giving of a proxy will not affect a Shareholder's right to attend and vote in person at the Meeting. In addition to revocation in any other manner permitted by law, a Shareholder may revoke a proxy by instrument in writing executed by the Shareholder or such Shareholder's attorney authorized in writing, or, if the Shareholder is a corporation, under its corporate seal or by an officer or attorney thereof, duly authorized, and deposited at the registered office of the Corporation, at any time up to and including the last business day preceding the day of the Meeting, or any adjournment(s) thereof at which the proxy is to be used, or with the Chairman of the Meeting on the day of the Meeting, or any adjournment(s) thereof.

Persons Making the Solicitation

The solicitation is made on behalf of management of the Corporation. The costs incurred in the preparation and mailing of the form of proxy, the Notice of Meeting and this Information Circular will be paid by the Corporation. In addition to the mailing of these materials, proxies may be solicited by personal interviews or telephone by Directors and officers of the Corporation, who will not be remunerated therefor.

Exercise of Discretion by Proxy

The Shares represented by proxy in favour of management nominees shall be voted on any ballot at the Meeting and where the Shareholder specifies the choice with respect to any matter to be acted upon, the Shares shall be voted on any ballot in accordance with the specification so made.

In the absence of such specification, Shares will be voted in favour of the proposed resolution. The person appointed under the form of proxy furnished by the Corporation is conferred with discretionary authority with respect to amendments or variations of those matters specified in the form of proxy and Notice of Meeting. At the time of mailing of this Information Circular, management of the Corporation knows of no such amendment, variation or other matter.

Voting of Shares – Advice to Beneficial Holders of Securities

The information set forth in this section is of significant importance to many Shareholders as a substantial number of the Shareholders hold their Shares through intermediaries such as brokers and their agents or nominees and not in their own name. Shareholders who do not hold their Shares in their own name (referred to in this Information Circular as “**Beneficial Shareholders**”) should note that only proxies deposited by Shareholders whose names appear on the records of the Corporation as the registered holders of the Shares can be recognized and acted upon at the Meeting. If Shares are listed in an account statement provided to a Shareholder by a broker, then in almost all cases those Shares will not be registered under the name of the Shareholder on the records of the Corporation. Such Shares will more likely be registered under the name of the Shareholder's broker or an agent or nominee of that broker. Shares held by brokers or their agents or nominees can only be voted for, or withheld from voting, or voted against any resolution upon the instructions of the Beneficial Shareholder. Without specific instructions, brokers their agents or nominees are prohibited from voting Shares for their clients.

Applicable regulatory policy requires intermediaries and brokers to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. Every intermediary and broker has its own mailing procedures and provides its own return instructions, which should be carefully followed by Beneficial Shareholders in order to ensure that their Shares are voted at the Meeting. Often, the form of proxy supplied to a Beneficial Shareholder by its broker (or agent or nominee thereof) is identical to the form of the proxy provided to registered Shareholders; however, its purpose is limited to instructing the registered Shareholder how to vote on behalf of the Beneficial Shareholder. **A Beneficial Shareholder receiving a proxy from an intermediary cannot use that proxy to vote Shares directly at the Meeting, rather the proxy must be returned to the intermediary well in advance of the Meeting in order to have the Shares voted. A Beneficial Shareholder may however request the intermediary to appoint the Beneficial Shareholder as a nominee of it as a proxy holder. A Beneficial Shareholder should contact the intermediary, broker or agents and nominees thereof, should it have any questions respecting the voting of the Shares.**

EXECUTIVE COMPENSATION AND REMUNERATION OF DIRECTORS

Compensation Discussion and Analysis

The following compensation discussion and analysis ("CD&A") describes the significant elements of the Corporation's proposed executive compensation program, with particular emphasis on the process for determining compensation payable to the President and Chief Executive Officer, the Chief Financial Officer, and each of the two most highly compensated executive officers other than the President and Chief Executive Officer, and the Chief Financial Officer (collectively, the "Named Executive Officers" or "NEOs").

Based on compensation levels paid or issued, as the case may be, during 2023, the NEOs for the purposes of this CD&A for the year ended **December 31, 2023, including as at the date of this Information Circular**, were as follows:

- Jeffrey S. Ackert: President and Chief Executive Officer
- Shannon Baird: Vice President, Exploration and Corporate Secretary
- Yanika Silina: Chief Financial Officer

This CD&A reflects the current expectations of Management with respect to the Corporation's executive compensation program. While there is no present intention to make any material changes to the Corporation's current executive compensation program, the Corporate Governance and Compensation Committee of the Board may review the Corporation's executive compensation program and, if determined appropriate, may make recommendations to the Board regarding changes to the program in light of relevant factors including the Corporation's status as a public company.

Overview

The Corporation's executive compensation program is administered by the Corporate Governance and Compensation Committee. As part of its mandate, the Corporate Governance and Compensation Committee reviews and recommends to the Board the remuneration of the NEOs. The Corporate Governance and Compensation Committee is also responsible for reviewing the Corporation's compensation policies, compensation matrix and guidelines generally. For a description of the Corporate Governance and Compensation Committee and its current members, see the Corporation's Statement of Corporate Governance Practices in "*Corporate Governance*".

Compensation Philosophy and Objectives of the Compensation Program

The Corporation's compensation program intends to seek to encourage growth in reserves, production, cash flow and earnings while focusing on achieving attractive returns on capital in order to enhance shareholder value. To achieve these objectives, the Corporation believes it is critical to create and maintain a compensation program that will attract and retain committed, highly qualified personnel by providing appropriate rewards and incentives, motivate their performance in order to achieve the Corporation's strategic objectives and align the interests of executive officers with the long-term interests of the Corporation's shareholders and enhancement in share value.

Components of Compensation

The Corporation compensates its NEOs through the following: (i) base salary; (ii) discretionary cash bonuses paid from time to time based on performance; and (iii) long-term incentive compensation comprised of grants of Options at levels which the Corporate Governance and Compensation Committee believes are reasonable in light of the performance of the Corporation.

Base Salary

Base salaries are intended to compensate each NEO's core competencies, skills, experience and contribution to the Corporation. The Corporate Governance and Compensation Committee believes that base salaries should be competitive but total compensation should be weighted toward variable, long term performance-based components.

Cash Bonus

Discretionary cash bonuses are intended to motivate and reward the accomplishment of specific business and operating objectives within a defined period. Cash bonuses may be paid at the discretion of the Board on the recommendation of the Corporate Governance and Compensation Committee, based upon the achievement of certain corporate objectives. Cash bonuses awarded by the Corporate Governance and Compensation Committee are intended to be generally competitive with the market. The Corporate Governance and Compensation Committee considers the Corporation's performance during the year with respect to the qualitative goals in the context of market and economic trends and forces, extraordinary internal and market-driven events, unanticipated developments and other extenuating circumstance in making bonus determinations.

Proposed cash bonuses for NEOs, excluding the President and Chief Executive Officer, will be recommended by the President and Chief Executive Officer, reviewed by the Corporate Governance and Compensation Committee, and, if deemed appropriate, recommended to the Board for approval. Any cash bonus to be paid to the Chief Executive Officer will be determined by the Board based on recommendations received from the Corporate Governance and Compensation Committee.

Option Awards

The Corporation has adopted an incentive stock option plan which is administered by the Board. The Option Plan provides that the Board may from time to time, in its discretion, and in accordance with the CSE requirements, grant to directors, officers and technical consultants to the Corporation, non-transferable, non-assignable Options, provided that the number of Common Shares reserved for issuance will not exceed 10% of the issued and outstanding Common Shares. In connection with the foregoing, the number of Common Shares reserved for issuance to any one person in any twelve month period will not exceed 5% of the issued and outstanding Common Shares unless the Corporation has obtained disinterested shareholder approval in respect of such grant and meets applicable CSE requirements. In addition: (i) the number of Common Shares reserved for issuance to any one technical consultant will not exceed 2% of the issued and outstanding Common Shares; and (ii) the number of Common Shares reserved for issuance to persons providing investor relations activities will not exceed 2% of the issued and outstanding Common Shares. Subject to the following, Options must be exercised within a 90 days following cessation of the optionee's position with the Corporation, provided that if the cessation was by reason of death or disability, the Option may be exercised within a maximum period of one year after such death or disability, subject to the expiry date of such Option.

The exercise price of the Options shall be determined by the Board at the time any Option is granted. In no event shall such exercise price be lower than the exercise price permitted by the CSE. Subject to any vesting restrictions imposed by the CSE, the Board may, in its sole discretion, determine the time during which Options shall vest and the method of vesting, or that no vesting restriction shall exist.

As of the year ended December 31, 2023, 1,150,000 Options were outstanding (December 31, 2022: 1,150,000). During the year ended December 31, 2022, 1,150,000 Options were granted to directors, officers, employees and consultants of the Corporation at a price of \$0.10 per Common Share, expiring on August 15, 2027. As of the date of this Information Circular, **1,150,000** Options are outstanding.

Hedging Activities

Although the Corporation has no formal hedging policy in place with respect to purchases of securities by NEOs or directors designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by such individuals, to the Corporation's knowledge, no NEO or director has hedged the economic value of his direct or indirect interests in the market value of the Corporation's Common Shares so held or granted as compensation.

Risk Assessment and Oversight

The Board and Corporate Governance and Compensation Committee are keenly aware of the fact that compensation practices can have unintended risk consequences. The Corporate Governance and Compensation Committee will continually review the Corporation's compensation policies to identify any practice that might encourage an employee to expose the Corporation to unacceptable risks. At the present time, the Corporate Governance and Compensation Committee is satisfied that the current executive compensation program does not encourage the Corporation's executives to expose the business to inappropriate risk. The Corporate Governance and Compensation Committee takes a conservative approach to executive compensation rewarding individuals for the success of the Corporation once that success has been demonstrated and incentivising them to continue that success through the grant of long-term incentive awards. In addition, the number of options a particular NEO is entitled to receive is limited by the Option Plan.

CORPORATE GOVERNANCE

General

Corporate governance refers to the policies and structure of the board of directors of a company, whose members are elected by and are accountable to the shareholders of the company. Corporate governance encourages establishing a reasonable degree of independence of the board of directors from executive management and the adoption of policies to ensure the board of directors recognizes the principles of good management. The Board is committed to sound corporate governance practices, as such practices are both in the interests of shareholders and help to contribute to effective and efficient decision making.

Board of Directors

Pursuant to National Instrument 58-101, a director is independent if the director has no direct or indirect relationship with the issuer which could, in the view of the issuer's board of directors, be reasonably expected to interfere with the exercise of a member's independent judgment. Certain directors are deemed to have a material relationship with the issuer by virtue of their position or relationship with the Corporation. The Board is currently comprised of four (4) members. Currently two (2) directors are independent. In assessing whether a director is independent for these purposes, the circumstances of each director have been examined in relation to a number of factors.

The Board has not adopted a written code of business conduct and ethics, however, the Board encourages and promotes an overall culture of ethical business conduct by promoting compliance with applicable laws, rules and regulations; providing guidance to consultants, officers and directors to help them recognize and deal with ethical issues; promoting a culture of open communication, honesty and accountability; and ensuring awareness of disciplinary actions for violations of ethical business conduct. In particular, the Board ensures that directors exercise independent judgment in considering transactions and certain activities of the Corporation by holding in camera sessions of independent directors, when applicable, and by having each director declare his or her interest in a particular transaction and abstaining from voting on such matters, where applicable.

Nomination of Directors

The Board is largely responsible for identifying new candidates for nomination to the Board and does not have a separate nominating committee. Subject to the requirements of the Exchange, any such amendment shall be effective upon receipt of Board approval of it, and the approval of any of the shareholders of the Company or any of the Optionees is not required to give effect to such amendment.

- (b) If the Common Shares, as presently constituted, are changed into or exchanged for a different number or kind of shares or other securities of the Company or of another Company (whether by reason of merger, consolidation, amalgamation, recapitalization, reclassification, split, reverse split, combination of shares, or otherwise) or if the number of such Common Shares are increased through the payment of a stock dividend, then there shall be substituted for or added to each Option Share subject to or which may become subject to an Option under this Plan, the number and kind of shares or other securities into which each outstanding Option Share is so changed, or for which each such Option Share is exchanged, or to which each such Option Share is entitled, as the case may be. Outstanding Options under the Option Agreements shall also be appropriately amended as to price and other terms as may be necessary to reflect the foregoing events. In the event that there is any other change in the number or kind of the outstanding Common Shares or of any shares or other securities into which such Option Shares are changed, or for which they have been exchanged, then, if the Board shall, in its sole discretion, determine that such change equitably requires an adjustment in any Option theretofore granted or which may be granted under the Plan, such adjustment shall be made in accordance with such determination.
- (c) Fractional shares resulting from any adjustment in Options pursuant to this Section 8 will be cancelled. Notice of any adjustment shall be given by the Company to each holder of an Option which has been so adjusted and such adjustment (whether or not such notice is given) shall be effective and binding for all purposes of the Plan.

10. **SECURITIES LAW REQUIREMENTS**

No Option shall be exercisable in whole or in part, nor shall the Company be obligated to issue any Option Shares pursuant to the exercise of any such Option, if such exercise and issuance would, in the opinion of counsel for the Company, constitute a breach of any applicable laws from time to time, or the rules from time to time of the Exchange. Each Option shall be subject to the further requirement that if at any time the Board determines that the listing or qualification of the Option Shares under any securities legislation or other applicable law, or the consent or approval of any governmental or other regulatory body (including the Exchange), is necessary as a condition of, or in connection with, the issue of the Option Shares hereunder, such Option may not be exercised in whole or in part unless such listing, qualification, consent or approval has been effected or obtained free of any conditions not acceptable to the Board.

- (i) any disposition of substantially all of the assets of the Company, dissolution or any merger, amalgamation or consolidation of the Company, with or into any other Company, or the merger, amalgamation or consolidation of any other Company with or into the Company; or
 - (ii) any acquisition pursuant to a public tender offer of a majority of the then issued and outstanding Common Shares;

but subject to compliance with the rules of the Exchange, to amend any outstanding Options to permit the exercise of all such Options prior to the effectiveness of any such transaction, and to terminate such Options as of such effectiveness in the case of transactions referred to in subsection (i) above, and as of the effectiveness of such tender offer or such later date as the Board may determine in the case of any transaction described in subsection (ii) above. If the Board exercises such power, all Options then outstanding and subject to such requirements shall be deemed to have been amended to permit the exercise thereof in whole or in part by the Optionee at any time or from time to time as determined by the Board prior to the effectiveness of such transaction, and such Options shall also be deemed to have terminated as provided above.

12. **Power to Terminate or Amend Plan**

Subject to the approval of any stock exchange on which the Company's securities are listed, the Board may terminate, suspend or amend the terms of the Plan; provided, that the Board may not do any of the following without obtaining, within 12 months either before or after the Board's adoption of a resolution authorizing such action, shareholder approval, and, where required, disinterested shareholder approval, or by the written consent of the holders of a majority of the securities of the Company entitled to vote:

- (a) increase the aggregate number of Common Shares which may be issued under the Plan;
- (b) materially modify the requirements as to the eligibility for participation in the Plan which would have the potential of broadening or increasing Insider participation;
- (c) add any form of financial assistance or any amendment to a financial assistance provision which is more favourable to participants under the Plan;
- (d) add a cashless exercise feature, payable in cash or securities, which does not provide for a full deduction of the number of underlying securities from the Plan reserve; and
- (e) materially increase the benefits accruing to participants under the Plan.

However, the Board may amend the terms of the Plan to comply with the requirements of any applicable regulatory authority without obtaining shareholder approval, including:

- (a) amendments of a housekeeping nature to the Plan;
- (b) a change to the vesting provisions of a security or the Plan; and
- (c) a change to the termination provisions of a security or the Plan which does not entail an extension beyond the original expiry date.

13. **SHAREHOLDER APPROVAL**

This Plan is subject to the approval of the shareholders of the Company if required pursuant to the policies of the Exchange. Any Options granted prior to such approval, if required, are conditional upon such approval being given, and no such Options may be exercised unless and until such approval, as required, is given.
