# **Apple Vision Pro**

In addition to its presentation at RainFocus INSIGHT, ARway.ai reiterates its recent exciting news regarding the Apple Vision Pro. This development underscores ARway.ai's commitment to leveraging the latest technologies in enhancing its spatial computing capabilities.

In September 2023, <u>ARway announced the Company was selected to participate at Apple's Vision Pro Developer Labs</u> in Cupertino, California. As a result, <u>ARway completed a first build of the ARway Platform on Apple's Vision Pro</u> hardware and realityOS operating system. ARway currently delivers optimal performance on iOS devices and will seamlessly integrate into Apple's ecosystem.

Recently, Apple announced Apple Vision Pro will be available beginning Friday, February 2nd, at all U.S. Apple Store locations and the U.S. Apple Store online. Ahead of the Apple Vision Pro Launch, ARway has experienced an increase in global interest and deals, as the Vision Pro has stoked demand for ARway's spatial computing and augmented reality navigation platform. ARway's use cases in indoor navigation and recent efforts have focused

precisely on AR glasses integration, aligning the Company's vision and execution with the industry shift to 3D/AR.

CEO Evan Gappelberg recently released a new episode of the Public Company CEO Experience podcast, highlighting ARway.ai and Apple vision Pro.
