

ARway.ai The Spatial Computing Company Signs New Deal With Kuwait Agency For AR Navigation

TORONTO, ON, Canada – February 27 – [ARway.ai](https://arway.ai) (“ARway” or the “Company”) (CSE: ARWY), (OTC: ARWYF) (FSE: E65) is an AI powered Augmented Reality Experience platform with a disruptive no-code, no beacon spatial computing solution enabled by visual marker tracking with centimeter precision is pleased to announce a new deal with [AMANAH TEKNOLOGIA](https://amanah-technology.com), located in Kuwait City, Kuwait. They are another ARway.ai partner, leading technology company and system integrator that provides innovative products to enhance the way businesses and people interact with technology; software development, cloud hosting, e-commerce and marketing.

This deal encompasses a project to prototype mobile application for hospitals that integrates with EMR systems and acts as a digital concierge for visitors and staff. The prototype will be tested at the Dar AlShifa Hospital in Kuwait, which will leverage the ARwayKit SDK to provide AR navigation and immersive educational experiences throughout the entire facility. This ensures the hospital journey is as easy and seamless as possible.
