Cautionary Note Regarding Forward-Looking Statements

Certain statements in this news release related to the Company are forward-looking statements and are prospective in nature. Forward-looking statements are not based on historical facts, but rather on current expectations and projections about future events and are therefore subject to risks and uncertainties which could cause actual results to differ materially from the future results expressed or implied by the forward-looking statements. These statements generally can be identified by the use of forward-looking words such as “may”, “should”, “could”, “intend”,

“estimate”, “plan”, “anticipate”, “expect”, “believe” or “continue”, or the negative thereof or similar variations. Forward-looking statements in this news release include, but are not limited to, statements regarding the completion of the Transaction on the terms and conditions expressed, the expected timing of closing, receipt of the shareholder, regulatory and third party approvals required for the Transaction, the expected benefits of the Transaction, information concerning the Property, its prospects and the favorable regulatory environment, near by communities, operating conditions and infrastructure, Planet Green’s option to acquire 100% of the interest in the Property, the Company’s expectations in planning an exploration program on the Property and the Company’s business plans in identifying, acquiring and unlocking value in mineral opportunities in Canada and other low-risk jurisdictions. Such forward-looking statements are based on a number of assumptions of management, including, without limitation, that the Company and Planet Green will be able to complete the Transaction on the terms and within the time frame expected; that Planet Green will be able to obtain shareholder approval for the Transaction; that the Company will be able to obtain any necessary third party and regulatory approvals required for the Transaction; if completed, that the Transaction will provide the expected benefits to the Company, Planet Green and the shareholders of both companies; that Planet Green will be able to maintain the Harrison Road Lithium Option Agreement in good standing; and that the completion of the Transaction will not be adversely impacted by COVID-19 or the ongoing conflict in Eastern Europe. There are numerous risks and uncertainties that could cause actual results and the Company’s plans and objectives to differ materially from those expressed in the forward-looking information contained in this news release, including: adverse market conditions, general economic, market or business risks, unanticipated costs, the failure of Planet Green and the Company to complete the Transaction on the terms and conditions and within the timeframe expected, the failure of Planet Green to obtain shareholder approval for the Transaction, the Company’s failure to obtain any necessary approvals for the Transaction, the failure of Planet Green to maintain the Harrison Road Lithium Option Agreement in good standing, risks relating to the extent and duration of the conflict in Eastern Europe and its impact on global markets, risks relating to the extent and duration of COVID-19 and its impact on Planet Green and the Company and other factors beyond the control of the Company, including those other risks more fully described in the Company’s annual and quarterly management’s discussion and analysis and other filings made by the Company with Canadian securities regulatory authorities under the Company’s profile at www.sedarplus.ca. Readers are cautioned that forward-looking statements are not guarantees of future performance or events and, accordingly, are cautioned not to put undue reliance on such statements. Accordingly, the forward-looking statements contained in this news release are made as of the date hereof and, unless required by applicable law, the Company assumes no obligation to update any forward-looking statements.
