Toggle3D.ai Launches AI-Powered 3D Model Marketplace with 200,000+ Models

TORONTO, ON, Canada – May 16, 2024 – Toggle3D.ai (the "Company") (CSE: TGGL)(OTCQB: TGGLF)(FSE: Q0C), a pioneer in AI technology, is thrilled to announce the introduction of new AI-powered features that enhance the platform's revenue-generating capabilities. These innovations leverage generative AI to transform CAD files into stunning 4K textured visuals and enable the publishing of superior 2K, 4K, and 8K renders from 3D models.

A significant enhancement to our platform is the launch of our 3D model marketplace, featuring over 200,000 models priced between \$20 and \$95 per model. These models, including meshes and parts, have been developed by Nextech3D.ai (OTCQX: NEXCF)(CSE: NTAR) over several years, generating over \$3 million in revenue. Through the Toggle3D.ai marketplace, Nextech3D.ai aims to drive further revenue by imposing a 30% royalty on sales.

Toggle3D.ai empowers users to purchase models as-is or customize them by altering colors and textures using our advanced generative AI texturing tools. This capability creates millions of unique combinations, offering limitless potential and significant revenue opportunities for both companies.

3D Renders from 3D Models

3D Model Marketplace Announcement:

We are excited to unveil our new 3D Model Marketplace, a dynamic collaboration between [Nextech3D.ai](https://www.nextech3d.ai) and Toggle3D.ai. This marketplace draws from [Nextech3D.ai's](https://www.nextech3d.ai) extensive library of over 200,000 photorealistic, ecommerce-ready 3D models and quad meshes, and is enhanced by the sophisticated AI Mesh search capabilities of [Toggle3D.ai](https://www.toggle3d.ai). With a proven track record, Nextech3D.ai has already generated over \$3 million in revenue from these models while maintaining ownership rights. The integration of AI-driven search and advanced texturing technologies from Toggle3D.ai now allows us to offer these models for repeated sales, opening significant revenue opportunities.

3D Cloud (Dynamic Content Management System - CAM):

In addition to the marketplace, we are proud to introduce our advanced Content Management System (CAM), tailored specifically for managing complex 3D files. This state-of-the-art system facilitates the seamless storage, management, distribution, and sharing of 3D assets across our platform. We believe this represents another substantial avenue for revenue growth.

The launch of these AI-enhanced capabilities underscores [Toggle3D.ai's](#) commitment to providing cutting-edge tools that empower our users with unmatched creativity and productivity. We invite both individuals and enterprises to join us on this transformative journey, as we continue to push the boundaries of 3D content creation and management.
