Eagle Royalties Announces Share Buy-back

Cranbrook, B.C., September 16, 2024: Eagle Royalties Ltd. (“ER”:CSE, or “Eagle Royalties” or the “Company”) is pleased to announce that the Company has filed a Notice of Normal Course Issuer Bid (the “NCIB”) with regulators to purchase for cancellation, from time to time, as the Company considers advisable, up to 2,853,016 common shares (“Common Shares”) of the Company, representing approximately 5.96% of the current public float of the Common Shares. The maximum amount of shares available for daily repurchase is 5,909.

Purchases of Common Shares will be made on the open market through the facilities of the CSE and other alternative markets. For any Common Shares purchased, the Company will pay the prevailing market price of the Common Shares. The actual number of Common Shares that may be purchased for cancellation and the timing of any such purchases will be determined by the Company and dependent on market conditions.

The Company is commencing the NCIB because it believes that, from time to time, the market price of its Common Shares may not properly reflect the underlying, intrinsic value of the Company and its royalty assets, and that, at such times, the purchase of Common Shares for cancellation will increase the proportionate interest of, and be advantageous to, all remaining shareholders.

The NCIB will commence on September 19, 2024 and will terminate on September 17, 2025 or at such earlier time as the NCIB is completed or terminated at the option of Eagle Royalties. The Company has retained Haywood Securities as its broker to conduct the NCIB on its behalf.
