Ontario Securities Commission  
Alberta Securities Commission

Dear Sirs/Mesdames:

**Re: BGX – Black Gold Exploration Corp. – Final Long Form Prospectus**

---

Sproule International Limited (“**Sproule**”) is the author of the independent report on prospective resources data entitled “Estimation of the Prospective Resources of the Mina El Carmen Block, Argentina for Black Gold Exploration Corp.” with an effective date of July 15, 2023 (the “**Report**”) referred to in the final long form prospectus (the “**Prospectus**”) of BGX - Black Gold Exploration Corp. (the “**Company**”) dated January 26, 2024.

Sproule hereby consents to the use of its name and references to excerpts from the Report both in the Prospectus and through incorporation by reference in the Prospectus. Sproule further consents to the filing of the Report with the Canadian securities regulatory authorities, any stock exchange and any other regulatory authority and any publication by them for regulatory purposes, including SEDAR filings and electronic publication in the public company files on their websites accessible by the public.

Sproule confirms that it has read the Prospectus and the written disclosure contained therein fairly and accurately represents the information in the Report.

Sproule confirms that it has read the Prospectus and all information specifically incorporated by reference therein and has no reason to believe that there are any misrepresentations in the information contained therein that are derived from the Report, or that are within Sproule’s knowledge as a result of the services performed by Sproule in connection with the Report.

Dated this 26th day of January, 2024

**SPROULE INTERNATIONAL LIMITED**
